

WLIVE ASNG090

WLIVE ASNG090 5-Drawer Fabric Dresser User Manual

Model: ASNG090 | Brand: WLIVE

1. INTRODUCTION

Thank you for choosing the WLIVE ASNG090 5-Drawer Fabric Dresser. This manual provides essential information for the safe assembly, proper use, and maintenance of your new dresser. Please read these instructions carefully before assembly and retain them for future reference.

2. SAFETY INFORMATION

To ensure safe operation and prevent injury or damage, please observe the following safety guidelines:

- **Anti-Tipping Device:** Always install the included anti-tipping accessories to secure the dresser to a wall. This is crucial to prevent accidental tipping, especially in households with children or pets.
- **Weight Limits:** Do not overload the drawers or the top surface. The wooden top has a good load-bearing performance, but excessive weight can compromise stability.
- **Placement:** Place the dresser on a flat, stable, and level surface. Adjustable feet are provided to help stabilize the unit on uneven floors.
- **Assembly:** Follow all assembly instructions precisely. Do not use power tools for assembly unless specifically instructed, as overtightening screws can cause damage.
- **Children:** Keep small parts and packaging materials away from children during assembly. Do not allow children to climb on or play with the dresser.

STURDY STEEL FRAME

Anti-Tilt Device

Adjustable Feet

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Steel Frame Components
- Wooden Top Panel
- Fabric Drawers (5 units)
- Drawer Handles
- Adjustable Feet

- Anti-Tipping Kit (Wall anchors, screws, strap)
- Assembly Hardware (Screws, Allen wrench)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS (SETUP)

Assembly is required for this product. Please follow these steps carefully. It is recommended to assemble the dresser on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Check against the package contents list.
2. **Assemble the Steel Frame:** Connect the steel frame components using the provided screws and Allen wrench. Ensure all connections are secure but do not overtighten initially. Note the X-shaped frame on the back for improved stability.
3. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the steel frame. Adjust them later to level the dresser.
4. **Install Wooden Top:** Secure the wooden top panel to the top of the assembled steel frame using the designated screws.
5. **Prepare Fabric Drawers:** Insert the MDF board into the bottom of each fabric drawer to give it shape and stability. Attach the handles to the front of each drawer.
6. **Insert Drawers:** Slide the assembled fabric drawers into their respective slots within the steel frame.
7. **Install Anti-Tipping Device:** Position the dresser in its desired location. Secure the anti-tipping strap to the back of the dresser frame and then to a wall stud using the provided screws and anchors. This step is critical for safety.
8. **Level the Dresser:** Adjust the height of the adjustable feet at the bottom of the frame to ensure the dresser is stable and level on your floor surface.

5. USAGE (OPERATING)

The WLIVE ASNG090 dresser is designed for versatile storage in various rooms.

- **Storage:** Utilize the five fabric drawers for organizing clothing, accessories, linens, or other household items. The drawers are designed to hold a significant amount of items without sagging.
- **Top Surface:** The sturdy wooden top provides a stable surface for lamps, books, decorative items, or other lightweight objects. Avoid placing excessively heavy items on the top.
- **Placement:** This dresser is suitable for bedrooms, living rooms, closets, hallways, or college dorms. Its slim design allows it to fit into smaller spaces while providing additional storage.

6. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your dresser.

- **Cleaning the Wooden Top:** Wipe the wooden top with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Cleaning Fabric Drawers:** The high-quality fabric bins are fade and stain-resistant. For minor spills, gently blot with a clean, damp cloth. Do not machine wash or submerge the fabric drawers in water. Allow to air dry completely.
- **Frame Maintenance:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading of the fabric drawers and the wooden top.

3-TIER DESIGN

→ Not Easily deformed

→ Easily deformed

→ Non-Woven Fabric

→ MDF Board

→ Non-Woven Fabric

A cutaway diagram showing the three-layer construction of the fabric drawers, consisting of non-woven fabric, MDF board, and another layer of non-woven fabric for durability.

