## Polibi B0CGZQPKVB

# Polibi Tall Storage Cabinet Instruction Manual

Model: B0CGZQPKVB

Brand: Polibi

## 1. INTRODUCTION

---

Thank you for choosing the Polibi Tall Storage Cabinet. This modern freestanding pantry is designed to provide versatile storage solutions for your kitchen, bathroom, living room, or office. It features three doors, adjustable shelves, and three smooth-gliding storage drawers. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and efficient use of your new cabinet.

## 2. SAFETY INFORMATION

---

Please read all safety warnings and instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Anti-Tipping Device:** For your safety and especially for households with children, it is crucial to install the included anti-tipping device. Two back holes are predrilled for this purpose. Securely lock the metal hardware into a wall stud to prevent accidental tipping of the cabinet.
- **Weight Distribution:** Distribute weight evenly across shelves and drawers. Avoid placing heavy items on the top of the cabinet or on a single shelf to maintain stability.
- **Assembly:** Assemble the cabinet on a soft, clean surface to prevent scratches. Ensure all hardware is securely tightened before use.
- **Cleaning:** Use only a damp cloth for cleaning. Avoid harsh chemicals that may damage the painted finish.

Figure 1: Key features including the anti-tipping device for enhanced safety.

### 3. SETUP AND ASSEMBLY INSTRUCTIONS

This cabinet requires assembly. Please ensure all parts and hardware are present before beginning. A detailed assembly manual with step-by-step diagrams is included in the packaging. Follow the instructions carefully.

#### 3.1. Before You Begin

- **Unpack:** Carefully unpack all components and hardware. Lay them out on a soft, clean surface to prevent damage.
- **Identify Parts:** Refer to the parts list in your assembly manual to identify each component.
- **Tools Required:** Typically, a Phillips head screwdriver and a hammer are needed for assembly (tools not included).

#### 3.2. Assembly Steps Overview

1. Assemble the main frame of the cabinet.
2. Install the drawer slides and assemble the drawers.
3. Attach the door hinges and mount the doors.
4. Insert the adjustable shelves into the desired positions.

5. Install the anti-tipping device to a wall stud for stability.

## 4. OPERATING INSTRUCTIONS

---

The Polibi Tall Storage Cabinet is designed for ease of use and flexible storage.

## 4.1. Adjustable Shelves

The shelves within the upper cabinet section are adjustable. To change the shelf height:

1. Empty the shelf of all contents.
2. Carefully lift the shelf and remove the shelf pins from their current holes.
3. Reinsert the shelf pins into the desired pre-drilled holes at the new height.
4. Place the shelf back onto the pins, ensuring it is level and secure.

This feature allows you to customize the storage space to accommodate items of various sizes, from tall bottles to folded linens.

## 4.2. Drawers and Doors

The three drawers operate on smooth slides for easy opening and closing. The cabinet doors are equipped with durable stainless steel hinges. To open, gently pull the long bar handles. To close, push the doors until they are flush with the cabinet frame.

## 5. MAINTENANCE

---

Proper care will extend the life and appearance of your Polibi Tall Storage Cabinet.

- **Cleaning:** Wipe the cabinet surfaces with a damp cloth. The painted finish is water-proof and smooth, making it easy to clean. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.
- **Spills:** Promptly wipe up any spills to prevent moisture damage.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Environmental Conditions:** Avoid placing the cabinet in direct sunlight or near heat sources, which can cause

fading or warping. Maintain a stable room temperature and humidity.

## 6. TROUBLESHOOTING

If you encounter any issues with your Polibi Tall Storage Cabinet, please refer to the following common solutions:

- **Cabinet Feels Unstable:** Ensure the anti-tipping device is correctly installed and secured to a wall stud. Verify that all assembly screws are tightened. Check if the cabinet is on a level surface; use shims if necessary.
- **Drawers Do Not Slide Smoothly:** Check for any obstructions in the drawer slides. Ensure the drawer is correctly aligned on the slides. Verify that the drawer assembly screws are tight.
- **Doors Do Not Close Properly:** Inspect the hinges for any loose screws and tighten them. Check if the cabinet frame is square and level. Adjust hinge screws if necessary to align the doors.
- **Scratches or Dents:** Minor scratches can sometimes be touched up with a furniture repair pen matching the grey finish. For significant damage, contact customer support.

If these steps do not resolve the issue, please contact Polibi customer support for further assistance.

## 7. SPECIFICATIONS

<b>Brand</b>	Polibi
<b>Model Number</b>	B0CGZQPKVB
<b>Color</b>	Grey
<b>Material</b>	Engineered Wood (MDF)
<b>Product Dimensions (D x W x H)</b>	19.6" x 32.6" x 62.2"
