# Mxfdegf 360-Degree Rotating Tablet Case Instruction Manual

For 9-10.5 Inch Tablets, including Walmart Onn Pro 10.1" (Model: 100003562)

## INTRODUCTION

---

This manual provides comprehensive instructions for the Mxfdegf 360-Degree Rotating Tablet Case. Designed for universal compatibility with 9 to 10.5 inch tablets, this case offers robust protection and enhanced functionality through its multi-angle viewing stand and secure magnetic closure. Please read this manual thoroughly to ensure proper installation and use of your tablet case.

## COMPATIBILITY AND SETUP

---

Before installation, verify your tablet's dimensions. This case is compatible with tablets measuring between 9 and 10.5 inches. It is specifically designed to fit models such as the Walmart Onn Pro 10.1" Android Tablet 2020 Release (Model: 100003562), Samsung Galaxy Tab E 9.6", Tab A 10.1", Tab A7 10.4", Tab S5e 10.5", Tab A8 10.5", Tab S8, Tab S7 11", and Amazon Kindle Fire HD 10 (various generations).

## COMPATIBLE WITH 9"-10.5" DEVICES

Please check your tablet's dimension before you purchase

**Note: No back camera opening; NOT support auto sleep/wake for any tablets.**

**Figure 1:** Compatibility and Dimensions. The case is designed for tablets between 9 and 10.5 inches. Please measure your tablet before installation. Note: This case does not have a back camera opening and does not support auto sleep/wake functions.

### Installation Steps:

1. **Prepare Your Tablet:** Ensure your tablet is clean and free of debris.
2. **Position the Tablet:** Open the case and align your tablet with the four adjustable clasps located at each corner of the case's interior.
3. **Secure the Clasps:** Gently stretch and fit each elastic clasp over the corners of your tablet. The clasps are designed to hold the tablet securely in place.
4. **Verify Fit:** Once all four clasps are in place, ensure the tablet is firmly seated and does not shift.

## OPERATING INSTRUCTIONS

### Using the 360-Degree Rotating Stand:

The Mxfdegf tablet case features a built-in 360-degree rotating swivel stand, allowing for versatile viewing options.

1. **Rotate Your Tablet:** To switch between landscape and portrait orientation, gently rotate your tablet while it is secured within the case. The central swivel mechanism allows for smooth rotation.
2. **Adjust Viewing Angle:** The case cover includes multiple grooves that act as stand positions. Fold the cover back to form a triangular support and place the edge of your tablet into one of the grooves to achieve your desired viewing angle. There are typically three landscape angles and two portrait angles available.

## MAINTENANCE

The Mxfdegf tablet case is constructed from durable synthetic leather. To maintain its appearance and longevity:

- **Cleaning:** Wipe the exterior with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the material.
- **Storage:** Store the case in a cool, dry place away from direct sunlight when not in use for extended periods.
- **Avoid Overstretching:** While the clasps are elastic, avoid excessive stretching to prevent damage.

## TROUBLESHOOTING

- **Tablet Does Not Fit:** Ensure your tablet's dimensions are within the 9-10.5 inch range. This case is not designed for tablets outside this size specification.
- **No Back Camera Opening:** Please note that this case does not feature an opening for the tablet's rear camera. The tablet must be removed from the case for camera use.
- **Auto Sleep/Wake Functionality:** This case does not support the automatic sleep/wake function for any tablets. You will need to manually lock/unlock your tablet.

- **Color Discrepancy:** Colors shown in product images may slightly differ from the actual product due to variations in lighting and display color settings.
