BTHFST B0CHHSW4MX

BTHFST LED Nightstand with Charging Station User Manual

Model: B0CHHSW4MX

Brand: BTHFST

1. PRODUCT OVERVIEW

The BTHFST LED Nightstand is a modern bedside table designed for convenience and style. It features a built-in charging station, colorful RGB LED lighting, multiple storage options including three drawers and a pull-out tray, and a sturdy construction.

Key Features:

- **Integrated Charging Station:** Equipped with 2 USB ports and 2 standard AC outlets, plus a safety switch.
- **RGB LED Lighting:** Customizable lighting with over 60,000 colors, various modes (dynamic, music, mic), brightness control, and timer function, controllable via button or mobile app.
- **Ample Storage:** Includes a desktop, an open compartment, a pull-out tray for extended surface area, and three smooth-gliding drawers.
- **Durable Construction:** Made from premium P2 grade MDF and metal for enhanced stability and longevity.

Video 3.1: Detailed installation video for the BTHFST LED nightstand, demonstrating step-by-step assembly of the frame, drawers, and top unit.

General Assembly Steps:

1. Unpack all components and verify against the parts list in the assembly guide.
2. Attach the metal drawer slides to the side panels of the main nightstand body.
3. Assemble the main nightstand frame using the provided hardware.
4. Attach the metal legs to the base of the nightstand.

5. Assemble the pull-out tray and its corresponding slides.
6. Install the power strip into the designated slot on the top surface.
7. Affix the LED light strip to the underside of the pull-out tray section.
8. Assemble the three drawers and insert them into the main frame.
9. Connect the LED light strip and power strip to a suitable power source.

4. OPERATING INSTRUCTIONS

4.1. Using the Charging Station

The nightstand features a built-in power strip on its tabletop for convenient charging.

- Locate the power strip on the top surface of the nightstand.
- Plug the nightstand's main power cord into a wall outlet.
- Use the red switch on the power strip to turn the outlets and USB ports ON or OFF.
- Connect your mobile phone, tablet, earphones, or other devices to the 2 USB ports or 2 standard AC outlets.

4.2. Controlling the RGB LED Lights

The RGB LED light strip can be controlled via a physical button or a mobile application.

- **Button Control:** A control button is typically located near the LED strip or on its cable. Press the button to cycle through colors, modes, and turn the lights on/off.
- **Mobile App Control:** Download the designated mobile application (refer to the assembly guide for app details). Connect the app to the nightstand's LED system via Bluetooth or Wi-Fi. The app allows access to over 60,000 colors, adjustable brightness, various dynamic modes, music synchronization, mic mode, and a timer function.

The tray expands desktop space

4.3. Utilizing the Pull-Out Tray and Drawers

The nightstand offers versatile storage solutions.

- **Pull-Out Tray:** Gently pull the tray forward to extend the desktop space, providing additional surface area for items like drinks, books, or electronic devices. Push it back in when not needed.
- **Drawers:** The three drawers operate on silent metal slides, ensuring smooth opening and closing. Use them to store personal items, books, or other bedside essentials.

5. MAINTENANCE

To ensure the longevity and appearance of your BTHFST LED Nightstand, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the nightstand with a dry, soft cloth.
- **Spills:** Clean up spills immediately to prevent staining, especially on the engineered wood surfaces.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain structural integrity.
- **Electrical Components:** Ensure the power strip and LED lights are kept dry. Do not attempt to repair electrical components yourself; contact qualified personnel if issues arise.

6. TROUBLESHOOTING

If you encounter any issues with your nightstand, refer to the following common troubleshooting tips:

- **Difficulty during Assembly:** Ensure all parts are correctly oriented according to the assembly guide. Double-check part numbers and screw types. If a piece seems ill-fitting, re-examine the instructions carefully. Sometimes, a slight adjustment or re-orientation of a panel can resolve the issue.
- **LED Lights Not Working:**
 - a. Check if the LED strip is properly connected to its power source.
 - b. Ensure the nightstand's main power cord is securely plugged into a functional wall outlet.
 - c. Verify the power strip's red safety switch is in the 'ON' position.
 - d. If using the mobile app, ensure your device's Bluetooth/Wi-Fi is on and correctly paired with the LED system.
- **Charging Station Not Providing Power:**
 - a. Confirm the nightstand is plugged into a live wall outlet.
 - b. Ensure the red safety switch on the power strip is 'ON'.
 - c. Test the wall outlet with another device to rule out a power supply issue.
 - d. Check if the device being charged is functioning correctly and its charging cable is not damaged.
- **Drawers Sticking or Not Sliding Smoothly:**
 - a. Ensure the metal drawer slides are installed correctly and are free of obstructions.
 - b. Check that the drawer itself is assembled squarely and not warped.
 - c. Apply a silicone-based lubricant to the slides if necessary.
- **Stability Issues:** Ensure all screws and fasteners are securely tightened. Avoid overloading the nightstand, especially the pull-out tray.

7. SPECIFICATIONS

Feature	Detail
Brand	BTHFST
Model Number	B0CHHSW4MX
Product Dimensions	15.7"D x 17.7"W x 28.7"H
Frame Material	Metal
Top Material Type	Engineered Wood
Color	White and Gold
Number of Drawers	3
Charging Ports	2 USB ports, 2 Standard AC Outlets
LED Lighting	RGB, App/Button Control, 60,000+ Colors
Required Assembly	Yes

Tools Recommended	Screwdriver

8. SAFETY INFORMATION

Please read and adhere to the following safety guidelines:

- Do not overload the nightstand. Ensure the weight distribution is even to prevent tipping.
- Always follow the assembly instructions carefully to ensure the unit is stable and secure.
- Keep all electrical components (power strip, LED lights) away from water or damp environments.
- Do not attempt to modify or disassemble the electrical components.
- Keep small parts and hardware out of reach of children during assembly.
- Place the nightstand on a flat, stable surface.

9. WARRANTY AND SUPPORT

BTHFST is committed to providing quality products and services. For any questions, concerns, or warranty claims regarding your LED Nightstand, please contact our customer support team. Refer to your purchase documentation or the BTHFST official website for specific warranty details and contact information.
