

CPT37

# User Manual for Vortex HD65 Phone Case

Model: CPT37

## INTRODUCTION

This manual provides instructions for the proper use and care of your new phone case, designed specifically for the Vortex HD65. This case offers protection, convenience, and style for your device.

## PACKAGE CONTENTS

Upon opening the package, you should find the following item:

- 1 x Phone Case (Model CPT37)

If any items are missing or damaged, please contact customer support.

## SETUP

### Installing Your Phone

1. Gently align your Vortex HD65 phone with the silicone inner shell of the case.
2. Press the phone firmly but carefully into the case, ensuring all corners and edges are securely seated.
3. Verify that all ports, buttons, and camera lenses are unobstructed and accessible.

Figure 1: Overview of the CPT37 Phone Case. This image displays the case's exterior, including the vibrant design and the attached wrist strap, along with a view of the phone inserted into the case and the case's wallet features.

## OPERATING INSTRUCTIONS

### Using the Kickstand Feature

The case is designed with a built-in kickstand for convenient hands-free viewing.

1. Open the front flap of the case.
2. Fold the back of the case along the designated crease to form a triangular stand.
3. Place the phone in landscape orientation on a flat surface. This allows for adjustable viewing angles, ideal for watching videos or making video calls.

Figure 2: Magnetic Closure and Stand Feature. This image illustrates how the case's magnetic closure secures the flap and how the case can be folded to create a stable kickstand for hands-free viewing.

## Utilizing Card Storage

The case includes integrated card slots for carrying essential cards.

- Locate the card slots on the inside of the front flap.
- Insert up to two standard-sized cards (e.g., ID, credit cards) into the designated slots.
- Ensure cards are fully inserted to prevent them from falling out.

Figure 3: Card Storage Functionality. This image provides a detailed view of the two card slots located on the inside flap of the case, demonstrating their capacity for holding cards.

## Magnetic Closure

The case features a magnetic closure to keep the flap securely shut, protecting your screen and contents.

- Simply close the front flap over the phone screen.
- The integrated magnets will automatically engage, holding the flap in place.

## MAINTENANCE

---

### Cleaning Your Case

- To clean the PU leather exterior, wipe gently with a soft, damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or excessive water, as these may damage the material.
- For the silicone inner shell, a mild soap solution can be used if necessary, followed by wiping with a clean, dry cloth.
- Ensure the case is completely dry before reinserting your phone.

### Storage

When not in use, store the case in a cool, dry place away from direct sunlight and extreme temperatures to preserve its material integrity and color.

## TROUBLESHOOTING

---

### Case Does Not Fit Phone

- Ensure your phone is a Vortex HD65 model. This case is specifically designed for this device.
- Remove any existing screen protectors or other accessories that might interfere with the fit.
- If the issue persists, contact customer support.

### Magnetic Closure Not Holding

- Check if there are too many cards or items in the card slots, which might prevent the flap from closing properly.
- Ensure no debris is obstructing the magnetic contact points.

## SPECIFICATIONS

---
