

## beatXP Unbound+

# beatXP Unbound+ Smart Watch User Manual

Model: Unbound+

## 1. INTRODUCTION

---

The beatXP Unbound+ Smart Watch is designed to enhance your daily life with advanced features including a 1.8-inch AMOLED display, Bluetooth calling, comprehensive health monitoring, and multiple sports modes. This manual provides essential information for setup, operation, maintenance, and troubleshooting to ensure optimal use of your device.

Image 1.1: The beatXP Unbound+ Smart Watch, showcasing its display and metal chain strap.

## 2. PACKAGE CONTENTS

---

Verify that all items are present in the package:

- 1 x beatXP Unbound+ Smart Watch
- 1 x User Manual
- 1 x Charger Cable

## 3. SETUP

---

### 3.1. Charging the Device

Before first use, fully charge your beatXP Unbound+ Smart Watch. Connect the provided charger cable to the charging port on the back of the watch and plug the USB end into a standard USB power adapter (not included). The watch features fast charging and a 330mAh lithium-ion battery, providing up to 7 days of battery life under typical usage conditions (1-2 days with continuous calling).

Image 3.1: The beatXP Unbound+ Smart Watch screen showing a full battery icon, illustrating its fast charging and long battery life capabilities.

### 3.2. Pairing with Your Smartphone

1. Download the official beatXP application from your smartphone's app store.
2. Ensure Bluetooth is enabled on your smartphone.
3. Open the beatXP app and follow the on-screen instructions to search for and connect to your Unbound+ Smart Watch.
4. The EzyPair™ technology facilitates a stable, one-tap connection for seamless Bluetooth calling.

## 4. OPERATING INSTRUCTIONS

---

### 4.1. Display and Navigation

The beatXP Unbound+ features a 1.8-inch Super AMOLED display with 1000 Nits peak brightness and a resolution of 368x448 pixels. Navigate the interface using touch gestures and the rotary functional crown. The watch supports Analog and Digital style Always On Displays and offers over 200 customizable cloud-based watch faces.

EXPERIENCE ABSOLUTE CLARITY

**1.8"** AMOLED  
DISPLAY | **368\*448**  
PX RESOLUTION

Image 4.1: A close-up view of the beatXP Unbound+ 1.8-inch AMOLED display, highlighting its vibrant color reproduction and high resolution.

## Advanced Bluetooth Calling 5.2

Powered by EzyPair™

Image 4.2: Side view of the beatXP Unbound+ Smart Watch, illustrating the rotary functional crown used for navigation.

### 4.2. Bluetooth Calling

Utilize the EzyPair™ technology for crystal-clear hands-free calling directly from your watch. The integrated high-quality microphone and speaker array ensure clear communication. You can answer calls, dial numbers, and sync contacts directly from the watch interface.

Image 4.3: The beatXP Unbound+ Smart Watch displaying an incoming call, demonstrating its Bluetooth calling feature.

### 4.3. Health Monitoring

The watch provides 24/7 real-time health monitoring. Track the following parameters directly from your watch or the connected mobile application:

- **Heart Rate:** Continuous heart rate tracking.
- **SpO2:** Blood oxygen saturation levels.
- **Stress:** Monitor stress levels throughout the day.
- **Sleep:** Analyze sleep patterns, including deep sleep, light sleep, and awake times.

## 100+ Sports Modes

Image 4.4: The beatXP Unbound+ Smart Watch displaying various health metrics, including heart rate, SpO2, and sleep data.

### 4.4. Sports Modes

The Unbound+ supports over 100 sports and activity modes. Track calories burned, distance covered, and other relevant health parameters for a wide range of physical activities. The watch provides data to help you monitor and improve your fitness performance.

Image 4.5: The beatXP Unbound+ Smart Watch interface showing icons representing over 100 sports modes.

#### 4.5. AI Voice Assistance

Access your smartphone's AI voice assistant directly from your watch. Simply activate the feature and speak your commands for hands-free control of various functions.

Image 4.6: The beatXP Unbound+ Smart Watch displaying the AI voice assistant interface, allowing for voice commands.

## 4.6. Music Control

Control music playback on your connected smartphone directly from your watch. Play, pause, skip tracks, and adjust volume without needing to access your phone.

Image 4.7: The beatXP Unbound+ Smart Watch displaying the music control interface, allowing users to manage audio playback.

## 5. MAINTENANCE

To ensure the longevity and optimal performance of your beatXP Unbound+ Smart Watch, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the watch screen and strap with a soft, dry, lint-free cloth. If necessary, use a slightly damp cloth and then dry thoroughly. Avoid harsh chemicals or abrasive materials.
- **Water Resistance:** The watch is IP68 dust and water resistant. This means it can withstand immersion in up to 1.5 meters of fresh water for up to 30 minutes. It is suitable for daily use and light water exposure like hand washing or rain. However, it is not recommended for swimming, diving, or exposure to hot water, steam, or high-pressure water jets.
- **Storage:** Store the watch in a cool, dry place when not in use. Avoid extreme temperatures.

