3. SETUP INSTRUCTIONS

3.1 Installing the iPad into the Case

1. Gently align your compatible iPad with the case's frame.
2. Press the iPad firmly into the case, ensuring all edges are securely seated and all ports and buttons are accessible through the precise cutouts.

Image 3.1: Illustration of inserting the iPad into the protective case.

3.2 Charging the Keyboard

Before initial use, fully charge the wireless keyboard.

1. Locate the USB-C charging port on the side of the keyboard.
2. Connect the provided USB charging cable to the keyboard and a compatible USB power adapter (not included).
3. The charging indicator light will illuminate. A full charge typically takes 2-3 hours.
4. When the keyboard power indicator flashes red, it indicates a low battery and requires charging.

3.3 Pairing the Keyboard via Bluetooth

1. Ensure the keyboard is charged.
2. Turn on the keyboard by sliding the power switch to the "ON" position. The power indicator light will turn on.
3. Press the **"Connect"** button on the keyboard. The Bluetooth indicator light will start flashing, indicating it is in pairing mode.
4. On your iPad, go to **Settings > Bluetooth**.
5. Turn on Bluetooth. Your iPad will search for available devices.
6. Select "Bluetooth Keyboard" (or a similar name) from the list of devices.
7. If prompted, enter the pairing code displayed on your iPad into the keyboard and press **Enter**.
8. Once paired, the Bluetooth indicator light on the keyboard will stop flashing and remain solid, and your iPad will show the keyboard as "Connected."

4. OPERATING INSTRUCTIONS

4.1 Using the Adjustable Stand

The case features multiple viewing angles for comfortable use. Simply fold the back cover to create a stable stand for your iPad.

Adjustable viewing positions

For an easy, comfortable experience

Image 4.1: The keyboard case configured as a stand, providing an optimal viewing angle for the iPad.

4.2 Detaching and Attaching the Keyboard

The keyboard is magnetically attached to the case, allowing for flexible use. It can be easily detached for standalone use or reattached when needed.

1. To detach: Gently pull the keyboard away from the magnetic strip at the bottom of the case.
2. To attach: Align the keyboard with the magnetic strip in the case until it snaps into place.

Detachable Keyboard Case

4.3 Keyboard Functions and Hotkeys

The keyboard features a standard QWERTY layout with additional function keys for enhanced productivity.

Image 4.3: Close-up of the keyboard layout, showing various keys and their functions.

Common hotkeys (may vary slightly based on iPadOS version):

- **Fn + F1-F12:** Access media controls, volume, screen brightness, and other system functions.
- **Command + H:** Go to Home screen.
- **Command + Space:** Open Search.
- **Command + Tab:** Switch between open apps.
- **Command + C / Command + V:** Copy / Paste.

4.4 Using the Pencil Holder

The case includes a dedicated slot for your Apple Pencil, ensuring it is securely stored and easily accessible.

Image 4.4: The integrated pencil holder securely storing an Apple Pencil.

Note: The pencil holder is designed for storage. Depending on your iPad model and Apple

Pencil generation, magnetic charging may not be supported through the case if the charging area is covered by the case's design. Please remove the pencil from the holder and place it directly on the iPad's magnetic charging strip if charging is required.

5. MAINTENANCE

5.1 Cleaning the Case and Keyboard

- Wipe the case and keyboard with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the materials.
- Ensure the keyboard is powered off and disconnected from any power source before cleaning.

5.2 Battery Care

- To prolong battery life, avoid fully discharging the keyboard frequently.
- Charge the keyboard when the low battery indicator flashes.
- If storing the keyboard for an extended period, charge it to approximately 50% every few months.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Keyboard not connecting to iPad.	• Keyboard is off. • Low battery. • Bluetooth not enabled on iPad. • Not in pairing mode. • Previous connection issue.	• Ensure keyboard is powered on. • Charge the keyboard fully. • Enable Bluetooth in iPad settings. • Press the "Connect" button on the keyboard to enter pairing mode. • Forget the device in iPad Bluetooth settings and re-pair.
Keys not responding.	• Keyboard is off or disconnected. • Low battery.	• Check power and Bluetooth connection. • Charge the keyboard.
Keyboard disconnects frequently.	• Low battery. • Interference. • Keyboard idle for too long.	• Charge the keyboard. • Move away from other wireless devices. • Press any key to reactivate the keyboard.
