

GYMAX CA-GM1691

GYMAX CA-GM1691 4FT Folding Table User Manual

Model: CA-GM1691

1. SAFETY INFORMATION

Please read all instructions carefully before using the GYMAX CA-GM1691 Folding Table. Retain this manual for future reference.

- **Weight Capacity:** Do not exceed the maximum weight capacity of **330 lbs (149.685 kg)**. Overloading can cause the table to collapse, resulting in injury or damage.
- **Stability:** Ensure all legs are fully extended and safety latches are securely engaged before placing items on the table.
- **Folding/Unfolding:** Keep hands and fingers clear of moving parts during the folding and unfolding process to prevent pinching.
- **Placement:** Place the table on a flat, stable surface. Avoid uneven ground that could compromise stability.
- **Children:** Supervise children around the table, especially during setup and adjustment.

2. SETUP INSTRUCTIONS

The GYMAX CA-GM1691 Folding Table requires no assembly and is designed for quick setup.

1. **Unfold the Table:** Place the folded table on a flat surface. Release any securing clips and gently unfold the tabletop until it lies flat.
2. **Extend the Legs:** Flip the table over. Carefully swing out each leg assembly until fully extended.
3. **Secure Safety Latches:** Locate the safety latches on the underside of the table where the legs connect to the tabletop. Push them into place to lock the legs securely.
4. **Adjust Height (Optional):** To adjust the table height, locate the height adjustment buttons on each leg. Press the button and slide the inner leg section to one of the three available height settings (19", 24.5", or 29.5"). Ensure the button clicks into place at the desired height for all four legs.

Quick Setup Without Tools

1

Take out folded table

2

Open the table legs

4

Adjust to the desired height

3

Lock the safety latch in place

3. OPERATION

The GYMAX CA-GM1691 Folding Table is designed for versatile use in various settings.

- **Adjustable Height:** Utilize the three height settings (19", 24.5", 29.5") to suit different activities, whether sitting for dining, standing for crafts, or for children's use.
- **Indoor and Outdoor Use:** The table is suitable for both indoor and outdoor environments, including parties, dining, camping, picnics, and other events.
- **Weight Distribution:** For optimal stability and to prevent damage, distribute weight evenly across the tabletop and avoid concentrating heavy items in one area.

4. MAINTENANCE

Proper care will extend the life and appearance of your folding table.

- **Cleaning:** Wipe the tabletop and frame with a damp cloth. For stubborn stains, a mild soap solution can be used. Rinse thoroughly and dry completely.
- **Material Properties:** The high-density polyethylene (HDPE) tabletop is waterproof, anti-corrosion, and wear-resistant, making it suitable for various conditions.
- **Storage:** When not in use, fold the table and store it in a dry, protected area to prevent prolonged exposure to extreme weather conditions.

5. STORAGE AND PORTABILITY

The table's fold-in-half design and lightweight construction make it easy to store and transport.

- **Folding:** To fold, reverse the setup steps. Release the height adjustment buttons (if extended), fold the legs inward, and then fold the tabletop in half. Secure with any integrated clips.
- **Carrying Handle:** A comfortable carrying handle is integrated for easy transportation.
- **Compact Size:** When folded, the table measures 23.5" x 23.5" x 3" (L x W x H), allowing it to fit conveniently in most car trunks or storage spaces.
- **Lightweight:** Weighing only 15.5 lbs, the table is easy to carry by one person.

6. TROUBLESHOOTING

If you encounter issues with your folding table, consider the following:

- **Table Instability:** Ensure all four legs are fully extended and the safety latches are securely locked. Verify the table is placed on a level surface.
- **Difficulty Adjusting Height:** Check that the height adjustment buttons are fully depressed when attempting to slide the leg sections. Ensure no debris is obstructing the mechanism.
- **Tabletop Not Flat:** Confirm that the table is fully unfolded and the central hinge mechanism is properly aligned and locked.
- **Overloading:** If the table appears to sag or is unstable, immediately remove items to ensure the total weight does not exceed 330 lbs.

7. SPECIFICATIONS

Feature	Specification
Brand	GYMAX
Model Number	CA-GM1691
Product Dimensions (Unfolded)	47.5"D x 23.5"W x 29.5"H
