Tribesigns 00362

Tribesigns Slim Storage Cart User Manual

Model: 00362

Brand: Tribesigns

Introduction

Thank you for choosing the Tribesigns Slim Storage Cart. This versatile 4-tier rolling utility cart is designed to maximize storage in narrow spaces, making it ideal for kitchens, bathrooms, laundry rooms, and other compact areas. Its sturdy construction and easy mobility provide a practical solution for organizing various items. Please read this manual carefully before assembly and use to ensure proper installation and safe operation.

Safety Information

Please observe the following safety guidelines to prevent injury or damage to the product:

- **Weight Capacity:** Do not exceed the maximum weight capacity of **25 pounds (11.3 kg) per shelf**. The total maximum weight recommendation for the entire cart is 75 pounds (34 kg). Overloading can cause the cart to tip or collapse.
- **Stability:** Ensure the cart is placed on a flat, stable surface. When stationary, engage the locks on the two lockable casters to prevent unintended movement.
- **Movement:** Use caution when moving the cart, especially on uneven surfaces, to prevent tipping. Avoid sudden stops or turns when the cart is loaded.
- **Assembly:** Assemble the cart strictly according to the instructions provided. Do not modify the product or use parts not supplied by the manufacturer.
- **Children and Pets:** Keep children and pets away from the cart during assembly. Do not allow children to climb on or play with the cart.

- **Maintenance:** Regularly check all fasteners to ensure they remain tight. Retighten as necessary.

Package Contents

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

Image: The Tribesigns Slim Storage Cart without any items, illustrating its basic structure.

- Top Shelf (1)
- Middle Shelves (2)
- Bottom Shelf (1)
- Side Panels (2)
- Handle (1)
- Casters (4, including 2 lockable)
- Anti-falling Bars (3)
- Assembly Hardware (screws, dowels, Allen wrench)
- Instruction Manual (this document)

Assembly Instructions

Assembly is required for this product. Please follow these steps carefully. It is recommended to assemble the cart on a soft, clean surface to prevent scratches.

1. **Attach Casters:** Carefully screw the four casters into the pre-drilled holes on the bottom of the two side panels. Ensure the two lockable casters are positioned on the same side for easier access. Tighten securely.
2. **Assemble Side Panels and Shelves:** Attach the bottom shelf to the two side panels using the provided hardware. Then, attach the two middle shelves, followed by the top shelf. Ensure all connections are firm before proceeding.
3. **Install Anti-falling Bars:** Insert the anti-falling bars into the designated slots on the front of each shelf (excluding the very top surface). These bars help prevent items from falling off.
4. **Attach Handle:** Secure the handle to the side panel at the top of the cart using the provided screws. This handle assists in pulling and pushing the cart.
5. **Final Check:** Once all components are assembled, gently shake the cart to ensure stability. Retighten any loose screws.

Operating Instructions

The Tribesigns Slim Storage Cart is designed for easy use and versatility.

- **Loading the Cart:** Distribute weight evenly across the shelves. Place heavier items on lower shelves for better stability. Ensure no single shelf exceeds 25 lbs (11.3 kg).
- **Moving the Cart:** To move the cart, unlock the two lockable casters if they are engaged. Use the side handle to gently pull or push the cart to your desired location. The 360° rotatable wheels allow for smooth movement in any direction.
- **Securing the Cart:** Once the cart is in its desired position, engage the locks on the two lockable casters to prevent accidental rolling.
- **Placement:** This cart is ideal for narrow spaces such as gaps between appliances, alongside cabinets, or in laundry rooms and bathrooms. Its slim design (6.3 inches wide) allows it to fit into tight spots.

Maintenance

Proper care and maintenance will extend the life of your Tribesigns Slim Storage Cart.

- **Cleaning:** Wipe the cart surfaces with a dry cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or harsh chemicals, as they may damage the finish.
- **Inspection:** Periodically inspect all screws and connections to ensure they are tight. Retighten as needed to maintain stability.
- **Storage:** If storing the cart for an extended period, ensure it is clean and dry. Store in a cool, dry place away from direct sunlight or extreme temperatures.

Troubleshooting

If you encounter any issues with your Tribesigns Slim Storage Cart, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cart is wobbly or unstable.	Loose screws or uneven assembly.	Check and tighten all screws. Ensure all parts are correctly aligned during assembly.
Casters do not roll smoothly.	Debris in casters or casters not fully tightened.	Clean any debris from the caster wheels. Ensure casters are fully screwed into place.
Items fall off shelves.	Anti-falling bars not installed or cart overloaded.	Ensure anti-falling bars are correctly installed. Do not exceed the 25 lbs per shelf weight limit.
Difficulty moving the cart.	Caster locks engaged or cart overloaded.	Disengage the locks on the two lockable casters. Reduce the load if it exceeds the weight capacity.

If the problem persists, please contact Tribesigns customer service for further assistance.

Specifications

- **Model:** 00362
- **Brand:** Tribesigns
- **Product Dimensions (L x W x H):** 19.69" x 6.3" x 31.5" (50 cm x 16 cm x 80 cm)
- **Item Weight:** 17.64 pounds (8 kg)
- **Material:** Engineered Wood (shelves), Metal (frame)
- **Number of Shelves:** 3 (plus top surface)
- **Maximum Weight Capacity per Shelf:** 25 pounds (11.3 kg)
