leejdn Makeup Vanity Desk User Manual

Model: 514

INTRODUCTION

Welcome to your new leejdn Makeup Vanity Desk! This manual provides essential information for the safe assembly, proper operation, and effective maintenance of your vanity desk. Featuring a cloud-lighted mirror with power outlet and LED strip, 3 color lighting modes, adjustable brightness, and 5 large drawers, this vanity is designed to enhance your daily routine. Please read this manual thoroughly before beginning assembly or use to ensure optimal performance and longevity of your product.

IMPORTANT SAFETY INFORMATION

This product requires self-assembly. Please ensure to follow the instructions carefully to avoid injury. The vanity desk comes with electrical components. Always unplug the product before assembly, disassembly, or cleaning. Do not use the product if the power cord is damaged. Keep the product away from water and heat sources. Always supervise children when they are near the product.

PRODUCT FEATURES

- **3-Color LED Lighted Mirror:** The vanity desk features a specially shaped dimmable lighting mirror with 3 different LED lighting colors (natural, warm, and cool light) for various indoor lighting and environments to optimize your makeup application.
- **Flexible Combinations:** The size of the vanity desk can be adjusted according to your needs, and the position of the storage cabinet is interchangeable from left to right, allowing for flexible placement and installation.
- **Ample Storage:** Equipped with 5 large drawers, providing generous space to keep your items neat and organized.
- **Metal Slides and Handles:** Drawers operate easily on ball bearings with smooth, silent slides for effortless pushing and pulling. Features sturdy metal handles for durability.
- **Durable Construction:** Made of E1 grade environmental protection density board (MDF boards) that is scratch-

resistant and moisture-resistant.

- **Integrated Power Outlet:** Conveniently located power outlet for easy access to charge devices or plug in beauty tools.

SETUP

1. Unpacking and Inventory

Carefully unpack all components from the foam shock absorption box. Verify that all parts listed in the included assembly instructions are present and undamaged. If any parts are missing or damaged, please contact customer support immediately.

2. Assembly Steps

Follow the clear and concise assembly instructions provided with your product. It is recommended to assemble the vanity desk on a soft, clean surface to prevent scratches. While self-assembly is designed to be simple, having a second person may be helpful for certain steps.

3. Flexible Cabinet Placement

The storage cabinet can be positioned on either the left or right side of the main desk unit. Determine your preferred configuration based on your space and needs before securing the components. The cabinet can also be moved freely in position along the desk length.

storage cabinet on the right

Flexible cabinet can move freely in position

Illustrates the flexible positioning of the storage cabinet on either the left or right side of the vanity desk.

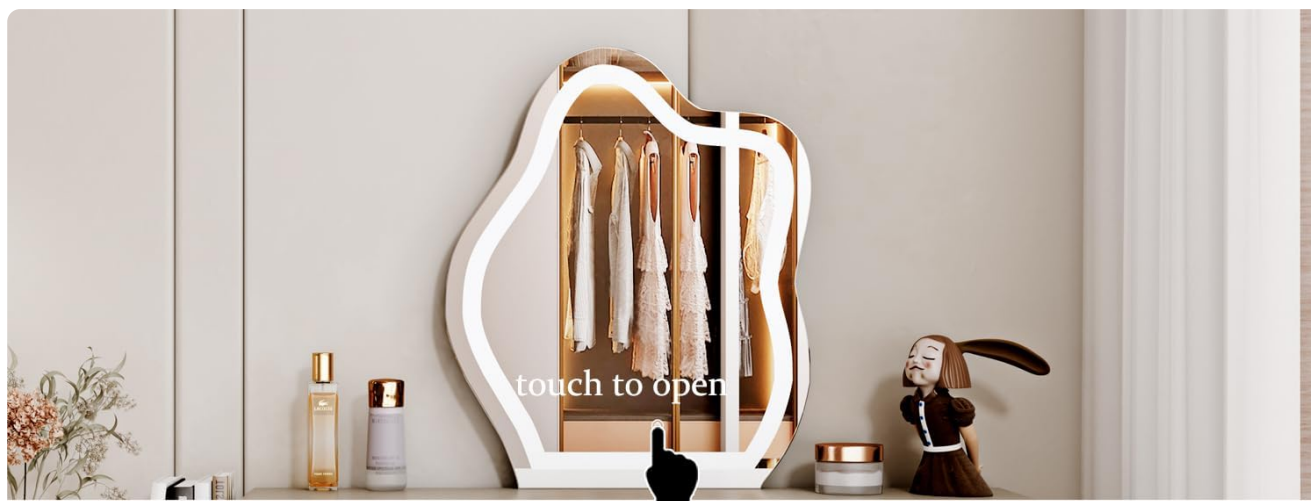

4. Mirror Installation

Carefully attach the cloud-lighted mirror to the designated area on the vanity desk. Ensure all connections are secure. Plug the mirror's power cord into the integrated power outlet or a suitable wall outlet.

