## EMOOR PREMIUM

# EMOOR Japanese Futon Mattress Tri-Fold Type Premium Full Instruction Manual

*Model: PREMIUM*

## INTRODUCTION

This manual provides essential information for the proper setup, usage, maintenance, and care of your EMOOR Japanese Futon Mattress Tri-Fold Type Premium Full. Please read these instructions carefully to ensure optimal performance and longevity of your product.

## PRODUCT INFORMATION AND SPECIFICATIONS

The EMOOR Japanese Futon Mattress is designed for comfort and versatility, featuring a tri-fold design for easy storage and a multi-layered urethane foam construction for optimal body support.

### Key Features:

- Tri-Fold Design:** Allows for easy storage and handling.
- Three-Layer Urethane Foam:** Provides flexibility, elasticity, and excellent body pressure dispersion.
- Sleep Support Cells & Conditioning Slits:** Adapt to body contours and promote air circulation.
- High-Quality Fabric:** Soft knit top, geometric knit sides, and breathable honeycomb mesh bottom with L-shaped zipper for easy removal.

### Specifications:

Attribute	Detail

Size (Full)	55.12 x 76.77 x 5.91 inches (140 x 195 x 15 cm)
Folded Dimensions	55.12 x 25.59 x 18.50 inches (140 x 65 x 47 cm)

<b>Item Weight</b>	32.1 pounds (14.6 kg)
<b>Fabric (Top)</b>	100% polyester (puffed knit)
<b>Fabric (Side)</b>	100% polyester (knit)
<b>Fabric (Bottom)</b>	100% polyester (honeycomb mesh)
<b>Inner Fabric</b>	100% polyester (mesh fabric)
<b>Filling Material</b>	High-resilience urethane foam (3 layers)
<b>Firmness</b>	Firm
<b>Special Feature</b>	Foldable

## SETUP

Your EMOOR Futon Mattress is designed for immediate use after unboxing. Follow these steps for initial setup:

- 1. Unpack:** Carefully remove the mattress from its packaging.
- 2. Unfold:** Lay the mattress flat on a clean, dry surface. The tri-fold design allows it to expand to its full length.
- 3. Allow to Expand:** While the mattress is ready for use, allowing it to air out and fully expand for a few hours, or even a day, can help it reach its optimal shape and firmness, especially if it was compressed for shipping.
- 4. Placement:** Place the futon directly on the floor, a tatami mat, or a suitable bed frame. Ensure the surface is flat and supportive.

## OPERATING (USAGE)

The EMOOR Futon Mattress is versatile and can be used in various ways:

- **Sleeping:** Use as a primary mattress on the floor or a bed frame. Its multi-layered structure provides support and comfort.
- **Guest Bed:** Easily unfold for guests and fold away when not needed.
- **Lounging:** Can be partially folded to create a comfortable backrest for reading or relaxing.

## MAINTENANCE

Proper maintenance will extend the life and comfort of your futon mattress.

- 1. Regular Airing:** To prevent moisture buildup and maintain freshness, regularly air the futon in the shade. This is especially important for floor futons.
- 2. Cover Care:** The outer cover is removable via an L-shaped zipper. It is recommended to spot clean or hand wash the cover with mild detergent. Do not machine wash or tumble dry, as this may damage the fabric or foam. Ensure the cover is completely dry before reattaching.
- 3. Storage:** When not in use, fold the futon into its tri-fold configuration and store it in a dry, well-ventilated area to prevent mildew and maintain its shape.
- 4. Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can degrade the urethane foam and fabric.

## High Quality Outer Fabric

The soft and fluffy knit fabric is on top, and the geometric pattern knit is on the side. The bottom is breathable honeycomb mesh fabric.

Easily attachable and removable with L-shaped zipper.

Dry in the shade regularly for a longer life.

## TROUBLESHOOTING

Here are some common issues and their solutions:

- **Issue: Mattress feels too firm or too soft.**

**Solution:** Allow the mattress more time to fully expand after unboxing. Urethane foam can take some time to adjust to room temperature and regain its intended firmness. Ensure it is placed on a flat, even surface.

- **Issue: Odor from the mattress.**

**Solution:** New foam products may have a slight odor upon unboxing. This is normal and harmless. Air out the mattress in a well-ventilated area for 24-48 hours. The odor will dissipate over time.

- **Issue: Moisture or mildew buildup.**

**Solution:** This can occur if the futon is left on the floor in a humid environment without proper ventilation. Regularly air the futon in the shade, ideally by standing it on its side or folding it to allow air circulation underneath. Consider using a slatted bed base or tatami mat for better airflow.

- **Issue: Zipper difficulty.**

**Solution:** Ensure the fabric is not caught in the zipper teeth. Gently pull the fabric away from the zipper as you operate it. Do not force the zipper.

## WARRANTY AND SUPPORT

---

For warranty information or further support, please refer to the product packaging or contact EMOOR customer service directly. Contact details are typically available on the manufacturer's official website or through your point of purchase.

**EMOOR Customer Service:** Please visit the [EMOOR Store on Amazon](#) for contact information and additional product details.