## IP68 DUST AND WATER RESISTANCE

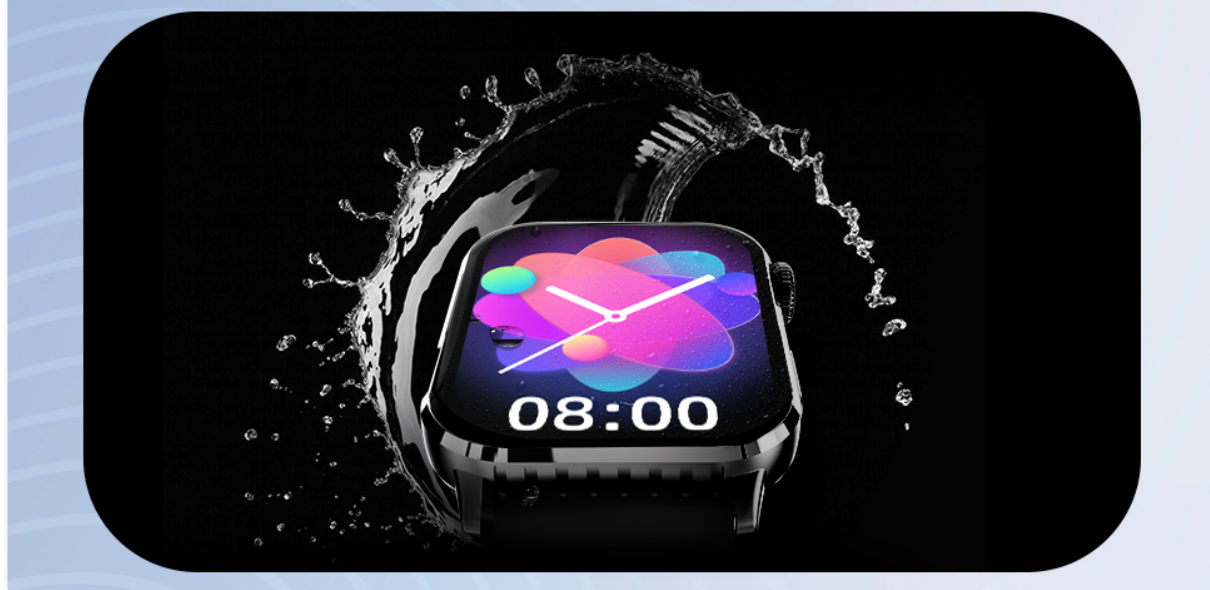

Image 5.1: The beatXP Unbound+ Smart Watch being splashed with water, demonstrating its IP68 dust and water resistance rating.

## 6. TROUBLESHOOTING

---

If you encounter issues with your beatXP Unbound+ Smart Watch, refer to the following common problems and solutions:

- **Watch not turning on:**  
Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes. If it still doesn't turn on, try pressing and holding the power button for 10-15 seconds.
- **Cannot pair with smartphone:**  
Make sure Bluetooth is enabled on your phone and the watch is within range. Restart both your phone and the watch. Ensure the beatXP app is updated to the latest version. If issues persist, try unpairing and re-pairing the device through the app.
- **Bluetooth calling not working:**  
Verify that the watch is properly connected to your phone via Bluetooth and that the EzyPair™ function is active in the app. Check your phone's Bluetooth settings to ensure the watch is connected for both audio and calls.
- **Inaccurate health data:**  
Ensure the watch is worn snugly on your wrist, about one finger's width above the wrist bone. Clean the sensors on the back of the watch. Environmental factors and movement can affect accuracy.
- **Short battery life:**  
Reduce screen brightness, disable unnecessary notifications, and limit continuous heart rate monitoring if not required. Frequent Bluetooth calling will also consume more battery. Ensure the watch is fully charged using the provided cable.
- **Display not responding:**  
Restart the watch. If the issue persists, ensure the screen is clean and dry.

## 7. SPECIFICATIONS

---

Feature	Detail
Brand	beatXP
Model	Unbound+
Display Size	1.8 Inches (4.5 cm)
Display Type	Super AMOLED
Resolution	360 x 360 (Note: Product title states 368x448, specifications state 360x360. Using 360x360 from specifications table.)
Brightness	1000 Nits Peak Brightness
Connectivity	Bluetooth
Operating System	Smartwatch OS
Special Features	Calorie Tracker, Heart Rate Monitor, SpO2, Sleep Monitoring, Bluetooth Calling, 100+ Sports Modes, AI Voice Assistance
Battery Life	Up to 7 Days (Average), 1-2 Days with calling
Water Resistance	IP68 Dust and Water Resistant
Item Weight	32 g
Compatible Devices	Smartphone

## 8. WARRANTY AND SUPPORT

### 8.1. Warranty Information

The beatXP Unbound+ Smart Watch comes with a **1-year warranty** from the date of purchase. This warranty covers manufacturing defects. Please retain your proof of purchase for warranty claims.

### 8.2. Customer Support

For technical assistance, warranty claims, or any other inquiries, please contact beatXP customer support:

- **Phone:** +91-7303762766
