## 5. Maintenance

To ensure the longevity and optimal performance of your OYAYO Folding Piano Keyboard, please follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe down the surface of the piano. Avoid using abrasive cleaners or solvents, as they may damage the finish.
- **Storage:** When not in use, fold the piano and store it in the provided gig bag to protect it from dust and physical damage.
- **Environment:** Keep the piano away from direct sunlight, extreme temperatures, and high humidity, which can affect its electronic components and key action.
- **Handling:** Always handle the piano with care, especially when folding or unfolding, to prevent damage to the hinges and internal mechanisms.

## 6. Troubleshooting

If you encounter any issues with your OYAYO Folding Piano Keyboard, please refer to the following common troubleshooting tips:

- **No Sound:** Check that the piano is powered on, the volume is turned up, and any connected headphones or external speakers are properly plugged in and powered.
- **Keys Not Responding:** Ensure the piano is fully unfolded and locked. If using battery power, check the battery level.

- **Connectivity Issues:** For Bluetooth, ensure the piano is in pairing mode and your device's Bluetooth is enabled. For MIDI/USB, check cable connections and device drivers.
- **Distorted Sound:** Lower the volume. Check audio cable connections for any damage or loose fittings.

If the problem persists after trying these steps, please contact OYAYO customer support for further assistance.
