**Figure 1:** Compatible iPad Models. This image displays the visual differences between the iPad Air 13-inch and iPad Pro 12.9-inch, along with a list of specific model numbers for each compatible generation.

## SETUP INSTRUCTIONS

### 1. Initial Charging

Before first use, fully charge the keyboard for approximately 3 hours using the provided USB-C cable. Connect the USB-C cable to the keyboard's charging port and a compatible USB power adapter (not included).

**Figure 2: USB-C Charging Port.** The image highlights the USB-C port on the keyboard and indicates the power button, which should be double-clicked to turn the keyboard on or off.

## 2. Attaching Your iPad

The keyboard case features a magnetic floating cantilever stand. Align your iPad with the magnetic back cover of the case. The strong magnets will securely attach the iPad, allowing for easy adjustment of the viewing angle.

**Figure 3:** Magnetic Attachment. This illustration demonstrates how the iPad magnetically connects to the keyboard case, forming a stable, floating cantilever stand.

# Magic Style Attraction

Easy to set up from a powerful magnetic network, which will hold onto the iPad tightly and won't fall off.

**Figure 4:** Floating Cantilever Stand. The image shows the keyboard case with an iPad attached, illustrating the stable, adjustable stand that elevates the iPad for comfortable viewing and typing.

## 3. Bluetooth Pairing

1. Ensure the keyboard is charged and powered on. Double-click the power button (usually located near the charging port) to turn it on.
2. On your iPad, go to **Settings > Bluetooth**.
3. Turn on Bluetooth.
4. Look for "SENGBIRCH Keyboard" or a similar name in the "Other Devices" list and tap to connect.
5. Once paired, the keyboard will automatically connect to your iPad when both devices are on and Bluetooth is enabled.

## OPERATING INSTRUCTIONS

### Keyboard Functions

The keyboard features a standard layout with a full row of shortcut keys for enhanced productivity.

