## vidaXL 3190492

# vidaXL Outdoor Dog Kennel with Silver Roof 2x10x2.5m Instruction Manual

Model: 3190492

## 1. PRODUCT OVERVIEW

The vidaXL Outdoor Dog Kennel with Silver Roof is designed to provide a safe and comfortable outdoor enclosure for various small animals, including dogs, chickens, rabbits, and ducks. Its robust construction of galvanized steel ensures durability, while the polyethylene roof and side walls offer protection against sun, rain, and snow. The mesh design promotes ventilation, and a lockable door enhances security for your pets.

## 2. SAFETY INFORMATION

---

- Ensure all components are securely fastened during assembly to prevent collapse or instability.
- Place the kennel on a level, stable surface to prevent tipping.
- Regularly inspect the structure for any signs of wear, damage, or loose parts, especially after severe weather conditions.
- Keep children and unauthorized individuals away from the assembly area.
- Do not allow pets to chew on or damage the structural components.
- Ensure the lockable door is always secured when animals are inside to prevent escape or entry by predators.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, contact customer support.

- Galvanized Steel Frame Components (various lengths and shapes for walls, roof, and door)
- Polyethylene Roof Cover
- Polyethylene Side Wall Covers
- Mesh Panels (for walls)
- Door Assembly with Latch Locking System
- Connectors, Bolts, Nuts, and Washers
- Assembly Tools (if included, otherwise standard tools required)
- Instruction Manual

## 4. SETUP AND ASSEMBLY

---

Assembly of this kennel requires careful attention to detail and may be challenging. It is recommended to have at least two people for assembly. Follow these general steps:

1. **Prepare the Site:** Choose a level, clear area for the kennel. Ensure adequate drainage and space around the structure for assembly and future access.
2. **Unpack Components:** Carefully unpack all parts and lay them out, organizing them by type. Refer to the parts list to ensure all components are present.
3. **Assemble the Base Frame:** Connect the horizontal and vertical steel frame components to form the base of the kennel. Ensure all connections are finger-tight initially.
4. **Install Wall Panels:** Attach the mesh panels and any solid side wall covers to the vertical frame components. Secure them according to the provided diagrams.
5. **Assemble the Door:** Integrate the door frame and door panel into the designated opening in the kennel structure. Ensure the latch locking system operates smoothly.
6. **Construct the Roof Frame:** Assemble the roof support beams and attach them to the top of the wall frames.
7. **Install the Roof Cover:** Drape and secure the polyethylene roof cover over the roof frame. Ensure it is taut and properly fastened to provide maximum weather protection.
8. **Final Tightening:** Once the entire structure is assembled, systematically tighten all bolts and connections using appropriate tools. Do not overtighten, but ensure all parts are firm and stable.

## 5. OPERATING INSTRUCTIONS

---

The vidaXL Outdoor Dog Kennel is designed for versatile use as an outdoor enclosure. To ensure optimal use and safety for your pets:

- **Placement:** Position the kennel in an area that offers appropriate shade and sun exposure depending on the weather and your pet's needs.
- **Animal Introduction:** Introduce your pets to the kennel gradually to allow them to accustom to their new environment.
- **Security:** Always ensure the door is securely latched when animals are inside to prevent accidental escape or unauthorized entry.
- **Supervision:** While the kennel provides a secure enclosure, regular supervision of your pets is always recommended.

- **Enrichment:** Provide adequate water, food, and enrichment items (toys, bedding) within the kennel to ensure your pet's comfort and well-being.

## 6. MAINTENANCE

Regular maintenance will extend the lifespan of your vidaXL Outdoor Dog Kennel:

- **Cleaning:** Periodically clean the kennel interior and exterior using mild soap and water. Rinse thoroughly and allow to dry completely.
- **Inspection:** Routinely check all bolts, nuts, and connections for tightness. Tighten any loose fasteners to maintain structural integrity.
- **Rust Prevention:** Although made of galvanized steel, inspect for any signs of rust, especially at joints or scratched areas. Treat any rust spots promptly with appropriate rust-inhibiting paint or primer.
- **Roof and Wall Covers:** Inspect the polyethylene roof and side walls for tears or damage. Repair small tears with suitable repair tape to maintain weather protection.
- **Grounding:** Ensure the kennel remains level and stable on its foundation. Re-level if necessary.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Kennel feels unstable or wobbly.	Loose connections; uneven ground.	Ensure all bolts are securely tightened. Relocate to a level surface or use shims to stabilize.
Difficulty during assembly.	Incorrect part orientation; insufficient manpower.	Carefully review the assembly diagrams. Seek assistance from another person. Do not force parts.
Rust appearing on steel frame.	Surface scratches; prolonged exposure to moisture.	Clean affected area, sand lightly, and apply rust-inhibiting primer and paint. Ensure proper drainage around the kennel.
Roof or side covers tearing.	Sharp edges; extreme weather; animal damage.	Inspect for sharp edges on the frame and cover them. Repair tears with strong, weather-resistant tape or replace damaged sections if severe.

