LEGO City Fire Station with Fire Truck Toy Instruction Manual

Model: 60414 | Brand: LEGO

PRODUCT OVERVIEW

Spark kids' imaginations with the LEGO City Fire Station with Fire Truck (60414) toy playset for ages 6 and up. The fire station toy features a modern control center, kitchenette and sleeping quarters above an equipment area and 2 garages with tall up-and-over doors. The pretend play toy building set also includes a toy drone and a cool fire engine with a modular ladder and extinguisher attachments. Mobilize the 5 fire crew minifigures and fire dog figure for hours of action packed firefighting role play. Kids can use this set with others from the LEGO City collection (sold separately) for even bigger adventures!

- **Fire Station with Fire Truck toy for ages 6 and up:**LEGO City playset, featuring a modern fire station toy with a control center and an emergency vehicle toy for action-packed firefighting adventures.
- **What's in the box?:** Includes everything kids need to build a toy fire station with a helipad, drone, fire truck, 5 firefighter minifigures and a fire dog figure.
- **Fun features for LEGO firefighters:** Includes a control room, kitchenette, bed and firepole for the firefighter minifigures, plus a truck with a hose and modular ladder and extinguisher attachments.
- **Fire station set with a 3D construction guide:** Discover the LEGO Builder app where kids can zoom in and rotate models in 3D, track building progress and explore and save virtual playsets.
- **A fun birthday gift idea for kids:** Give this pretend play toy as a birthday, holiday or any day gift for boys and girls ages 6 and up.
- **Discover a world of imaginative play:** Kids unleash more fun and adventures when they use this set with others (sold separately) from the LEGO City collection.
- **A city without limits:** LEGO City is a place where kids can set their limitless imaginations free, with structures, vehicles and citizens that motivate them to build, create, explore and play.

SAFETY INFORMATION

Choking Hazard: Contains Small Parts and Small Ball. Not for children under 3 years.

SETUP AND ASSEMBLY

The LEGO City Fire Station with Fire Truck (60414) set contains 843 pieces, designed for ages 6 and up. Assembly is guided by detailed printed building instructions included in the box, typically divided into multiple manuals corresponding to different sections of the build. For an enhanced building experience, step-by-step 3D instructions are available via the LEGO Builder app, allowing users to zoom, rotate, and visualize models from all angles.

Utilize the LEGO Builder app for interactive 3D building instructions, enhancing the assembly process.

OPERATING INSTRUCTIONS

This LEGO set offers various interactive features for imaginative play:

- **Fire Station:** The station includes a modern control center, a kitchenette, and sleeping quarters. It features two garages with tall, up-and-over doors that can be opened and closed to allow the fire truck to enter and exit. A fire pole allows minifigures to quickly descend from upper levels.
- **Fire Truck:** The fire truck is equipped with a modular ladder that can be extended and rotated. It also has interchangeable attachments, including a hose and an extinguisher. The truck can launch "water" pieces (translucent blue darts) from its cannon to simulate putting out fires. The cab opens to seat a minifigure driver.
- **Drone:** The set includes a toy drone that can be launched from the fire station's helipad. It can be used for aerial reconnaissance during pretend firefighting operations.
- **Minifigures and Accessories:** The set comes with 5 firefighter minifigures and a fire dog figure, along with various accessories like helmets, axes, and fire extinguishers, enabling diverse role-playing scenarios.

Modern fire engine with a working winch

The fire truck features a movable ladder and detailed design for realistic play.

**Kids launch darts
to knock out the LEGO® flames**

The fire truck can launch "water" darts to simulate extinguishing fires.

The set includes multiple minifigures and a fire dog for diverse play scenarios.

MAINTENANCE

LEGO sets are designed for durability and require minimal maintenance. To ensure longevity and cleanliness of your set:

- **Cleaning:** Use a soft brush or cloth to gently remove dust and debris from the bricks. For deeper cleaning, bricks can be washed by hand in lukewarm water (max 40°C / 104°F) with a mild detergent. Rinse thoroughly and air dry at room temperature. Avoid hot water, direct sunlight, or high heat, as this can deform the plastic.

- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent color fading and material degradation. Keeping pieces in an organized container can prevent loss and damage.
- **Handling:** While LEGO bricks are robust, avoid excessive force when assembling or disassembling to prevent stress marks or breakage.

TROUBLESHOOTING

Should you encounter any issues with your LEGO City Fire Station set, consider the following:

- **Missing Pieces:** Carefully re-check all packaging materials and the building area. Sometimes small pieces can be overlooked. If a piece is genuinely missing, LEGO offers a service to replace missing bricks. Refer to the official LEGO website for details.
- **Assembly Difficulties:** Double-check the building instructions for the specific step you are on. Ensure all pieces are correctly oriented and firmly pressed together. The LEGO Builder app's 3D view can be particularly helpful for clarifying complex steps.
- **Loose Connections:** Ensure bricks are fully pressed together. LEGO connections are designed to be snug. If a connection feels consistently loose, inspect the bricks for any damage or manufacturing defects.

SPECIFICATIONS

Feature	Detail
Product Dimensions	21.26 x 11.1 x 3.58 inches
Item Weight	3.84 pounds
Country of Origin	Mexico
ASIN	B0CGY2XFBB
Item Model Number	6470792
Manufacturer Recommended Age	6 years and up
