onerbl 9930

onerbl 4.5V AC/DC Adapter Instruction Manual

For Hyper Tough Model 9930 300-Lumen LED Spotlight

1. Introduction

Welcome to the instruction manual for your onerbl 4.5V AC/DC Adapter. This adapter is designed to provide reliable power for compatible devices, specifically the Hyper Tough Model 9930 300-Lumen 3.7V 2000mAh 7.4Wh Rechargeable Lithium-ion Battery LED Spotlight. Please read this manual thoroughly before use to ensure proper operation and safety.

2. Important Safety Instructions

- Read all instructions before using the product.
- Do not expose the adapter to rain or moisture.
- Ensure the input voltage (AC 100-240V, 50/60Hz) matches your power source.
- Do not disassemble the adapter. Refer servicing to qualified personnel.
- Avoid using the adapter if the cord or plug is damaged.
- Keep out of reach of children.
- This adapter features Over Voltage Protection and Over Heat Protection for safe operation.

5. Setup

1. Identify the charging port on your Hyper Tough Model 9930 LED Spotlight.
2. Connect the DC output plug of the onerbl 4.5V AC/DC Adapter into the charging port of the spotlight. Ensure a secure connection.
3. Plug the AC input prongs of the adapter into a standard wall outlet (AC 100-240V, 50/60Hz).
4. Verify that the spotlight indicates it is receiving power or charging, if applicable.

Image: The onerbl 4.5V AC/DC Adapter is shown plugged into a power strip on a clean desk surface, demonstrating a typical setup environment.

6. Operation

Once connected, the adapter will automatically begin supplying power or charging the connected device. No further user interaction is typically required for basic operation.

- The adapter is designed for continuous use within its specified voltage and current limits.

- Disconnect the adapter from the wall outlet and the device when not in use for extended periods.

7. Maintenance

- Keep the adapter clean and dry. Wipe with a soft, dry cloth if necessary.
- Do not use liquid cleaners or abrasive materials.
- Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures.
- Regularly inspect the cable and plug for any signs of damage. If damage is found, discontinue use and replace the adapter.

8. Troubleshooting

Problem	Possible Cause	Solution
Device not charging/powering on.	Adapter not properly connected.	Ensure both ends of the adapter are securely plugged in.
Device not charging/powering on.	Wall outlet is not active.	Test the wall outlet with another device or try a different outlet.
Device not charging/powering on.	Adapter or device is faulty.	If possible, test the adapter with another compatible device or test the device with another known-good adapter.
Adapter feels warm during use.	Normal operation.	A slight warmth is normal. If it becomes excessively hot, disconnect immediately and contact support.

If issues persist after troubleshooting, please contact customer support.

9. Specifications

- **Brand:** onerbl
- **Model Compatibility:** Hyper Tough Model 9930 300-Lumen LED Spotlight
- **Input:** AC 100-240V, 50/60Hz
- **Output:** 4.5V DC
- **Protections:** Over Voltage Protection, Over Heat Protection, Short-Circuit Protection, Over-Current Protection
- **Cable Length:** Approximately 76 inches (6.3 feet)
- **Dimensions (Adapter Body):** Approximately 1.6 inches (width) x 2.6 inches (length) x 1.2 inches (height)