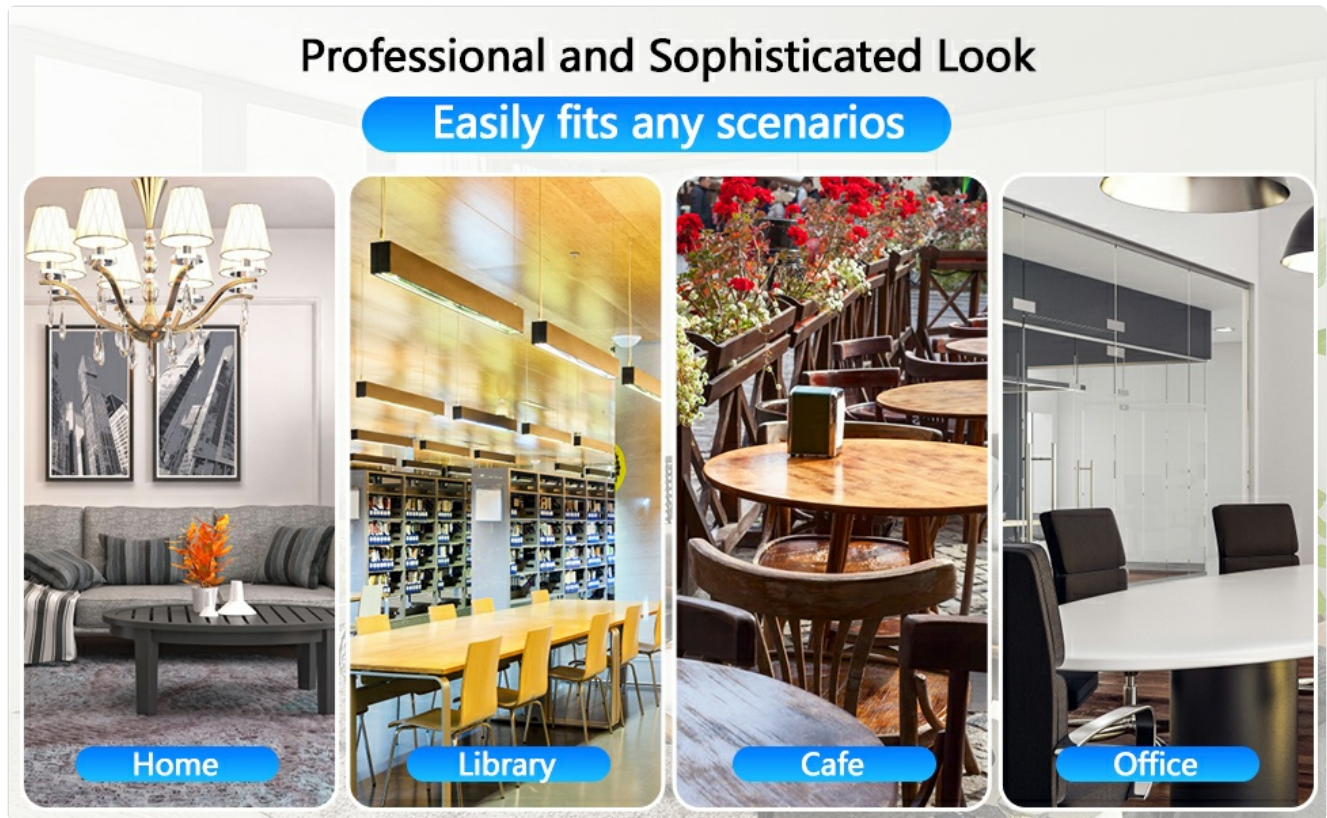

Figure 5: Keyboard Layout. This image displays the complete keyboard with its standard QWERTY layout and the dedicated row of shortcut keys above the number row.

#### Shortcut Keys:

- **Home:** Return to the home screen.
- **Search:** Activate iPad search.
- **Brightness Control:** Adjust screen brightness.
- **Media Controls:** Play/pause, skip tracks.
- **Volume Control:** Mute, decrease, increase volume.
- **Screenshot:** Capture a screenshot.
- **Keyboard Backlight Control:** Adjust backlight settings.

#### Trackpad Usage

The integrated multi-touch trackpad supports various gestures for navigation and interaction with your iPad.

