TecTake Double Hammock Sun Lounger Instruction Manual

Model: 404868

PRODUCT OVERVIEW

The TecTake Double Hammock Sun Lounger is designed for comfortable outdoor relaxation for up to two people. It features a sturdy metal frame, a water-repellent textile surface, and an adjustable sun canopy. Equipped with wheels for easy mobility, this lounger is suitable for gardens, patios, and conservatories.

SETUP AND ASSEMBLY

The TecTake Double Hammock Sun Lounger is designed for fast and easy assembly. Follow these steps to set up your lounger.

Included Components:

- 1 x Frame
- 1 x Reclining Surface
- 2 x Cushions
- 1 x Sunroof (Canopy)
- Assembly Materials (screws, nuts, tools if provided)
- 1 x Setup Manual (this document)

Assembly Steps:

1. Unpack all components and verify against the included components list.
2. Assemble the main frame structure. Ensure all connections are secure.
3. Attach the reclining surface to the assembled frame.
4. Install the sun canopy onto the designated frame points.
5. Place the two head pillows onto the reclining surface.
6. Ensure all screws and fasteners are tightened securely before use.

The **spacious lying surface** with 2 removable pillows offers excellent comfort.

The **large sunshade** can be tilted to a wide variety of angles and will easily adapt to your needs.

The **powder-coated steel frame** guarantees immense sturdiness, weather resistance and durability.

The **plastic feet** and the **two smooth-running wheels** make the lounger both stable and mobile.

OPERATING INSTRUCTIONS

The TecTake Double Hammock Sun Lounger is designed for ease of use and maximum comfort.

Using the Sun Lounger:

- **Seating/Lying:** The lounger is designed to comfortably accommodate up to two people. Distribute weight evenly across the reclining surface.

- **Adjusting the Canopy:** The integrated sunshade can be easily adjusted to your preferred angle to provide optimal shade. Gently push or pull the canopy to tilt it.
- **Mobility:** The lounger is equipped with two wheels at one end. To move the lounger, lift the opposite end and roll it to the desired location.

LEAN BACK & relax.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your TecTake Sun Lounger.

- **Cleaning the Fabric:** The textile covers have a liquid-repellent coating, making them easy to clean. Wipe spills immediately with a damp cloth. For general cleaning, use mild soap and water, then rinse thoroughly and allow to air dry completely.
- **Frame Care:** The powder-coated steel frame is robust and designed for outdoor use. Clean the frame with a damp cloth and mild detergent. Avoid abrasive cleaners.
- **Weather Protection:** While designed to be weather-resistant, it is recommended to store the lounger indoors or cover it during prolonged periods of harsh weather, heavy rain, or winter to prevent wear and tear.

- **Fastener Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability and safety.

