## Dripex baby playpen

# Dripex 14-Panel Foldable Baby Playpen Instruction Manual

Model: baby playpen

## 1. INTRODUCTION

Thank you for choosing the Dripex 14-Panel Foldable Baby Playpen. This playard is designed to provide a safe, engaging, and adjustable play area for babies and toddlers. Its versatile design allows for various configurations to fit different spaces and needs, offering a secure environment for your child while providing parents with peace of mind.

## 2. SAFETY INFORMATION

- **Material Safety:** The playpen is constructed from high-density polyethylene plastic (HDPE) that is non-toxic and BPA-free.
- **Secure Design:** Features upgraded strong suction cups for anti-tip stability and a safety gate with a gear lock that opens only from the outside, ensuring your child remains safely contained.
- **Adult Supervision:** Always supervise your child while they are in the playpen. This product is not a substitute for adult supervision.
- **Age Suitability:** Suitable for babies from 6 months to 3 years old. The activity wall is ideal for toddlers aged 1-3 years.
- **Placement:** Ensure the playpen is set up on a flat, stable surface. Avoid placing it near stairs, windows, or other potential hazards.
- **Regular Checks:** Periodically check all connections and locking mechanisms to ensure they are secure.

## 3. PACKAGE CONTENTS

Verify that all components are present before assembly:

- 1 x Game Panel
- 1 x Safety Gate Panel
- 6 x Moon Panels
- 6 x Star Panels
- 14 x Connectors

- 14 x Non-slip Accessories (Suction Cups)

