

LEGO 71807

LEGO NINJAGO Sora's Elemental Tech Mech (71807) Instruction Manual

Model: 71807 | Brand: LEGO

1. INTRODUCTION

This manual provides detailed instructions for assembling and understanding the features of the LEGO NINJAGO Sora's Elemental Tech Mech (71807) building set. Designed for builders aged 7 and up, this set allows for the creation of a customizable mech figure, complete with minifigures and accessories for imaginative play.

2. CONTENTS OF THE BOX

The LEGO NINJAGO Sora's Elemental Tech Mech (71807) set contains 209 LEGO building elements. Upon opening the box, you will find:

- LEGO building bricks and specialized elements required to construct the Sora's Elemental Tech Mech.
- One Sora minifigure, equipped with two katana sword accessories.
- One Wolf Mask Claw Warrior minifigure.
- Printed building instructions.

3. ASSEMBLY INSTRUCTIONS

Follow the step-by-step visual instructions provided in the included building guide to assemble your Sora's Elemental Tech Mech. Ensure all pieces are correctly connected for stability.

3.1 General Building Tips

- **Organize Pieces:** Before starting, sort your LEGO elements by color or type to make the building process smoother.
- **Follow Steps Carefully:** Each step in the instruction manual builds upon the previous one. Pay close attention to the orientation and placement of each brick.
- **Secure Connections:** Press bricks firmly together to ensure a secure connection.

3.2 Digital Building Instructions

For an interactive building experience, download the LEGO Builder app. This application provides 3D digital instructions, allowing you to zoom, rotate, and visualize the model from all angles during construction. The app is available for most smartphones and tablets.

4. FEATURES AND PLAY

Once assembled, the Sora's Elemental Tech Mech offers various features for dynamic play and display.

4.1 Posable Mech Figure

The mech features posable arms and legs, allowing it to be tilted and twisted into various battle stances. A cockpit is integrated for placing the Sora minifigure inside.

Figure 2: The assembled Sora's Elemental Tech Mech in a dynamic pose, accompanied by the Sora and Wolf Mask Claw Warrior minifigures.

4.2 Accessories and Minifigures

The mech is equipped with a large sword accessory and a rotating blade. The set includes two minifigures: Sora, armed with two katana swords, and a Wolf Mask Claw Warrior, enabling children to recreate scenes from the NINJAGO Dragons Rising TV show.

Figure 3: Detailed view of the Sora minifigure with her katana swords and the Wolf Mask Claw Warrior minifigure.

5. CUSTOMIZATION OPTIONS

A unique feature of the Sora's Elemental Tech Mech is its modular design. The detachable legs, arms, and torso can be combined with parts from two other LEGO NINJAGO mechs (sold separately): Cole's Elemental Earth Mech (71806) and Kai's Elemental Fire Mech (71808). This allows for the creation of custom mech configurations.

Figure 4: Illustration demonstrating the interchangeability of parts between Sora's Mech (71807), Cole's Mech (71806), and Kai's Mech (71808).

Figure 5: The three Elemental Tech Mechs (71808, 71807, 71806) showcased together, emphasizing their distinct designs and the potential for creative combinations.

6. CARE AND MAINTENANCE

To ensure the longevity of your LEGO set, follow these simple care guidelines:

- **Cleaning:** Clean LEGO bricks with mild soap and water (not exceeding 40°C or 104°F). Rinse thoroughly and air dry. Avoid using harsh chemicals or hot water, as this can damage the plastic.
- **Storage:** Store your LEGO set in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping of the plastic.
- **Handling:** Handle the assembled model with care to prevent pieces from detaching.

7. TROUBLESHOOTING

7.1 Missing Pieces

If you discover any missing pieces during assembly, please contact LEGO Customer Service directly. They can assist with replacement parts.

7.2 Assembly Difficulties

If you encounter difficulties following the instructions, double-check each step. Ensure that all pieces are correctly identified and oriented as shown in the manual or the LEGO Builder app. Sometimes, a small misplacement can affect subsequent steps.

8. PRODUCT SPECIFICATIONS

Specification	Detail
Model Number	71807
Brand	LEGO
Recommended Age	7 years and up
Number of Pieces	209
Product Dimensions	7.52 x 10.32 x 2.4 inches
Item Weight	11.7 ounces
Release Date	January 1, 2024

9. SAFETY INFORMATION

This product contains small parts and is not suitable for children under 3 years of age due to choking hazards. Adult supervision is recommended during play for younger children within the recommended age range.

10. CUSTOMER SUPPORT

For further assistance, missing parts, or product inquiries, please visit the official LEGO customer service website or contact their support team directly. You can find contact information and FAQs on the [LEGO Service website](#).
