

HOBINCHE HBT40-20INCH

HOBINCHE 20 Inch King Size Metal Platform Bed Frame Instruction Manual

Model: HBT40-20INCH

INTRODUCTION

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your HOBINCHE 20 Inch King Size Metal Platform Bed Frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

PRODUCT FEATURES

- **NOISE FREE:** Every part fits perfectly after assembly, ensuring a non-twisting, non-squeaking experience. All legs are equipped with rubber feet to prevent noise and scratches to the floor or carpet.
- **HEAVY DUTY PLATFORM BED FRAME:** Features 9 bed legs for great support, stable and resistant to cracking after assembly. Strong steel slats offer large weight capacity, supporting up to 3000lbs.
- **EASY ASSEMBLY:** The package includes all necessary parts, screws, a wrench, and assembly instructions. No box spring is needed.
- **3 RESERVED HOLES:** All bed frame legs include 3 reserved holes for attaching your own standard-sized headboard and footboard.
- **AMPLE STORAGE SPACE:** This 20-inch bed frame provides 18 inches of under-bed storage space, perfect for storing various items and keeping your space tidy.

SAFETY INFORMATION

Please exercise caution around edges during assembly. Assemble the bed frame strictly according to the instructions to prevent instability. Do not exceed the maximum weight capacity of 3000lbs.

PACKAGE CONTENTS

The package for your HOBINCHE King Size Metal Platform Bed Frame includes:

- Bed Frame Components (various metal bars and legs)
- Steel Slats
- Screws and Fasteners
- Assembly Wrench
- Instruction Manual

SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps for proper assembly of your bed frame. It is recommended to have two people for easier assembly.

Assembly Video Guide

Official HOBINCHE bed frame assembly video. This video demonstrates the step-by-step process for setting up the metal platform bed frame.

Step-by-Step Assembly

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out. Refer to the parts list in your manual to identify each piece.
2. **Assemble Side Rails:** Attach the side rails to the head and foot sections using the provided screws and wrench. Ensure all connections are secure.
3. **Attach Center Support Bars:** Connect the center support bars to the assembled frame. These provide crucial stability.
4. **Install Steel Slats:** Place the steel slats across the frame. Ensure they are properly seated in their designated slots or brackets for optimal mattress support.
5. **Final Tightening:** Double-check all screws and connections to ensure they are fully tightened.

OPERATION

Once assembled, simply place your King size mattress directly onto the steel slats. No box spring is required. The frame is designed to provide stable and quiet support for your mattress.

MAINTENANCE

To maintain your HOBINCHE bed frame, simply wipe it with a damp cloth as needed. Avoid using harsh chemicals or abrasive cleaners that could damage the finish. Regularly check all fasteners to ensure they remain tight for continued stability and noise-free performance.

TROUBLESHOOTING

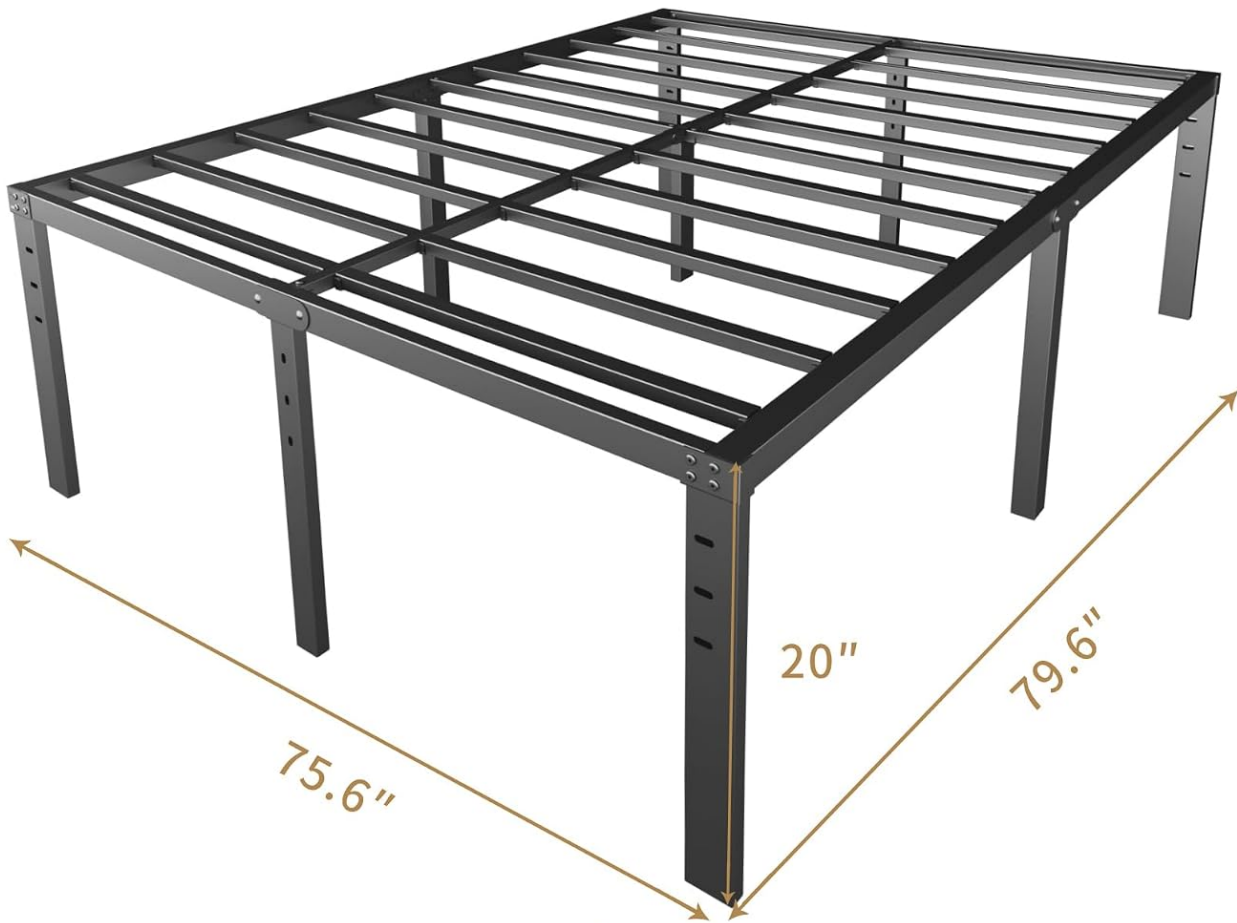

- **Squeaking Noises:** If you experience squeaking, re-tighten all screws and bolts. Ensure the rubber feet are properly installed on all legs.
- **Instability/Wobbling:** Verify that all frame components are correctly aligned and securely fastened. Check that the bed frame is placed on a flat, even surface.
- **Mattress Sliding:** While the frame is designed for stability, if your mattress tends to slide, consider using a non-slip

mattress pad between the mattress and the slats.