## 8. SPECIFICATIONS

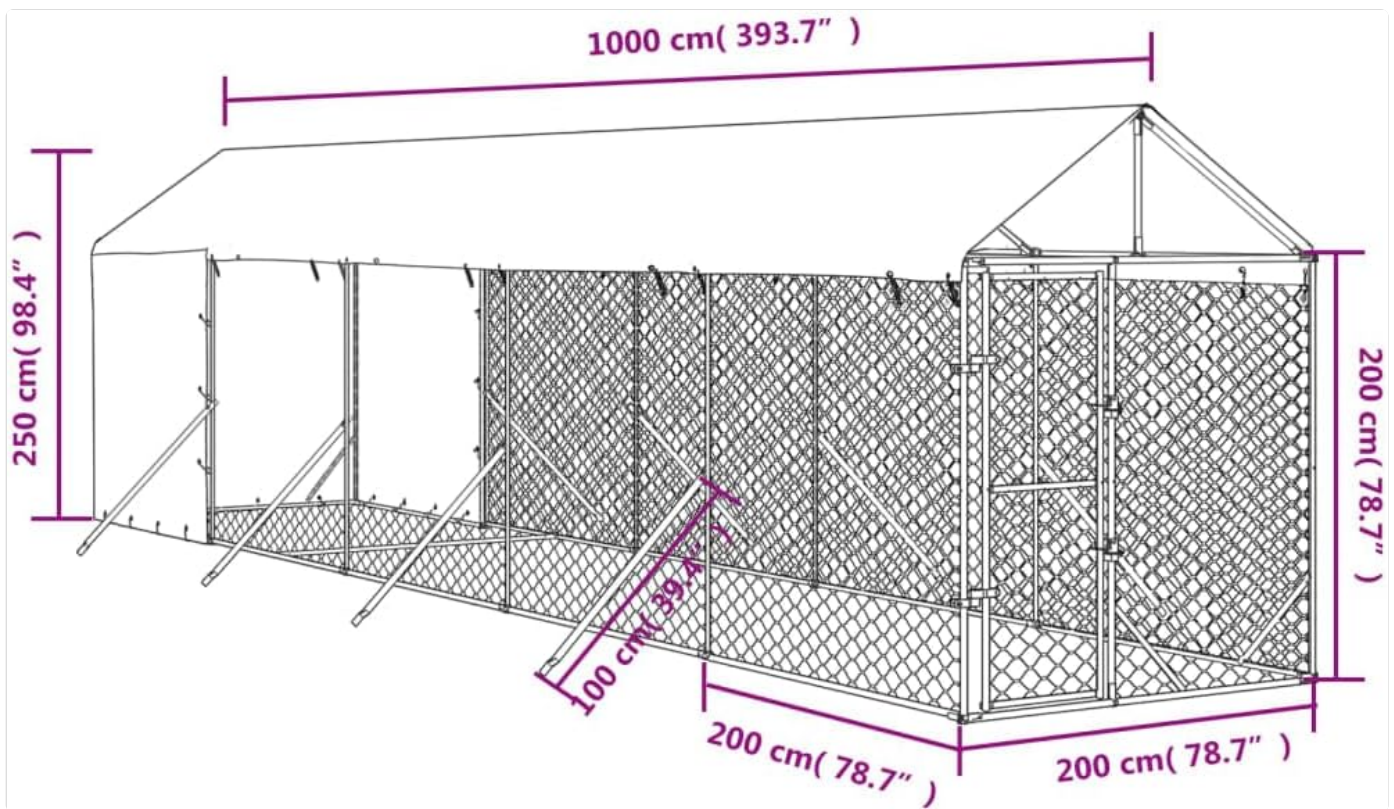

Image 8.1: Detailed dimensions of the kennel structure. This diagram illustrates the overall length, width, and height, including specific measurements for various sections.

- **Model Number:** 3190492
- **Overall Dimensions (L x W x H):** 2 x 10 x 2.5 m (6.56 x 32.8 x 8.2 ft)
- **Internal Dimensions (L x W x H):** 1.95 x 9.9 x 2.5 m (6.4 x 32.5 x 8.2 ft)
- **Door Dimensions (W x H):** 52 x 190 cm (20.5 x 74.8 inches)
- **Material:** Galvanized Steel (frame), Polyethylene (PE) (roof and side walls)
- **Color:** Silver
- **Item Weight:** Approximately 121.5 pounds (55.1 kg)
- **Special Features:** Durable, Lockable Door
- **Number of Doors:** 1
- **Assembly:** Required

## 9. WARRANTY AND SUPPORT

For any questions regarding assembly, operation, maintenance, or if you encounter any issues with your vidaXL Outdoor Dog Kennel, please contact vidaXL customer support. Refer to your purchase documentation for specific warranty terms and contact information.

You can often find support contact details on the official vidaXL website or through the retailer where the product was purchased.

*Note:* Keep your proof of purchase for warranty claims.
