HOMZ 4-Tier Clear Plastic Storage Organizer Cart

HOMZ 4-Tier Clear Plastic Storage Organizer Cart Instruction Manual

INTRODUCTION

This manual provides instructions for the assembly, operation, maintenance, and troubleshooting of your HOMZ 4-Tier Clear Plastic Storage Organizer Cart. Please read these instructions carefully before use to ensure proper function and longevity of the product. This product is designed for organizing various items in home, office, or classroom environments.

PRODUCT FEATURES

- **Versatile Storage:** Multi-purpose plastic storage drawer cart suitable for various items.
- **Spacious Capacity:** Ample space across four tiers for toiletries, office supplies, clothing, or craft materials.
- **Easy Access:** Transparent plastic drawers allow for quick identification and retrieval of contents.
- **Portability:** Includes caster wheels for easy movement between locations.
- **Durable Construction:** Built to withstand everyday use, crafted from 90% recycled materials.
- **BPA-Free:** Made from BPA-Free Polymers for safe storage.

Diamond Polish Clarity

*- Easy to find order instead
of chaos*

Built to truly last

*- Designed to withstand
everyday use*

*Made from
BPA-Free
Polymers*

This image illustrates key features of the HOMZ storage cart, including its clear design for easy visibility, durable construction, and use of BPA-Free polymers.

A good space is a terrible thing to waste

This image highlights additional features such as being Made in USA, its space-saving design, and the use of durable plastic materials.

SETUP AND ASSEMBLY

1. Unboxing

Carefully remove all components from the packaging. Verify that all parts are present: two drawer towers, eight drawers (four per tower), and eight caster wheels (four per tower).

This image displays two HOMZ 4-Tier Clear Plastic Storage Organizer Carts, as they appear after unboxing.

2. Attaching Caster Wheels

1. Turn each drawer tower upside down.
2. Locate the four circular openings at the base of each tower.
3. Insert a caster wheel into each opening. Push firmly until the wheel stem clicks securely into place.
4. Ensure all four wheels are securely attached and can rotate freely.

3. Inserting Drawers

1. Turn the drawer tower upright.
2. Slide each clear plastic drawer into its designated slot from top to bottom.
3. Ensure drawers slide smoothly and are fully seated.

OPERATING INSTRUCTIONS

1. Loading Contents

Place items into the drawers. The clear design allows for easy visibility of contents. Avoid overloading drawers to ensure smooth operation and prevent damage.

This image shows two HOMZ storage carts in a room setting, demonstrating how they can be used to store various items.

*Simplify your
life and clear
out the chaos.*

This image illustrates the versatility of the storage cart, holding office supplies in the top drawers and yarn in the lower drawers.

2. Drawer Operation

To open a drawer, gently pull the handle. To close, push the drawer back into the tower until it is fully seated.

3. Mobility

To move the cart, simply push or pull it by the frame. The caster wheels allow for easy relocation. For stationary use, ensure the cart is placed on a level surface.

This image shows a single HOMZ storage cart in a room, demonstrating its compact size and how it fits into living spaces.

MAINTENANCE

Cleaning Instructions

- Wipe the exterior and interior of the drawers with a soft, damp cloth.
- For stubborn dirt, use a mild soap solution. Avoid abrasive cleaners or harsh chemicals, as these may damage the plastic.
- Ensure the cart is completely dry before reloading items.

TROUBLESHOOTING

Drawers Not Sliding Smoothly

- **Check for Overload:** Ensure drawers are not overloaded, which can cause friction.
- **Inspect for Obstructions:** Remove any items that may be blocking the drawer's path.
- **Clean Tracks:** Wipe down the drawer tracks on the frame and the sides of the drawers to remove

dust or debris.

Caster Wheels Not Rolling

- **Check for Debris:** Remove any hair, lint, or debris caught in the wheels.
- **Ensure Secure Attachment:** Verify that all wheels are fully inserted and securely clicked into their openings.
