## LEGO 76277

# LEGO Marvel War Machine Mech Armor (76277) Instruction Manual

## 1. OVERVIEW

---

The LEGO Marvel War Machine Mech Armor (76277) buildable playset features a buildable, fully jointed robot for kids aged 6 and up, and comes with stud shooters and a minifigure pilot. The mech's chest opens to reveal a cockpit for the War Machine minifigure pilot. There are 3 stud shooters – 1 on the mech's shoulder and 2 on its arms – and a storage box on its back for extra ammunition. This posable, buildable Marvel action figure has jointed arms, legs, and hands, allowing for dynamic action and display. Kids can expand play possibilities by combining this buildable toy with other LEGO Marvel mechs in the range (sold separately).

#### 4. OPERATING INSTRUCTIONS

To operate the War Machine Mech Armor, first place the War Machine minifigure into the cockpit by opening the chest plate. Once secured, close the chest plate. Utilize the mech's jointed arms, legs, and hands to create various action poses and scenarios. The three stud shooters can be activated by pressing the small levers located near each shooter (one on the shoulder, two on the arms) to launch the red stud projectiles. Extra ammunition can be stored in the compartment on the mech's back.

## 5. CARE AND MAINTENANCE

---

To ensure the longevity of your LEGO set, keep it clean and free from dust. Use a soft, dry cloth to gently wipe down the bricks. For deeper cleaning, use a mild soap solution and rinse thoroughly with clean water, then air dry. Avoid exposing LEGO bricks to direct sunlight or extreme temperatures, as this can cause discoloration or warping. Store the set in a cool, dry place away from direct heat sources.

## 6. TROUBLESHOOTING

---

If you encounter any issues during assembly or play, please refer to the following:

- **Missing Pieces:** In the rare event of a missing piece, please contact LEGO Customer Service directly. They can provide replacement parts.
- **Difficulty Assembling:** Double-check the instruction manual for the correct orientation and

placement of bricks. The LEGO Builder app can also provide interactive 3D views to assist.

- **Stud Shooters Not Firing:** Ensure the red stud projectiles are correctly loaded into the shooters and the activation levers are fully pressed.
