INTRODUCTION

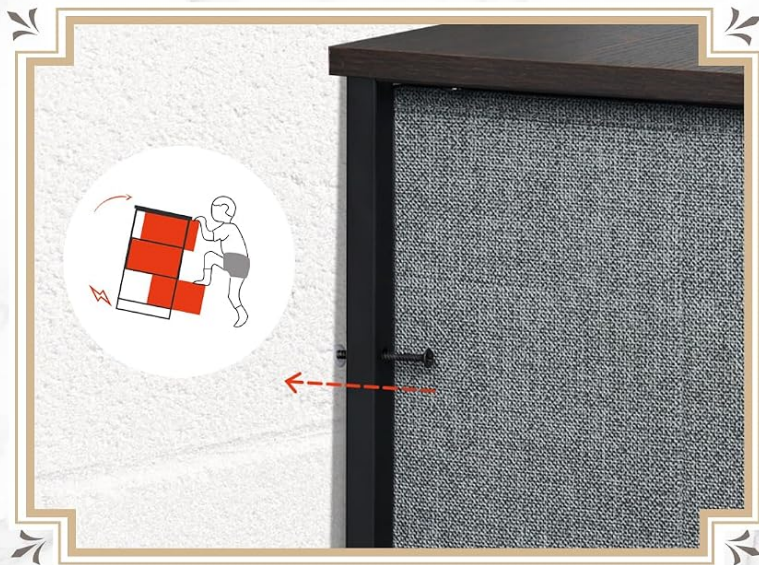

This manual provides detailed instructions for the assembly, safe operation, and proper maintenance of your new WLIVE 16-Drawer Dresser. This versatile storage unit is designed to help organize your living space efficiently, offering ample storage with its multi-sized fabric drawers and a durable, stable structure. Please read this manual thoroughly before assembly and use to ensure optimal performance and safety.

IMPORTANT SAFETY INFORMATION

Always follow basic safety precautions when using this product to reduce the risk of injury or damage. Keep all parts out of reach of children during assembly. Ensure all connections are secure before use.

Anti-Tip Device

For enhanced stability and to prevent accidental tipping, especially in households with children or pets, it is highly recommended to install the included anti-tip device. This device secures the dresser to the wall, significantly reducing the risk of injury.

SETUP AND ASSEMBLY

Assembly is straightforward and typically takes about 30 minutes. Follow these steps carefully:

1. **Prepare the Base:** Attach the vertical frame components to the base wooden panel using the provided screws.
2. **Build the Frame:** Connect the horizontal support bars to form the main structure. Ensure all connections are firm.
3. **Install Cross Bars:** Secure the X-shaped support bars on the back of the frame for enhanced structural stability.
4. **Attach Top Panel:** Place and secure the wooden top panel to the uppermost part of the frame.
5. **Insert Drawer Slides:** Install the plastic drawer slides into the designated slots on the metal frame.

6. **Assemble Drawers:** For each fabric drawer, insert the bottom panel and attach the handle using the provided screws.
7. **Place Drawers:** Insert the assembled fabric drawers into their respective compartments within the frame.
8. **Install Anti-Tip Device:** Follow the instructions provided with the anti-tip kit to secure the dresser to a wall stud.

MAINTENANCE

To keep your WLIVE dresser in optimal condition, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the wooden top and metal frame with a dry cloth to remove dust and spills. For fabric drawers, spot clean with a damp cloth and mild detergent if necessary, then air dry completely.

- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as they may damage the finish of the wood or metal.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Adjustable Feet:** Ensure the adjustable feet are properly set to keep the dresser level and protect your floor from scratches.

TROUBLESHOOTING

If you encounter any issues with your dresser, please refer to the following common solutions:

Problem	Possible Cause / Solution
Dresser is wobbly or unstable.	Ensure all screws are tightened securely. Adjust the leveling feet on the bottom to compensate for uneven flooring. Verify the X-shaped support bars are correctly installed and tightened.
Drawers do not slide smoothly.	Check that the fabric drawers are fully assembled with the bottom panel inserted correctly. Ensure the plastic drawer slides are properly seated in the frame. Avoid overfilling drawers, which can cause bulging and hinder movement.
Missing parts or damaged components.	Contact WLIVE customer service immediately for assistance.
