Tatub House Floor Bed Full Grey

Tatub Full House Floor Bed Instruction Manual

Model: House Floor Bed Full Grey | Brand: Tatub

1. INTRODUCTION

This manual provides essential information for the assembly, safe use, and maintenance of your Tatub Full House Floor Bed. Please read these instructions carefully before assembly and retain them for future reference.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety guidelines may result in injury or product damage.

- Do not exceed the maximum weight recommendation of 250 pounds.
- Improper assembly may lead to instability or collapse of the bed frame. Ensure all components are securely fastened according to the assembly guide.
- Be aware of potential pinch points or sharp edges during assembly and use, especially with the house bed style and any additional accessories.
- Regularly inspect the bed for loose parts, damage, or wear. Tighten fasteners as needed.
- This bed is designed for children aged 3 and up.

3. PRODUCT OVERVIEW

The Tatub Full House Floor Bed is a Montessori-inspired bed frame designed to promote independence and creativity in children. It features a low-to-floor design with integrated guardrails and a house-shaped roof frame for customization.

Figure 1: A fully assembled Tatub Full House Floor Bed in grey, featuring a house-shaped frame and low guardrails, suitable for a child's room.

4. SETUP AND ASSEMBLY

The Tatub Full House Floor Bed is designed for swift and effortless assembly. A detailed illustrated guide is included in your product packaging. Please follow these instructions carefully.

- Ensure all parts are present before beginning assembly.
- Assembly requires basic tools, typically a screwdriver and Allen wrench, which are usually provided.
- Note that the mattress and bed slats are not included with this bed frame.
- This model features a door-free design for easy access.

Effortless Assembly

5. OPERATING AND USAGE

This floor bed is designed to provide a safe and stimulating environment for your child.

5.1 Safe Sleep Environment

The integrated guardrails around the house bed enhance a child's sense of security and comfort, contributing to peaceful sleep. The low-to-floor design allows children to move in and out freely and independently, fostering a sense of autonomy.

Tatub House Bed with Guardrails

Provide safety and closeness for a settled night's sleep while keeping bedtime fun

Figure 3: The Tatub House Floor Bed with guardrails, designed to provide a secure sleeping environment for children.

5.2 Promoting Independence

The Montessori-inspired design supports a child's natural development by allowing them to explore their surroundings and transition from co-sleeping to independent sleep. Parents can comfortably accompany children during playtime or bedtime stories.

Montessori Develop Independence

Help transition away from co-sleeping or bed-sharing and towards a more independent sleep space

5.3 Customization

The house-shaped frame offers opportunities for creative decoration. You can add curtains, lights, flags, or other elements to personalize the bed and create a unique space for your child.

Customizable House Bed Frame

Unleash your creativity and craft a one-of-a-kind dream castle for your child

6. MAINTENANCE

To ensure the longevity and cleanliness of your Tatub Full House Floor Bed, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the bed frame with a dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners, as they may damage the wood finish.
- **Inspection:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary to maintain structural integrity.
- **Damage:** If any part of the bed becomes damaged, discontinue use immediately and contact customer support for assistance.

Built to Last

Made from sturdy solid pine wood for durability and safety

7. TROUBLESHOOTING

If you encounter any issues with your Tatub Full House Floor Bed, please refer to the following common troubleshooting tips:

- **Instability:** If the bed feels wobbly, check all assembly points to ensure screws and fasteners are fully tightened. Refer to the assembly guide for correct placement of components.
- **Missing Parts:** If you find any parts missing upon unboxing, please contact Tatub customer support immediately with your purchase details.
- **Damaged Components:** Do not attempt to use or repair damaged components. Contact customer support for replacement parts.

For issues not covered here, please contact Tatub customer support.
