Yaheetech Corner Storage Cabinet Instruction Manual

Model: YA-00128810

1. INTRODUCTION

Thank you for choosing the Yaheetech Corner Storage Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

2. SAFETY INFORMATION

- **Read all instructions:** Ensure you understand all assembly steps and safety warnings before proceeding.
- **Adult assembly required:** This product should be assembled by adults.
- **Anti-tipping device:** Always install the included anti-tipping kit to secure the cabinet to the wall. This prevents accidental tipping and ensures stability, especially in households with children or pets.
- **Weight capacity:** The maximum load capacity for the entire cabinet is 50 kg (110 lbs). Each shelf can support up to 10 kg (22 lbs). Do not exceed these limits.
- **Placement:** Place the cabinet on a flat, stable surface. Avoid placing it in areas with high humidity or direct sunlight to prevent material damage.
- **Small parts:** Keep all small parts and packaging materials away from children and pets to avoid choking hazards.

DISPOSITIF ANTI-BASCULEMENT

3.2. Wooden Panels

- Top panel, bottom panel, side panels, back panels, door panels, adjustable shelves.

Image 3.2: Labeled wooden panels for the cabinet structure.

4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Yaheetech Corner Storage Cabinet. It is recommended to have a second person assist with assembly.

1. **Prepare the area:** Clear a spacious, clean, and soft area (e.g., a carpet) to prevent scratching the furniture during assembly.
2. **Identify parts:** Lay out all hardware and wooden panels and identify them using the provided labels and

diagrams.

3. **Assemble the frame:** Connect the side panels to the top and bottom panels using the designated screws and dowels. Ensure all connections are secure.
4. **Install back panels:** Slide or attach the back panels into the grooves or designated areas.
5. **Attach doors:** Secure the hinges to the door panels and then attach the doors to the main cabinet frame. Install the magnetic catches and door knobs.
6. **Insert adjustable shelves:** Place the shelf pins into the desired holes for the adjustable shelves. The cabinet features two adjustable shelves with three possible height positions.
7. **Install anti-tipping kit:** Securely attach the anti-tipping device to the top rear of the cabinet and then to a solid wall stud using appropriate wall anchors (not always included, depending on wall type). This step is crucial for safety.

5. OPERATING INSTRUCTIONS

The Yaheetech Corner Storage Cabinet is designed for versatile storage in various rooms.

- **Storage:** Utilize the open shelves for decorative items, frequently accessed essentials, or display. The enclosed cabinet section provides discreet storage for personal items.
- **Adjustable Shelves:** To adjust the height of the internal shelves, remove any items, lift the shelf, reposition the shelf pins to the desired height, and then place the shelf back onto the pins.
- **Door Operation:** The cabinet doors feature magnetic catches for secure closure and metal knobs for easy opening.

Image 5.2: Close-up views of the adjustable shelf mechanism and magnetic door catch.

6. MAINTENANCE

Proper care will extend the life and appearance of your cabinet.

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as they can damage the finish.
- **Spills:** Although the MDF material is water-resistant, promptly wipe up any spills to prevent moisture damage.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Avoid excessive weight:** Do not place excessively heavy items on the shelves or top surface to prevent structural damage.

