MaxxPet Modern Indoor Dog Crate

Model: 88146

INTRODUCTION

Welcome to your MaxxPet Modern Indoor Dog Crate. This manual provides essential instructions for the safe assembly, proper operation, and effective maintenance of your new dog crate. Please read this manual thoroughly before assembling or using the product to ensure the safety and comfort of your pet, and to maximize the lifespan of the crate.

This crate is designed to offer a secure and comfortable indoor space for your dog, while also complementing your home decor. It features a robust construction, convenient access points, and thoughtful design elements for both pet and owner.

PRODUCT FEATURES

- **Modern Design:** Blends seamlessly with contemporary home interiors.
- **Robust Construction:** Made with durable wood composite and metal bars for stability and longevity.
- **Ideal Dimensions:** Measures 110L x 74W x 80H cm, providing ample space for small to medium-sized dogs.
- **Convenient Double Doors:** Two access points for easy entry, exit, and cleaning.
- **Secure Locking System:** Ensures your pet remains safely inside.
- **Removable Multi-purpose Tray:** Facilitates easy cleaning and can be used for various purposes.
- **Enhanced Ventilation:** Open bar design ensures good airflow for your pet's comfort.
- **Rounded Corners:** Designed for safety and to prevent accidental bumps.
- **Includes Soft Anti-slip Mat:** Provides additional comfort and prevents slipping.

SETUP AND ASSEMBLY INSTRUCTIONS

Please ensure all components are present and undamaged before beginning assembly. It is recommended to assemble the crate on a soft, clean surface to prevent scratches.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Verify against the parts list (not provided in this manual, refer to your product packaging) that all pieces are accounted for.
- 2. Assemble Side Panels:** Attach the metal bar panels to the wooden side panels using the provided hardware. Ensure all connections are secure.
- 3. Attach Top and Bottom Panels:** Secure the wooden top and bottom panels to the assembled side structure. Tighten all screws firmly but do not overtighten.
- 4. Install Doors:** Attach the two metal doors to the designated openings using the hinge mechanisms. Test the doors to ensure they open and close smoothly and the locking system functions correctly.
- 5. Insert Tray and Mat:** Slide the removable plastic tray into the bottom of the crate. Place the soft anti-slip mat on top of the tray for your pet's comfort.
- 6. Final Check:** Inspect the entire crate to ensure all parts are securely fastened and there are no sharp

edges or loose components that could harm your pet.

Image Description: The MaxxPet dog crate, featuring a wooden frame and metal bars, provides a comfortable and secure space for your dog. A soft mat is included for added comfort. This image shows the fully assembled crate with a dog.

OPERATING INSTRUCTIONS

Opening and Closing the Doors

The MaxxPet dog crate is equipped with two doors for convenient access. To open a door, slide the locking mechanism to the unlocked position and pull the door outwards. To close, push the door shut and engage the locking mechanism until it clicks securely into place.

PORTATE STILE E COMFORT A IL VOSTRO SPAZIO VITALE

Image Description: The dog crate blends seamlessly into a home environment, providing a safe and stylish space for your pet. The image highlights the secure locking mechanism on the crate door, ensuring pet security.

Using the Removable Tray

The plastic tray at the bottom of the crate is removable for easy cleaning. Simply slide it out from under the metal bars. Ensure the tray is properly reinserted before allowing your pet back into the crate.

Placement and Versatility

Position the crate in a quiet, comfortable area of your home, away from direct sunlight or drafts. Its modern design allows it to function not only as a pet enclosure but also as a stylish piece of furniture, such as a side table or bedside table.

LATO FUNZIONALE ED ELEGANTE TAVOLINO PER LA CAMERA DA LETTO

Image Description: This image demonstrates the versatility of the MaxxPet dog crate, showing it used as a stylish and functional bedside table, integrating pet comfort with home decor. The curved angle design is also highlighted.

MAINTENANCE AND CLEANING

Crate Frame and Bars

Regularly wipe down the wooden frame and metal bars with a damp cloth and mild, pet-safe cleaner. Avoid abrasive cleaners or harsh chemicals that could damage the finish or harm your pet. Ensure the crate is completely dry before your pet re-enters.

Removable Tray

The plastic tray can be removed and washed with soap and water. For deeper cleaning, a pet-safe disinfectant can be used. Rinse thoroughly and dry completely before returning it to the crate.

Soft Mat

The included soft mat should be cleaned according to its care label, typically machine washable. Regular washing helps maintain hygiene and comfort for your pet.

Image Description: This image provides a closer look at the design details, specifically the rounded corners for safety and aesthetics, and the soft, anti-slip mat that comes with the crate for your pet's comfort.

TROUBLESHOOTING

- **Doors Not Closing Properly:** Check for any obstructions in the door frame or hinge area. Ensure the crate is on a level surface. Verify that the locking mechanism is aligned correctly.
- **Crate Feels Unstable:** Re-check all screws and connections to ensure they are tightened securely. Make sure the crate is placed on a flat, stable surface.
- **Pet Reluctance to Enter:** Introduce your pet to the crate gradually. Place familiar toys or bedding inside. Never force your pet into the crate. Consult a veterinarian or professional trainer if issues persist.
- **Unusual Noises:** Inspect all joints and connections for looseness. Tighten any loose hardware.