OPERATING INSTRUCTIONS

1. Mirror Lighting Control

The mirror features a sensitive touch switch for controlling the LED lighting. To turn the light on or off, simply touch the power button icon on the mirror surface. To change between the three color lighting modes (natural, warm, cool), briefly touch the power button again after the light is on. To adjust the brightness, long press the power button until the desired brightness level is achieved.

Three light modes can be adjusted at will

Touch the on/off button to adjust different light modes

Cool light

Warm light

Warm yellow light

Long press the on/off button to adjust the brightness of each type of light

Demonstrates the three adjustable lighting modes: Cool light, Warm light, and Warm yellow light, with brightness adjustment.

2. Drawer Usage

The 5 large drawers are designed for smooth and silent operation. Gently pull the black metal handles to open the drawers. The three-section guide rail design allows the drawers to pull out completely, providing convenient access to all your stored items. Push firmly to close them securely.

3. Power Outlet Usage

Utilize the integrated power outlet on the vanity desk to conveniently power or charge your electronic devices and beauty tools. Ensure devices are compatible with the outlet's specifications.

MAINTENANCE

1. Cleaning

To maintain the appearance of your vanity desk, wipe surfaces with a dry cloth. For stubborn marks, a lightly damp cloth can be used, followed by immediate drying. Avoid abrasive cleaners or harsh chemicals, as these may damage the finish of the MDF boards.

2. Drawer Care

Periodically check the drawer slides for any debris or obstructions that might hinder smooth operation. Keep the slides clean to ensure continued effortless movement of the drawers.