7. TROUBLESHOOTING

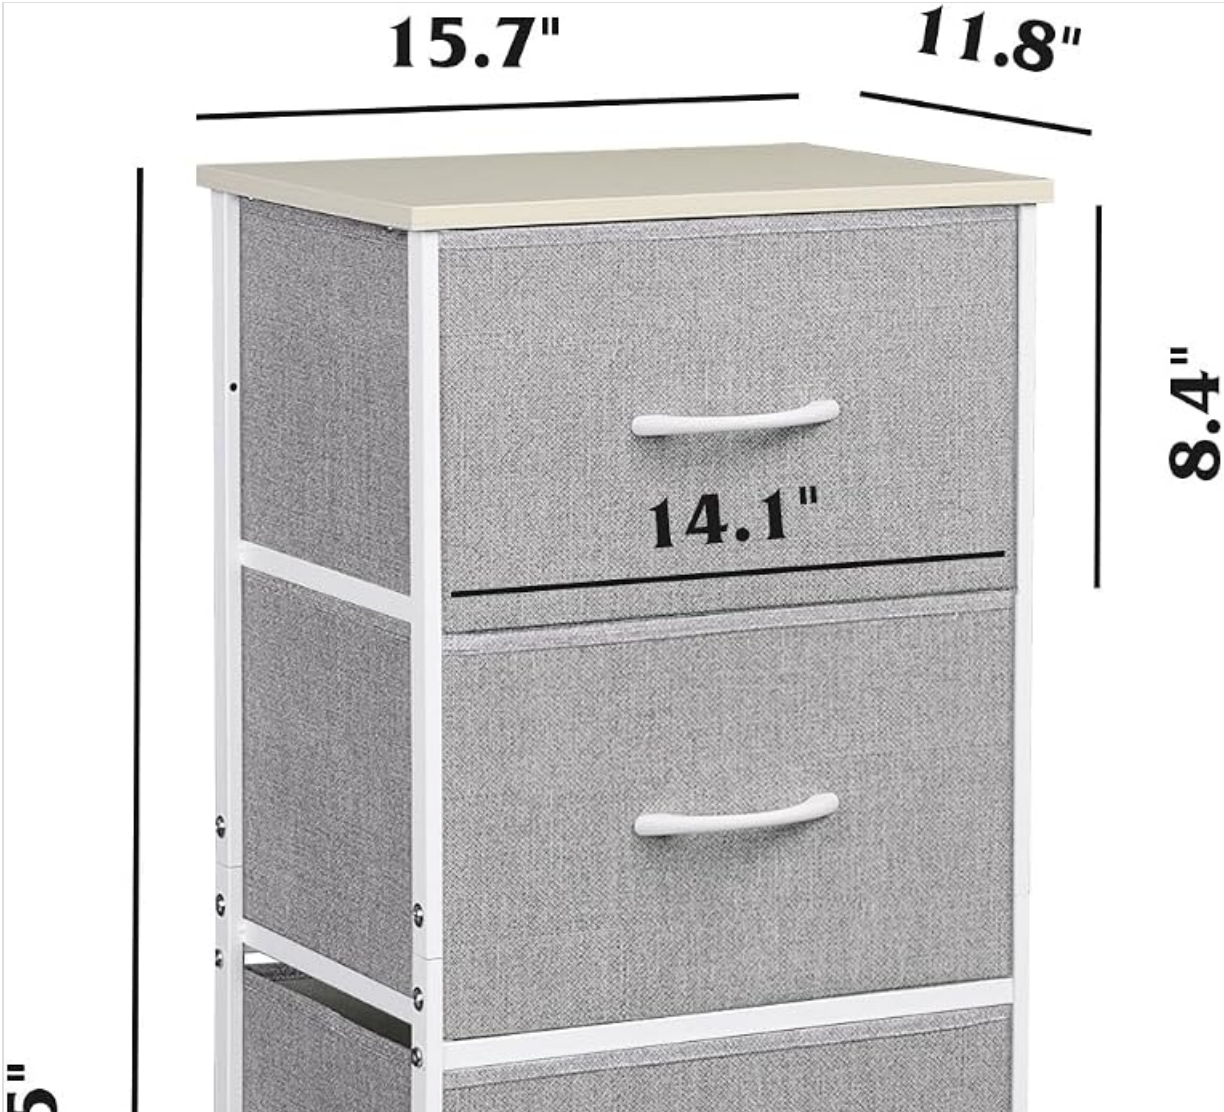

If you encounter any issues with your dresser, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Dresser is wobbly/unstable.	Uneven floor surface; loose screws.	Adjust the leveling feet at the bottom of the frame. Ensure all assembly screws are tightened.
Drawers do not slide smoothly.	Drawer not fully shaped; obstruction; overloaded.	Ensure the MDF board is fully inserted into the bottom of the fabric drawer. Check for any items obstructing the drawer's path. Reduce drawer contents if overloaded.

Problem	Possible Cause	Solution
Anti-tipping device not secure.	Improper installation; wall material issue.	Review the anti-tipping installation steps. Ensure the anchor is appropriate for your wall type and securely fastened to a wall stud if possible.

8. SPECIFICATIONS
