## Setup

### 1. Charging the Headset

Before first use, fully charge the earbuds and the charging case. The charging case has a 400mAh battery capacity.

- **Wired Charging:** Connect the provided USB cable to the charging port on the case and to a power source.
- **Wireless Charging:** Place the charging case on a compatible Qi wireless charging pad.

## 2. Pairing with a Device

The JR-T03S headset features instant pop-up pairing for iOS devices, simplifying the connection process.

1. Ensure Bluetooth is enabled on your device.
2. Open the charging case with the earbuds inside, and place it near your device.
3. For iOS devices, a pop-up window will appear on your screen. Follow the on-screen prompts to connect.
4. For other devices, search for "JR-T03S" in your device's Bluetooth settings and select it to pair.

Image: One-step pairing and connection via pop-up window.

## Operation

The JR-T03S earbuds are designed for intuitive touch control and smart features.

### In-Ear Detection

The earbuds automatically detect when they are in your ears. Audio playback will start when inserted and pause when removed.

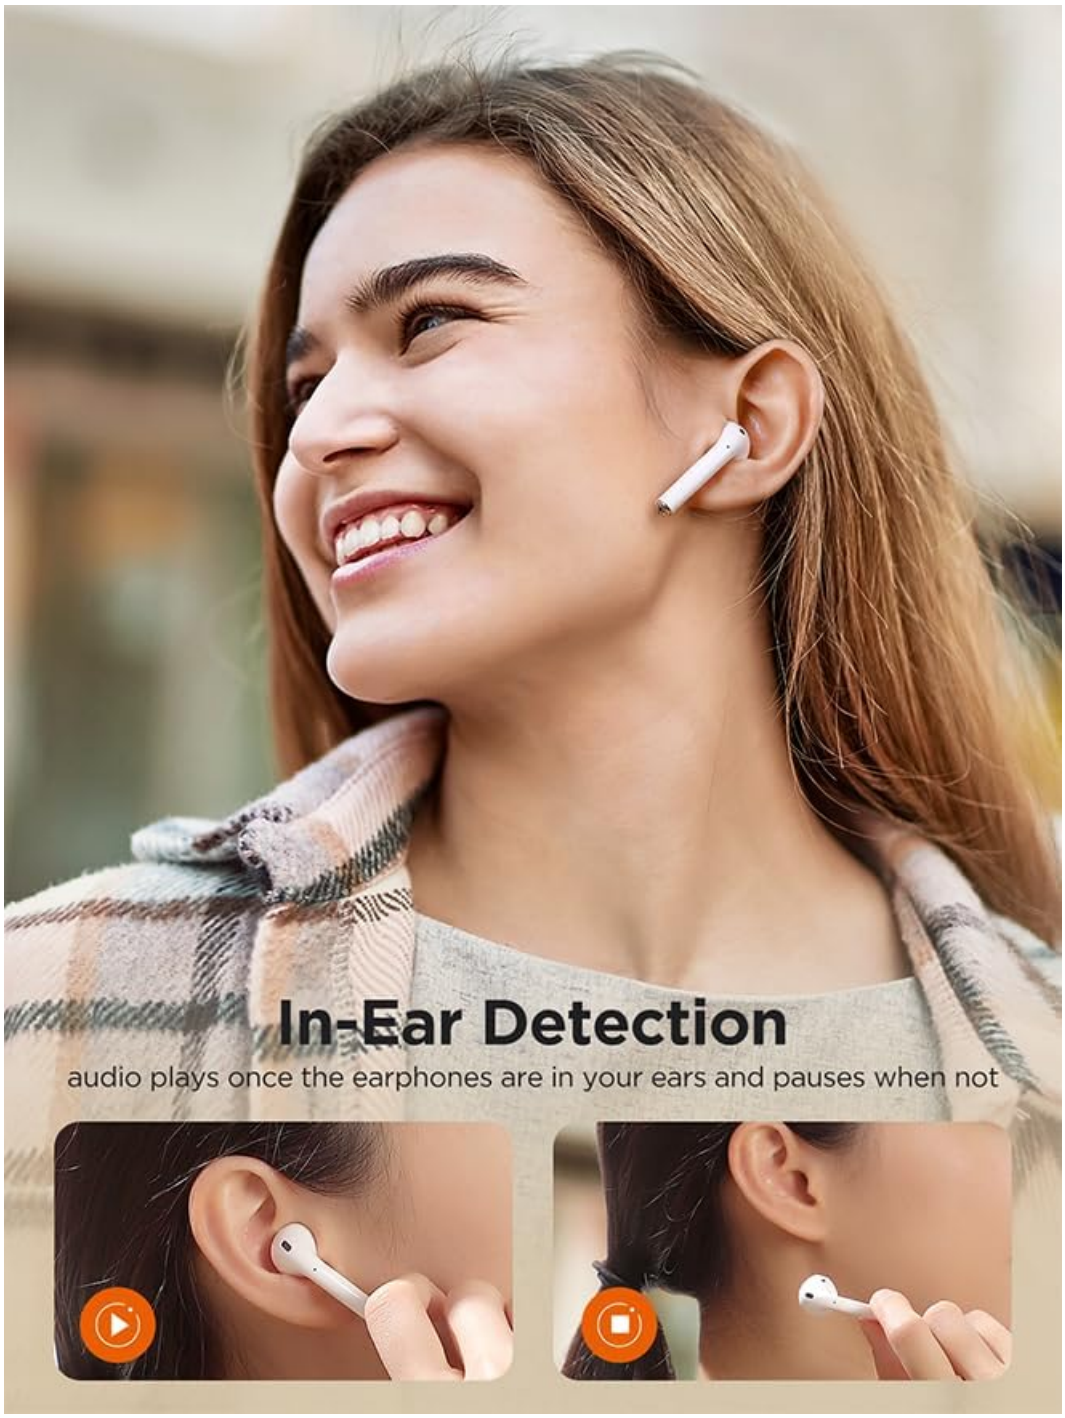

Image: In-Ear Detection feature for automatic audio control.

## Touch Controls

The earbuds feature touch-sensitive areas for controlling music, calls, and voice assistants.

- **Play/Pause Music:** Single tap on either earbud.
- **Next Track:** Triple tap on the right earbud.
- **Previous Track:** Triple tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud for 2 seconds.
- **Activate Voice Assistant (Siri):** Press and hold either earbud for 3 seconds.

## Single Earbud Use

You can use either the left or right earbud independently for music or calls.

The following video demonstrates pairing, in-ear detection, music controls, call handling, and voice assistant activation:

| Item Weight | 220 Grams |
| Product Dimensions | 4.4 x 2.2 x 5.38 cm |
| Water Resistance Level | Water Resistant |