# HIGH-PRECISION TRACKPAD

Multi-touch gesture controls like swipe, pinch, and scroll

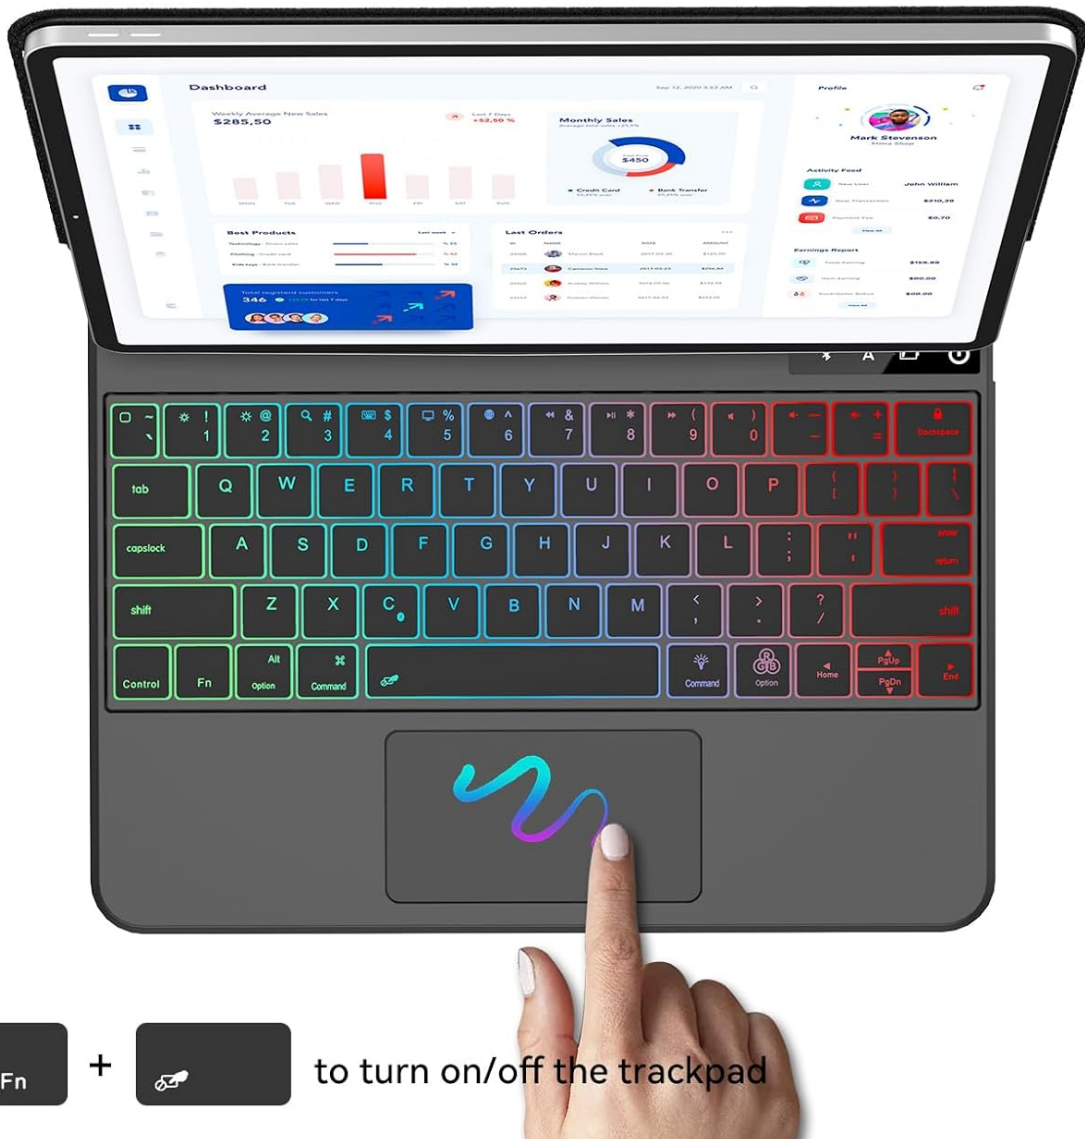

Figure 6: High-Precision Trackpad. This image illustrates the trackpad and its multi-touch gesture capabilities, including how to turn it on/off using Fn + trackpad icon key.

## Trackpad Gestures:

- **Single Finger Tap:** Click/Select.
- **Two Finger Scroll:** Scroll up/down or left/right.
- **Pinch to Zoom:** Zoom in/out on content.
- **Three Finger Swipe Up:** Go to Home Screen.
- **Three Finger Swipe Left/Right:** Switch between open applications.
- **Three Finger Swipe Down:** Access App Switcher.

To turn the trackpad on or off, press **Fn** + **Trackpad Icon Key**.

## Backlight Control

The keyboard features a pure color backlight and 6 rainbow backlights, with two backlight models (breathing lamp and normal backlight).

## Comfortable and Clean Keys Touch

Press **Fn** + **Command** to turn on/off the backlit and turn on breathing light

Press **Fn** + **Option** to change backlight colors

**Figure 7: Backlight Controls.** This image details the key combinations for controlling the keyboard's backlight: Fn + Command to turn on/off backlight and breathing light, and Fn + Option to change backlight colors.

- To turn the backlight on/off or activate the breathing light mode, press **Fn** + **Command Key** .
- To change the backlight colors (between pure color and 6 rainbow options), press **Fn** + **Option Key** .

## 6 RAINBOW BACKLITS 1 SOLID COLOR BACKLIGHT

**Before**

**After**

**Figure 8:** Backlight in Use. This image demonstrates the practical benefit of the keyboard's backlight, showing improved visibility for typing in low-light conditions.

## MAINTENANCE

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the keyboard and trackpad surfaces. For stubborn marks, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, ensure the iPad is securely closed within the case to protect both the screen and keyboard. Store in a cool, dry place.
- **Battery Care:** To prolong battery life, avoid fully discharging the keyboard frequently. Charge it regularly, especially if it will be stored for an extended period.
- **Protective Film:** A thin protective film may be present on the switch and touchpad upon arrival. Please remove this film to ensure optimal sensitivity and functionality.

## TROUBLESHOOTING

### Keyboard Not Connecting/Typing

- **Check Power:** Ensure the keyboard is turned on (double-click the power button) and fully charged.
- **Bluetooth Connection:**
  1. On your iPad, go to **Settings > Bluetooth**.
  2. Forget the "SENGBIRCH Keyboard" device if it's listed.
  3. Turn off Bluetooth on your iPad, then turn it back on.
  4. Put the keyboard in pairing mode (refer to "Bluetooth Pairing" section) and re-pair.
- **Restart Devices:** Restart both your iPad and the keyboard.

## Trackpad Not Responding

- **Check Activation:** Ensure the trackpad is enabled by pressing **Fn + Trackpad Icon Key**.
- **Remove Film:** Verify that any protective film has been removed from the trackpad surface.
- **Restart:** Restart your iPad and the keyboard.

## Backlight Not Working

- **Check Activation:** Press **Fn + Command Key** to cycle through backlight modes and ensure it's not off.
- **Battery Level:** Ensure the keyboard has sufficient charge.
