LEGO 11035

LEGO Classic Creative Houses Building Set 11035 Instruction Manual

1. INTRODUCTION

This manual provides detailed instructions for the LEGO Classic Creative Houses Building Set, model 11035. Designed for builders aged 4 and up, this set encourages creativity and problem-solving through the construction and customization of various house models. It contains 850 pieces, including a wide assortment of bricks, windows, doors, roofs, and accessories to inspire imaginative play.

2. GETTING STARTED (SETUP)

Before beginning construction, ensure all components are present and organized. Open the box and carefully sort the LEGO bricks by color or type to facilitate easier building. The set includes printed instructions for several initial models, and additional digital instructions are available.

2.1 Unpacking and Sorting

Gently remove all plastic bags containing LEGO elements from the box. It is recommended to sort the bricks into separate piles or containers. This helps in quickly locating specific pieces during the building process.

2.2 Accessing Instructions

Refer to the included printed instruction booklets for step-by-step guidance on building the initial house designs. For an enhanced interactive experience, download the [LEGO Builder app](#), which offers 3D building instructions, zoom and rotate functions, and progress tracking.

3. BUILDING INSTRUCTIONS (OPERATING)

The LEGO Classic Creative Houses set provides the foundation for building six distinct house models, each with unique characteristics. Follow the instructions carefully for each model, paying attention to the color and shape of the bricks.

3.1 Constructing Initial Models

Begin by selecting one of the house designs from the instruction booklet or the LEGO Builder app. Each step will illustrate which bricks to use and where to place them. Ensure bricks are firmly connected to create stable structures.

6 LEGO® houses to create and customize

3.2 Creative Building

Once familiar with the basic construction techniques, builders are encouraged to experiment. The set is designed for open-ended play, allowing for modifications and entirely new creations beyond the suggested models.

Build colorful houses with different designs

4. CUSTOMIZATION AND EXPANSION

The LEGO Classic Creative Houses set offers extensive opportunities for customization, allowing builders to personalize their creations and expand their architectural designs.

4.1 Swapping Elements

Easily swap doors, windows, roofs, and garden elements between different house models. This modularity allows for endless design variations and encourages experimentation with aesthetics.

Swap bricks, doors, windows, roofs and gardens

4.2 Building Taller and Larger Structures

Utilize the diverse range of bricks to make houses taller or combine multiple structures to create a larger, more complex building or even a small neighborhood. The set includes baseplates to provide stable foundations for these expanded creations.

4.3 Combining with Other Sets

This set can be combined with other LEGO Classic sets (such as 11034, 11036, and 11037, sold separately) to further expand building possibilities and integrate new themes and elements into your creative house designs.

5. CARE AND MAINTENANCE

Proper care ensures the longevity and cleanliness of your LEGO bricks.

5.1 Cleaning LEGO Bricks

To clean LEGO bricks, wash them by hand using water no warmer than 104°F (40°C) and a mild detergent. Rinse

thoroughly with clear water and allow them to air dry at room temperature. Avoid using a washing machine, dishwasher, or harsh chemicals, as these can damage the bricks.

5.2 Storage

Store LEGO bricks in a clean, dry place away from direct sunlight and extreme temperatures. Keeping them in a container helps prevent loss and keeps them free from dust.

6. TROUBLESHOOTING

6.1 Missing Pieces

If you find any pieces missing from your new set, please visit the official LEGO Customer Service website to request replacement parts. Provide the set number (11035) and the specific part numbers if known.

6.2 Difficulty Connecting Bricks

Ensure that bricks are aligned correctly before pressing them together. If a brick is difficult to connect, check for any obstructions or debris. LEGO bricks are designed to fit together with a satisfying click when properly aligned.

6.3 Safety Information

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.

This set contains small parts that may pose a choking hazard for young children. Adult supervision is recommended for children aged 4 and up during play.

7. SPECIFICATIONS

- **Product Name:** LEGO Classic Creative Houses Building Set
- **Model Number:** 11035
- **Item Model Number (Manufacturer):** 6470353
- **Brand:** LEGO
- **Number of Pieces:** 850
- **Recommended Age:** 4 years and up
- **Product Dimensions:** 15.04 x 10.32 x 4.65 inches (38.2 x 26.2 x 11.8 cm)
- **Item Weight:** 2.78 pounds (1.26 kg)
- **Release Date:** January 1, 2024

8. SUPPORT AND WARRANTY

For further assistance, product information, or to inquire about warranty details, please contact LEGO Customer Service
