### SETUP: INSTALLING YOUR TABLET

1. **Open the Case:** Lay the case flat on a clean surface.
2. **Position the Tablet:** Carefully place your tablet onto the interior surface of the case, aligning it with the four corner clasps.
3. **Secure the Tablet:** Gently stretch each of the four elastic clasps over the corners of your tablet to secure it firmly in place. Ensure all four corners are properly held by the clasps.
4. **Close the Case:** Fold the front cover over your tablet. The magnetic closure will help keep the case securely closed.

## OPERATING INSTRUCTIONS

### Using the 360-Degree Rotating Stand

The case features a built-in 360-degree rotating swivel stand, allowing for both landscape and portrait viewing orientations.

1. **Rotate the Tablet:** Gently rotate the tablet within the case to switch between landscape and portrait modes. The central swivel mechanism allows for smooth rotation.
2. **Adjust Viewing Angle:** Once in the desired orientation, use the anti-slip grooves on the inner cover to prop up your tablet. The case offers multiple stable angles for comfortable viewing or typing.

### **Magnetic Closure**

The case is equipped with a magnetic closure to keep the cover securely shut when not in use, protecting your tablet screen from scratches and dust.

### **Elastic Hand Strap (if applicable)**

Some variants of this case may include a built-in elastic hand strap for a more secure grip while holding your tablet. If present, slide your hand through the strap for added security.

## MAINTENANCE AND CARE

- **Cleaning:** Wipe the exterior of the case with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the synthetic leather material.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Avoid Overstretching:** Do not excessively stretch the elastic corner clasps or the hand strap to prevent damage.

## TROUBLESHOOTING