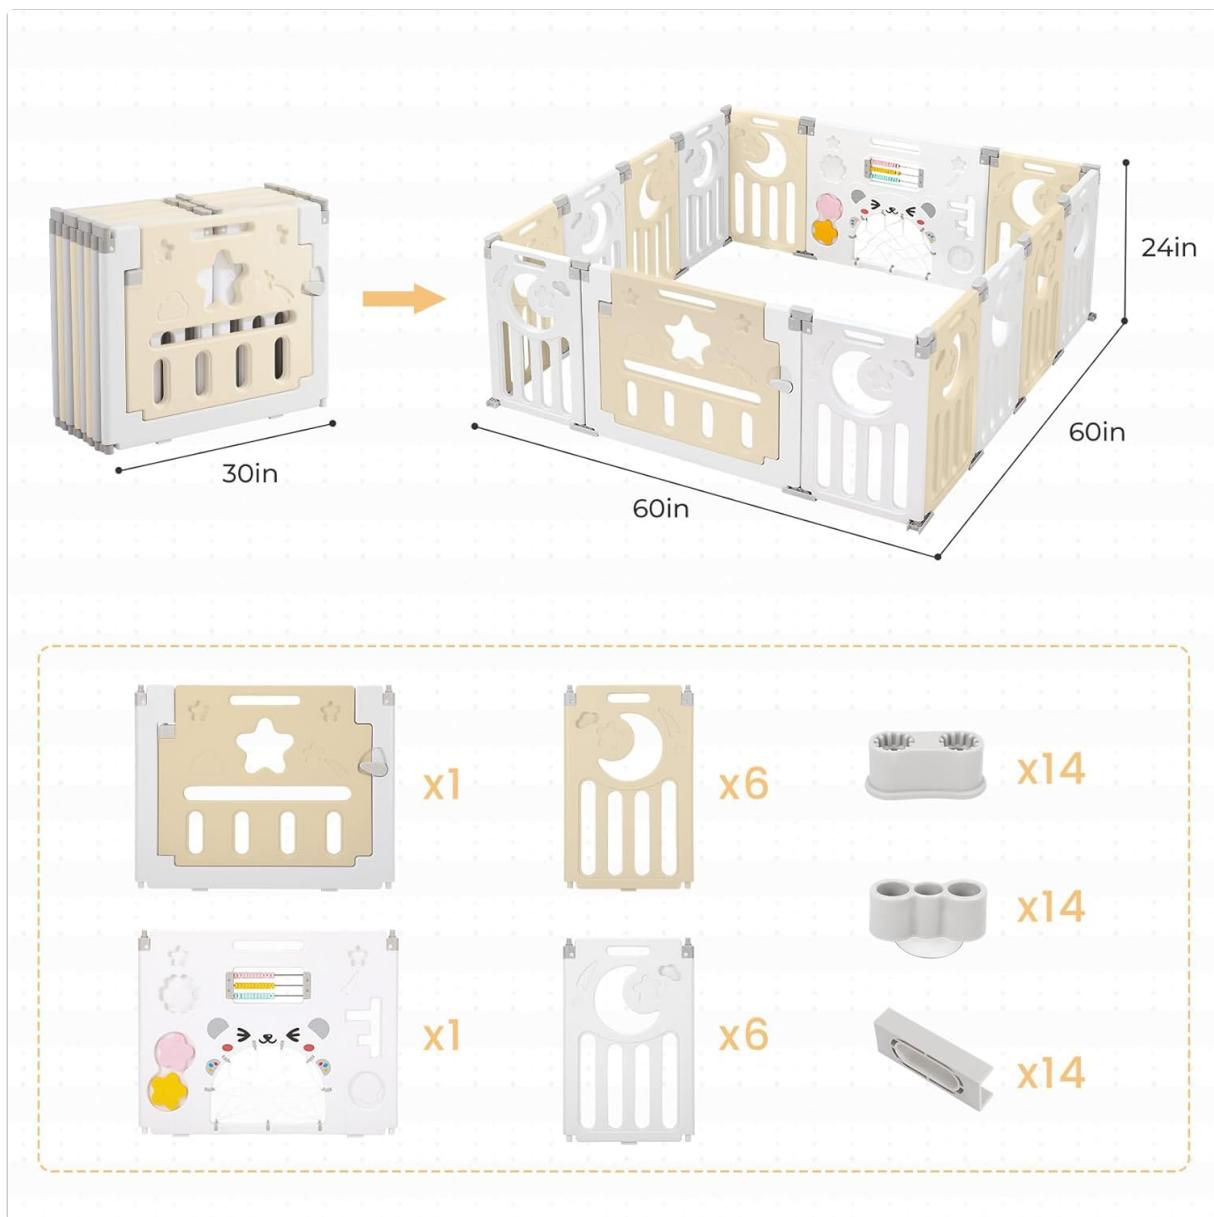

Figure 1: Overview of all 14 panels, connectors, and non-slip accessories, along with the playpen's dimensions (60x60x24 inches when assembled as a square).

## 4. SETUP AND ASSEMBLY

The Dripex playpen is designed for easy assembly and customization. Follow these steps to set up your playard:

1. **Connect Panels:** Align the connectors with the slots on each panel. Push down firmly until each panel is securely connected. Ensure the upgraded all-in-one nuts provide a seamless and sturdy connection.
2. **Form Desired Shape:** Arrange the 14 panels into your preferred shape (square, rectangle, round, etc.). The flexible design allows for various configurations.
3. **Install Non-slip Accessories:** Attach the non-slip suction cups to the bottom of each panel. Press down firmly to secure the playpen to a hard, flat surface, preventing movement and tipping.
4. **Secure Safety Gate:** Ensure the safety gate is properly installed and the gear lock is engaged to prevent accidental opening by children.

Figure 2: Examples of the playpen configured into different shapes, including square, octagonal, and rectangular, demonstrating its adjustable nature.

Figure 3: Detailed view of the upgraded nut for secure panel connection and the non-slip accessories at the base, highlighting the no-gap design.

## 5. OPERATING INSTRUCTIONS

- **Using the Safety Gate:** The safety gate is equipped with a gear lock. To open, lift the latch and swing the door open. To close, swing the door shut and ensure the latch clicks into place. This adult-only opening keeps your child safely inside.
- **Game Panel Features:** The activity wall includes educational puzzle toys such as an abacus, colorful spinning gears, cute cat stickers, and a mini soccer goal. Encourage your child to interact with these features to boost brain development and independent play.
- **Adjusting Size and Shape:** To change the playpen's size or shape, simply unlock the connectors by pulling up on the top locking mechanism and reconfigure the panels as desired. This allows for a space-saving design or a larger play area.
- **Folding for Storage:** The playpen is lightweight and designed to fold compactly for easy storage. Disconnect panels as needed and fold them together.

## Safe for your little ones

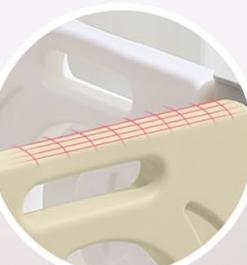

Non-toxic

Lockable door

No burrs

Game Panel

## 6. MAINTENANCE AND CARE

To keep your Dripex Baby Playpen clean and in good condition:

- **Cleaning:** Wipe the panels with a damp cloth, then follow with a dry cloth to remove any moisture. Avoid abrasive cleaners or harsh chemicals.
- **Storage:** When not in use, fold the playpen compactly and store it in a dry place away from direct sunlight to prolong its lifespan.

## 7. TROUBLESHOOTING

- **Playpen is not stable:** Ensure all connectors are firmly pushed down and locked. Verify that the non-slip suction cups are properly attached to the bottom of each panel and pressed onto a clean, flat

surface. On carpeted surfaces, stability may be reduced; consider placing it on a hard floor or using additional stabilizing measures if necessary.

- **Panels are difficult to connect/disconnect:** Apply gentle, even pressure when connecting. When disconnecting, pull up on the top locking mechanism of the connector to release the panels. Do not force connections.
- **Gate is not locking securely:** Check that the gate is properly aligned with the adjacent panel and the gear lock mechanism is fully engaged. Ensure no debris is obstructing the latch.

## 8. SPECIFICATIONS

---

<b>Product Dimensions</b>	60 x 60 x 24 inches
<b>Item Model Number</b>	baby playpen
<b>Maximum Height Recommendation</b>	24 Inches
<b>Material Type</b>	High-density Polyethylene Plastic (HDPE)