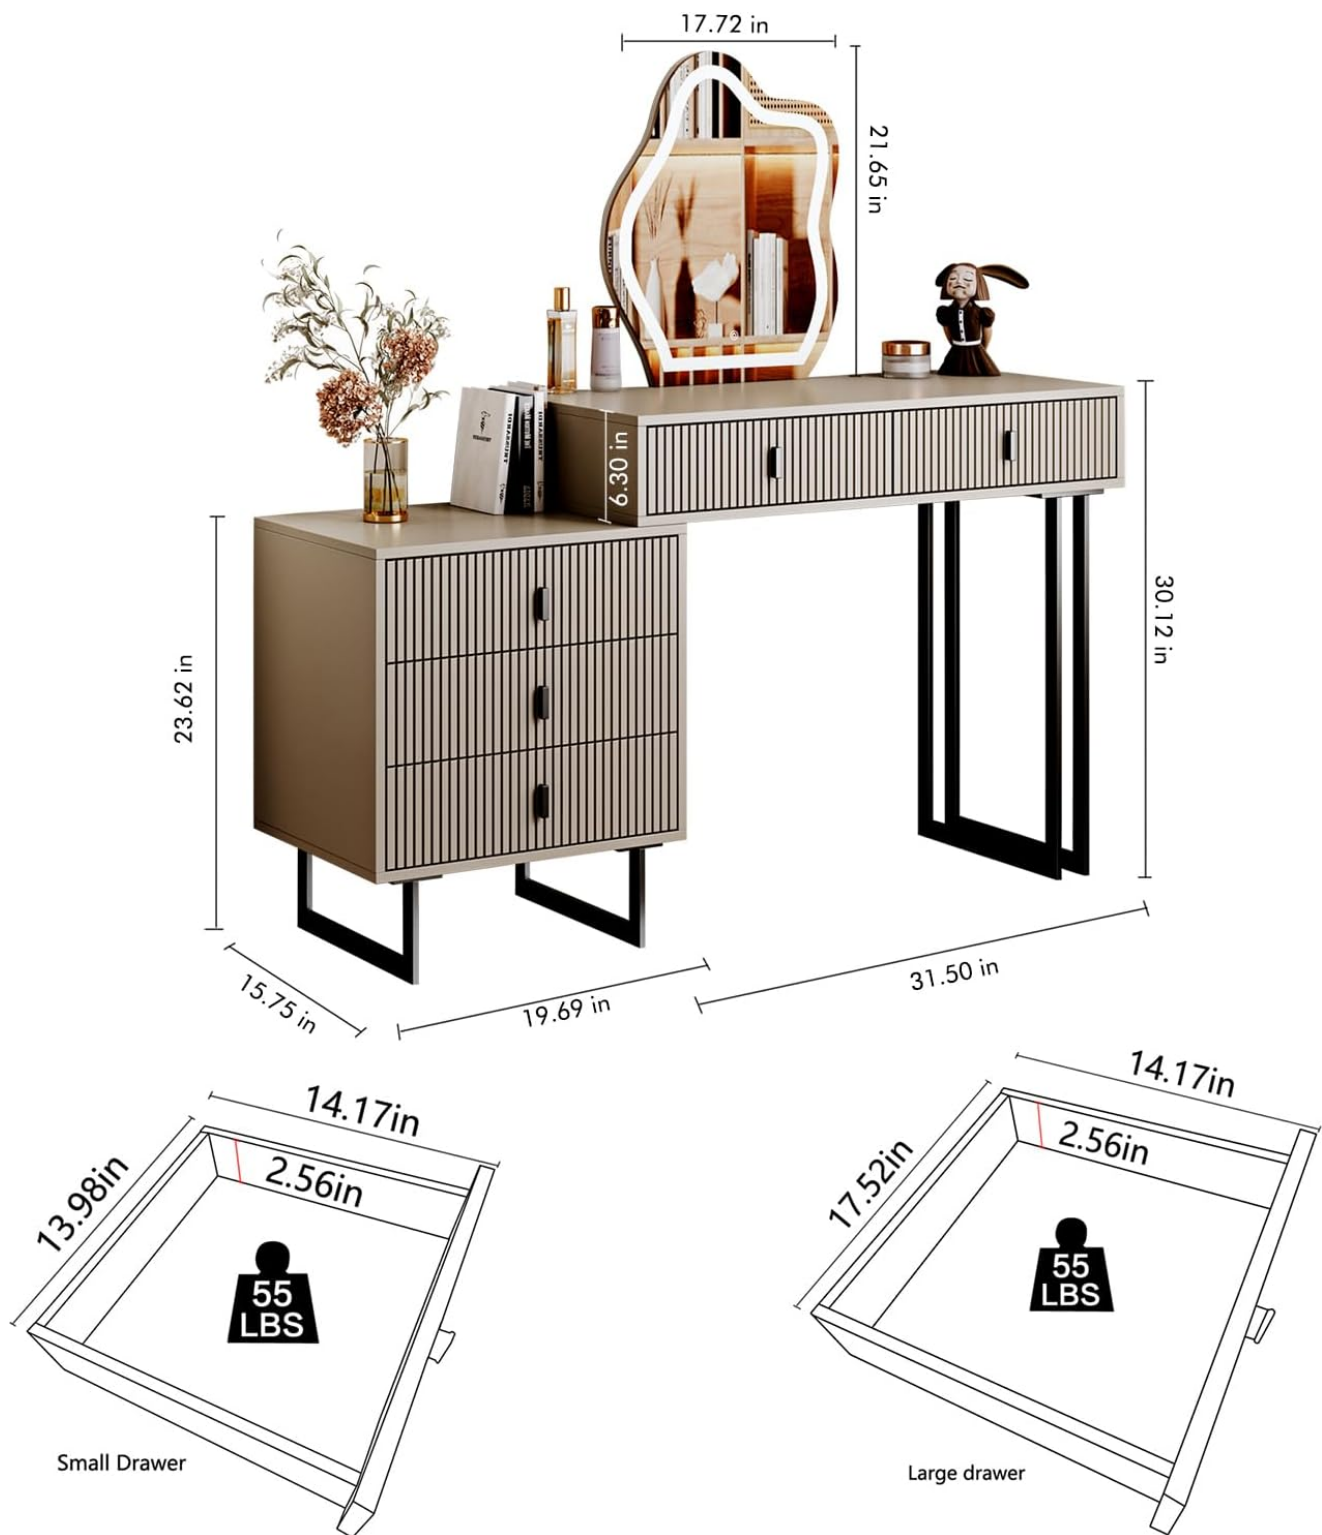

TROUBLESHOOTING

- Mirror Light Not Working:**
 - Ensure the power cord is securely plugged into both the mirror and a working power outlet.
 - Check if the power outlet itself is functional by plugging in another device.
 - Verify that the touch switch on the mirror is clean and free from moisture or debris.
- Drawers Sticking or Not Opening Smoothly:**
 - Check for any items obstructing the drawer slides or caught inside the drawer.
 - Ensure the vanity desk is placed on a level surface. Uneven surfaces can affect drawer alignment.
 - Inspect the drawer slides for damage or loose screws. Tighten any loose screws if necessary.
- Vanity Desk Instability:**
 - Confirm that all assembly screws and fasteners are tightened securely.
 - Ensure the adjustable metal legs are properly adjusted to compensate for any uneven flooring.
 - Verify that the flexible storage cabinet is correctly positioned and stable.

If you encounter issues not covered here or require further assistance, please refer to the Warranty and Support section.