| Compatible Devices | Telephones, Tablets, Desktops, Laptops, Smart Speaker, Television, Cellphones |

## Maintenance

To ensure the longevity and optimal performance of your Joyroom JR-T03S headset, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Avoid Moisture:** While the earbuds are water-resistant, avoid prolonged exposure to water or extreme humidity. Ensure they are dry before placing them back in the charging case.
- **Charging:** Use only the provided charging cable or a certified wireless charger. Do not overcharge the device.

## Troubleshooting

If you encounter any issues with your Joyroom JR-T03S headset, please refer to the following common solutions:

- **Earbuds not pairing:** Ensure both earbuds are in the charging case, close the lid, then open it again. Check that Bluetooth is enabled on your device and try pairing again. If issues persist, try resetting the earbuds (refer to manufacturer's specific reset instructions if available, otherwise, forget the device on your phone and re-pair).
- **No sound from one earbud:** Place both earbuds back in the charging case, close the lid, and then take them out again. Ensure they are both charged.
- **Charging issues:** Check the charging cable and power adapter. Ensure the charging case and earbuds are clean and free of debris that might obstruct charging contacts. Try a different charging method (wired/wireless) if available.
- **Poor sound quality:** Ensure the earbuds are properly seated in your ears. Check the audio source device for any volume or equalizer settings.

If these steps do not resolve your issue, please contact Joyroom customer support for further assistance.

## Warranty and Support

Your Joyroom JR-T03S headset is covered by a manufacturer's warranty. Please refer to the warranty card included in your package for specific terms and conditions.

For technical support, warranty claims, or additional product information, please visit the official Joyroom website or contact their customer service department.
