CAROMIO B0CGWP11BC

CAROMIO Heating Pad Instruction Manual

Model: B0CGWP11BC

1. IMPORTANT SAFETY INFORMATION

Please read all safety instructions carefully before using your CAROMIO Heating Pad. Failure to follow these instructions may result in electric shock, fire, or injury.

- Use caution when operating the heating pad to avoid burns.
- Do not use on damaged skin or while sleeping.
- Keep away from water and ensure the heating pad is unplugged when not in use.
- This product is not intended for use by children.
- Consult a healthcare professional before use if pregnant or have a medical condition.

2. PRODUCT OVERVIEW

The CAROMIO Heating Pad is designed to provide soothing heat for various body areas. It features fast-heating technology, multiple heat settings, and an automatic shut-off for safety and convenience. The pad is made from soft velvet material and includes weighted edges and straps for secure placement.

3. SETUP INSTRUCTIONS

1. Remove the heating pad from its packaging.
2. Ensure the controller is securely connected to the heating pad.
3. Plug the heating pad's power cord into a standard 110V AC power outlet.

4. OPERATING INSTRUCTIONS

Once plugged in, use the remote control to operate the heating pad.

1. Press the power button on the remote control to turn on the heating pad.
2. Use the heat level buttons (Warm, Low, Med, High) to select your desired temperature. The temperature range is approximately 45°C-60°C (115°F-145°F).
3. Place the heating pad on the desired area of your body.
4. Use the snap fasteners around the neck and the waist straps to secure the heating pad in place. The weighted edges also help maintain contact with your body.
5. Monitor your skin for any signs of irritation or discomfort during use.

The heating pad features a 2-hour automatic shut-off for safety. It will turn off automatically after two hours of continuous use.

5. MAINTENANCE

To ensure the longevity and hygiene of your heating pad:

- Always detach the controller before cleaning.
- The heating pad is machine-washable. Use a gentle cycle with cold water.
- Do not bleach, iron, or dry clean the heating pad.
- Hang to air dry completely before reattaching the controller and storing or reusing.