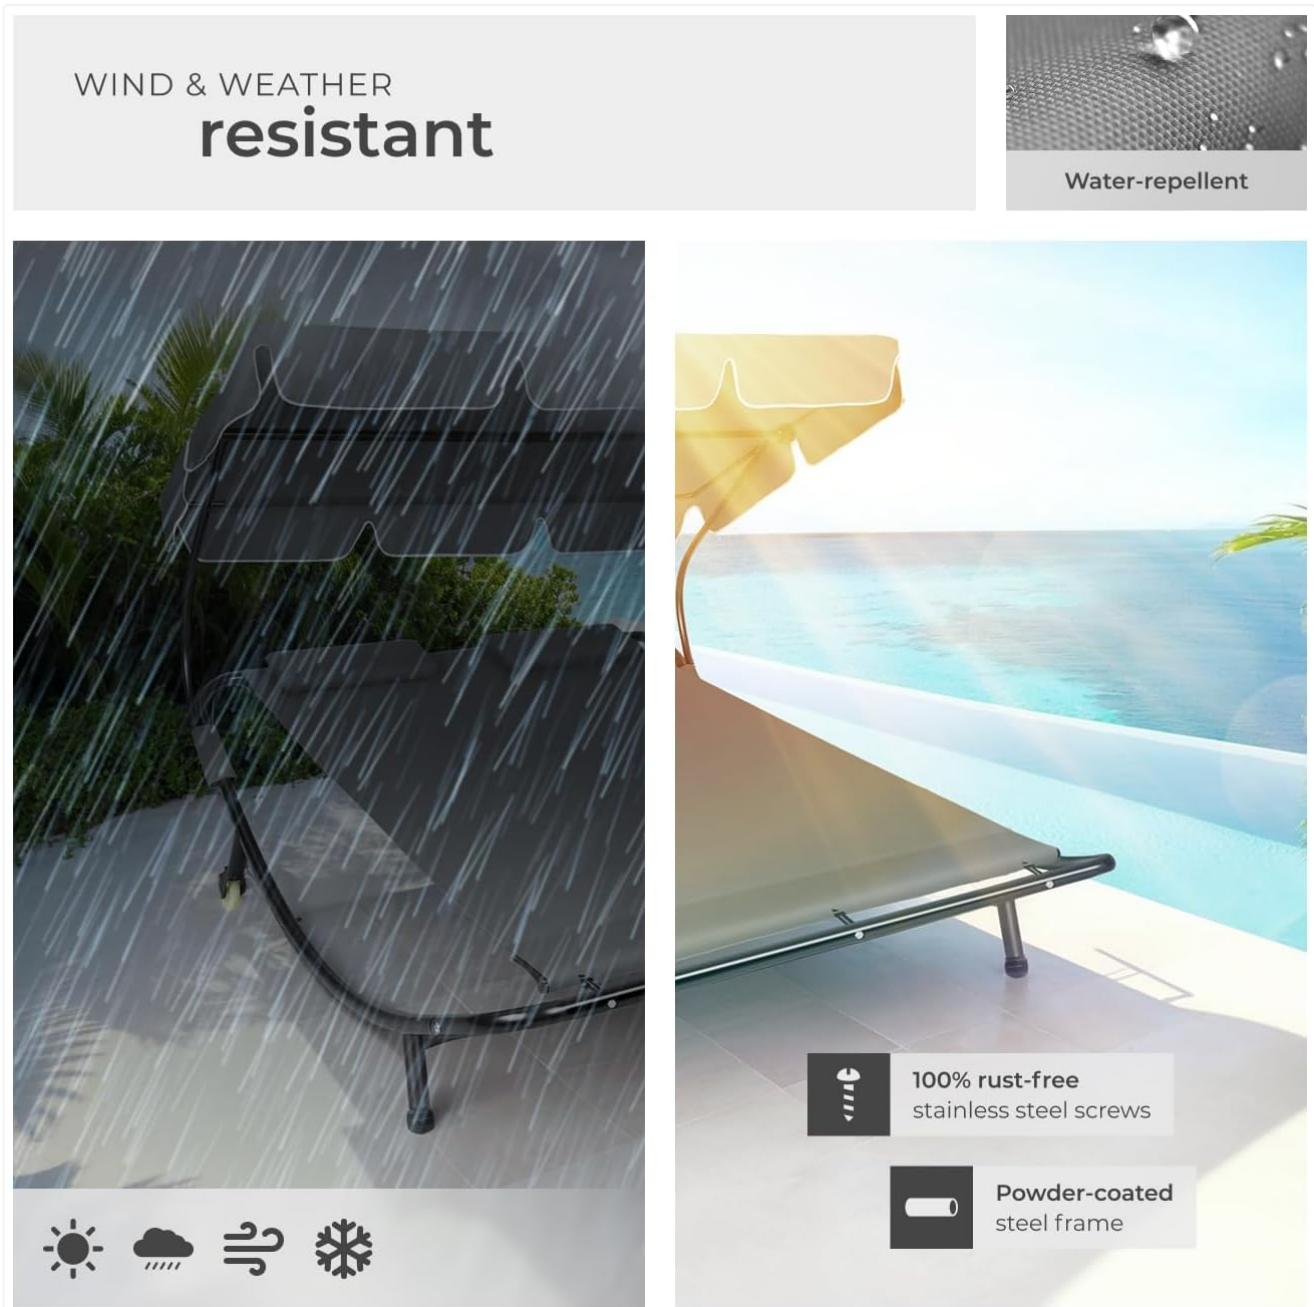

Image: This image illustrates the water-repellent nature of the fabric and highlights the lounger's resistance to wind and various weather conditions, emphasizing its durability.

TROUBLESHOOTING

If you encounter any issues with your sun lounger, refer to the following common problems and solutions.

- **Problem: Parts do not align during assembly.**

Solution: Ensure you are following the assembly instructions precisely. Sometimes, parts may need to be loosely assembled first before tightening all screws to allow for minor adjustments. Verify that you have the correct parts for each step and that they are oriented correctly. If a part appears bent or damaged, contact customer support.

- **Problem: Lounger feels unstable.**

Solution: Check all bolts and screws to ensure they are fully tightened. The lounger should be placed on a flat, level surface. The non-slip plastic feet are designed to provide stability.

- **Problem: Canopy does not stay in position.**

Solution: Inspect the canopy's adjustment mechanism for any obstructions or loose fittings. Ensure the mechanism is clean and free of debris.

Special Features	Reclining, Cushion Availability, Wheels for mobility, Foldable awning

IMPORTANT SAFETY WARNINGS

Adhere to the following safety guidelines to prevent injury and ensure safe use of the product.

- **WARNING: Maximum weight capacity is 250 kg (550 lbs). Do not exceed this maximum weight capacity.**
- **Securely anchor the hammock to stable supports if there is any risk of tipping, especially in windy conditions.**
- Ensure the lounger is placed on a flat, stable, and level surface before use.
- Keep children and pets away from the lounger during assembly.
- Do not stand or jump on the lounger.
- Regularly inspect the lounger for any signs of wear, damage, or loose parts. Discontinue use if damage is found and repair or replace components as necessary.
- Do not use the lounger in extreme weather conditions (e.g., strong winds, thunderstorms).