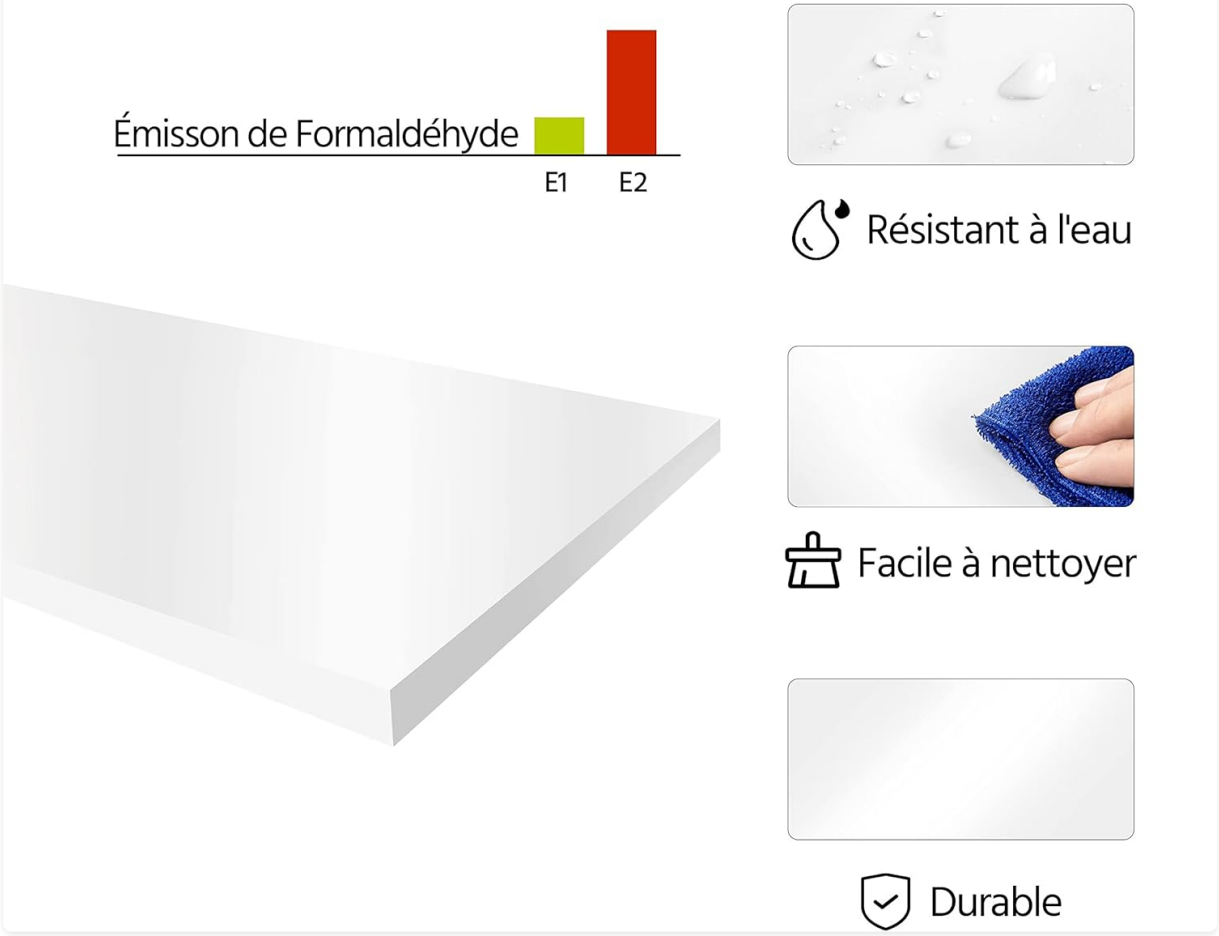

Image 6.1: Visual representation of the cabinet's material properties, highlighting ease of cleaning and durability.

7. TROUBLESHOOTING

If you encounter any issues with your cabinet, refer to the following common solutions:

- **Cabinet feels wobbly:** Ensure all screws are tightened. Verify the anti-tipping kit is securely installed to a wall stud.
- **Doors do not close properly:** Check if hinges are aligned correctly and tightened. Ensure the magnetic catches are properly installed and aligned with the door.
- **Shelf is uneven:** Remove the shelf and re-insert the shelf pins into the corresponding holes at the same height on both sides.
- **Missing parts:** Double-check the packaging. If parts are genuinely missing, contact Yaheetech customer support with your model number and purchase details.

8. SPECIFICATIONS

Feature	Detail
Brand	Yaheetech
Model Number	YA-00128810

Color	White
Material	MDF
Dimensions (L x W x H)	60 x 43 x 163 cm (23.6 x 16.9 x 64.2 inches)
Product Weight	20.7 Kilograms (45.6 lbs)
Maximum Weight Capacity (Total)	50 Kilograms (110 lbs)
Maximum Weight Capacity (Each Shelf)	10 Kilograms (22 lbs)
