Heybly HCT033M

Heybly Tall Cat Tree HCT033M - 79-inch Multi-Level Cat Tower Instruction Manual

Model: HCT033M | Brand: Heybly

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Heybly Tall Cat Tree, Model HCT033M. Designed for indoor cats, this multi-level cat tower offers various platforms for resting, playing, and scratching. Please read this manual thoroughly before assembly and use to ensure proper setup and safety for your pets.

2. Safety Information

- Ensure all components are securely fastened during assembly. Regularly check for loose parts and tighten as necessary.
- Place the cat tree on a flat, stable surface to prevent tipping.
- Utilize the included anti-tip kit to secure the cat tree to a wall, especially for taller models or in households with active cats.
- Keep children away from the cat tree during assembly to avoid injury.
- Inspect the cat tree periodically for wear and tear. Replace damaged parts to maintain structural integrity and safety.
- This product is intended for indoor use only.

3. Package Contents

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x Cat Tree (various platforms, perches, condos, scratching posts)
- 1 x Accessory Kit (screws, bolts, connectors, Allen wrench)
- 1 x Anti-Tip Kit (wall anchor, strap)
- 1 x Instruction Manual (this document)

4. Assembly Instructions

Follow these steps carefully to assemble your Heybly Tall Cat Tree. It is recommended to have a clear workspace and, if possible, a second person to assist.

4.1. Identify Components

Unpack all components and identify them using the provided parts list (usually labeled with letters or numbers). Separate screws and tools from the accessory kit.

Image: Organized cat tree parts before assembly.

4.2. Base Assembly

1. Place the largest baseboard (A) on a flat surface.
2. Attach the first set of support posts (P1, P2) to the baseboard using the appropriate screws (S1) and the Allen wrench. Ensure they are tightened securely.
3. Mount the first platform (B) onto these posts, securing it with screws (S2).

4.3. Adding Levels and Features

4. Continue adding posts and platforms (P3, P4, C, D) in a sequential manner, following the numerical or alphabetical order indicated in your specific assembly diagram.
5. Integrate the cat condo/cave structure (E) as indicated, ensuring all connecting points are firm.
6. Attach the scratching ramp (F) to its designated platform.
7. Install the hammock (G) and basket (H) components. These typically attach to posts or platforms using specific connectors.
8. Mount the top perches (I, J) and any remaining posts (P5, P6) to complete the main structure.
9. Attach any hanging toys or accessories (e.g., bells, mice) to the designated loops or posts.

Image: Detailed diagram of the cat tree structure and dimensions.

4.4. Final Security Check and Anti-Tip Installation

10. Once fully assembled, gently shake the cat tree to check for any instability. Tighten any loose screws.
11. Locate a suitable wall stud near the cat tree. Attach the wall anchor from the anti-tip kit to the wall.

12. Connect the strap from the anti-tip kit to the designated point on the cat tree and then to the wall anchor. Adjust the strap to be taut, providing additional stability.

5. Usage

The Heybly Tall Cat Tree is designed to provide a stimulating and comfortable environment for your cats. Its multi-level design caters to various feline activities.

- **Top Perches:** Two widened plush perches (19.7" x 11.8" and 15.7" x 9.8") offer elevated spots for observation and resting.
- **Cozy Big Cat Basket:** A comfortable hanging basket provides a secure, enclosed space for napping.
- **Big Cave and Hammock:** Multiple private spaces for catnaps or hiding.
- **Scratching Board and Posts:** A wide scratching board and sisal-wrapped posts allow cats to sharpen their claws, diverting attention from furniture.
- **Feeding Bowl Platform:** A dedicated platform with a feeding bowl for convenient access to food.

6. Maintenance

Proper maintenance ensures the longevity and hygiene of your cat tree.

- **Cleaning:** The plush fabric surfaces can be spot cleaned with a damp cloth and mild detergent. For deeper cleaning, dry clean only. Do not machine wash.
- **Dusting:** Regularly vacuum or brush the plush surfaces to remove loose fur and dust.
- **Sisal Posts:** The sisal scratching posts are designed for durability. If they become heavily frayed, consider replacing them or wrapping them with new sisal rope.
- **Environment:** Keep the cat tree indoors and in a dry place to prevent material degradation.
- **Structural Check:** Periodically check all screws and connections for tightness. Re-tighten as needed to maintain stability.

7. Troubleshooting

Problem	Possible Cause	Solution
Cat tree wobbles	Loose connections; uneven floor; anti-tip kit not installed or loose.	Ensure all screws are tightened. Place on a level surface. Install or re-tighten the anti-tip kit to the wall.
Parts do not fit together	Incorrect part orientation; wrong screws used.	Refer to the assembly diagram to ensure correct part orientation. Verify that the correct screws are used for each connection point.
Cats not using scratching posts	Preference for other surfaces; unfamiliarity.	Encourage use by sprinkling catnip on the sisal posts. Gently guide your cat's paws to the scratching surface.
Odor from new product	New material smell.	Allow the cat tree to air out in a well-ventilated area for a few days before introducing your cats.

8. Specifications

Feature	Detail
Model Name	HCT033M
Brand	Heybly
Overall Dimensions (L x W x H)	19.7" x 15.7" x 78.7"
