litokam LF-P1t-5GHz

litokam 5MP 5G/2.4G Dual-Band Indoor Security Camera LF-P1t-5GHz Instruction Manual

Brand: litokam | Model: LF-P1t-5GHz

1. Product Overview

The litokam LF-P1t-5GHz Indoor Security Camera offers advanced surveillance features for home security, pet monitoring, and baby care. With its 5MP Super HD resolution and dual-band Wi-Fi connectivity (5G/2.4G), it provides clear visuals and reliable performance. Key features include AI-powered motion and cry detection, 360° auto-tracking, enhanced night vision, two-way audio, and flexible storage options.

Figure 1: litokam 5MP Indoor Security Camera (Model LF-P1t-5GHz)

Key Features:

- **5MP Super HD & Stunning Night Vision:** Captures every detail clearly with 5MP resolution and 3X optical zoom. Built-in IR LEDs provide excellent night vision up to 33 feet in darkness.
- **Motion Detection & Motion Tracking:** Utilizes Smart Perceive Technology for movement detection, sending real-time alerts to your phone. Features 360° auto-movement tracking.
- **Fluent 2-Way Audio & Night Vision:** Built-in microphone and speaker allow communication with family or pets. Intelligent IR-Cut switch for automatic day/night mode.
- **Cloud Storage & Local Recording:** Supports up to 128GB TF card (not included) or secure cloud storage with high-level encryption.
- **Multi-Users & Multiple View:** Supports simultaneous viewing by multiple users on iPhone and Android. The Little elf Smart app can manage multiple cameras and display up to 16 live videos on one screen.

2. What's in the Box

Upon unboxing your litokam Indoor Security Camera, please verify that all the following components are included:

- 1 x litokam Indoor Security Camera (LF-P1t-5GHz)
- 1 x USB Power Cable
- 1 x Power Adapter (Wall Plug)
- 1 x Mounting Screws & Anchors Kit
- 1 x Adhesive Mounting Pad
- 1 x User Manual (Quick Start Guide)

3. Setup Instructions

Follow these steps to set up your litokam Indoor Security Camera:

1. **Download the App:** Download the "Little elf Smart" app from your smartphone's app store (available on iPhone and Android).

2. **Power On:** Connect the camera to a power source using the provided USB cable and power adapter. The camera will power on and an indicator light will flash.
3. **Connect to Wi-Fi:** Open the "Little elf Smart" app, create an account or log in. Follow the in-app instructions to add a new device. Ensure your Wi-Fi network is 2.4GHz (5G Wi-Fi is also supported, but ensure compatibility with your router settings).
4. **QR Code Scan:** The app will display a QR code. Hold your smartphone with the QR code approximately 5-8 inches in front of the camera lens for the camera to scan it. You will hear a prompt tone indicating successful connection.
5. **Mounting:** Choose your desired mounting location (tabletop, wall, or ceiling). You can use the provided screws and anchors for a secure wall/ceiling mount, or the adhesive pad for a simpler attachment. Ensure the camera has a clear view of the area you wish to monitor.

4. Operating Instructions

Maximize your camera's potential with these operating features:

- **Live View & Control:** Access real-time video feed through the app. Use the pan (360°) and tilt (110°) controls to adjust the camera's view remotely. Utilize the 3X digital zoom for closer inspection.
- **Two-Way Audio:** Tap the microphone icon in the app to speak through the camera's speaker, and listen through your phone.
- **Motion & Cry Detection:** Enable Smart Perceive Technology for motion detection. Adjust sensitivity settings as needed. Activate cry detection for baby monitoring. Receive instant alerts on your smartphone.
- **Auto Tracking:** Turn on the auto movement tracking function to have the camera automatically follow moving objects within its field of view.
- **Night Vision:** The camera automatically switches to night vision mode in low-light conditions. You can also manually toggle this feature in the app.
- **Recording & Playback:** Videos can be saved to a local TF card (up to 128GB) or to the cloud storage service. Access recorded footage for playback via the app.
- **Multi-User Access:** Share camera access with family and friends through the app. Multiple users can view the live feed simultaneously.
- **Privacy Mode:** Activate privacy mode via the app to temporarily disable recording and live viewing for enhanced privacy.

5. Maintenance

To ensure optimal performance and longevity of your litokam camera, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the camera lens and body with a soft, dry cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Firmware Updates:** Regularly check the "Little elf Smart" app for available firmware updates. Keeping your camera's firmware up-to-date ensures you have the latest features and security enhancements.
- **Placement:** Ensure the camera is placed in a stable location to prevent accidental falls. Avoid placing it near strong electromagnetic fields or direct heat sources.
- **Cable Management:** Securely route the power cable to prevent tripping hazards or accidental disconnections.

6. Troubleshooting

If you encounter any issues with your litokam camera, refer to the following common troubleshooting tips:

- **No Power:** Ensure the power cable is securely connected to the camera and the power adapter is plugged into a working outlet.
- **Wi-Fi Connection Issues:** Verify that your Wi-Fi network is 2.4GHz or 5GHz and that the camera is within range of your router. Try restarting your router and the camera.
- **Cannot Connect to App:** Ensure the "Little elf Smart" app is updated to the latest version. Try resetting the camera (refer to the quick start guide for reset instructions) and re-pairing it with the app.
- **Poor Image Quality:** Check your internet connection speed. Ensure the camera lens is clean and free from obstructions. Adjust video quality settings in the app if necessary.
- **Motion Detection Not Working:** Verify that motion detection is enabled in the app settings and adjust the sensitivity level. Ensure the camera's view is not obstructed.
- **Two-Way Audio Problems:** Check the microphone and speaker settings in the app. Ensure your phone's volume is up and there are no obstructions to the camera's speaker/microphone.

For further assistance, please refer to the detailed user manual or contact customer support.

7. Specifications

Feature	Detail
Color	Black
Installation Type	Self Adhesive
Material	Plastic
Item dimensions L x W x H	3.5 x 3.5 x 5 inches
Water Resistance Level	Waterproof
Batteries Required?	No
Item Weight	13.4 ounces
Item model number	LF-P1t-5GHz
Recommended Uses For Product	home security, pet monitor
Brand	litokam
Connectivity Technology	Powerline

Special Feature	Corded
Indoor/Outdoor Usage	Indoor
