2. SAFETY INFORMATION

Always follow these safety guidelines during assembly and use:

- Keep all parts and packaging materials away from children.
- Assemble the cabinet on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload shelves; adhere to the maximum weight capacity specified.
- Utilize the anti-tilt design by securely mounting the cabinet to a wall using the pre-drilled holes and appropriate hardware (not always included) to prevent accidental tipping, especially in households with children or pets.
- Avoid standing on or climbing inside the cabinet.

3. SETUP & ASSEMBLY

Your Letaya Metal Wardrobe Cabinet is designed for straightforward assembly. Detailed instructions are included with the product. For visual guidance, please refer to the assembly video below.

5.2. Rust and Corrosion Prevention

The cabinet features an environmentally friendly powder-coated finish designed to resist moisture, corrosion, and rust. To maintain this protection, avoid prolonged exposure to excessive moisture and promptly wipe away any spills.

6. TROUBLESHOOTING

If you encounter issues with your cabinet, refer to the following common solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Doors do not close properly or align.	Uneven assembly; cabinet not level; magnetic closures misaligned.	Ensure the cabinet is assembled squarely and is level using the adjustable feet. Check that magnetic closures are correctly positioned and not obstructed. Re-tighten door hinges if necessary.
Cabinet feels unstable or wobbly.	Uneven floor; adjustable feet not properly set; anti-tilt mechanism not installed.	Adjust the feet to level the cabinet. Ensure the anti-tilt mechanism is securely fastened to the wall. Verify all assembly screws are tight.
Shelves are difficult to adjust or do not sit level.	Shelf support clips incorrectly inserted or damaged.	Ensure shelf support clips are fully and correctly inserted into the desired slots on both sides. Check for any bent clips and replace if necessary.
