Timekettle M3

Timekettle M3 Language Translator Earbuds User Manual

Model: M3 | Brand: Timekettle

INTRODUCTION

The Timekettle M3 Language Translator Earbuds are a versatile 3-in-1 device designed to facilitate seamless communication across language barriers. Beyond real-time translation, these earbuds also support music playback and phone calls, making them an essential tool for travelers, business professionals, and language learners. Featuring advanced AI Semantic Segmentation Technology and Active Noise Cancellation (ANC), the M3 ensures clear and natural interpretation in various scenarios.

This manual provides comprehensive instructions for setting up, operating, and maintaining your Timekettle M3 earbuds to ensure optimal performance.

WHAT'S IN THE BOX

Upon unboxing your Timekettle M3 Language Translator Earbuds, you should find the following components:

- Timekettle M3 Earbuds (Left and Right)
- Charging Case
- User Guide (Physical Manual)
- USB Charging Cable
- Additional Ear Tips (various sizes for comfortable fit)
- Timekettle Fish Card (for offline language pack downloads)

SETUP AND INITIAL USE

1. **Charge the Earbuds:** Before first use, ensure both earbuds and the charging case are fully charged. Connect the charging cable to the case and a power source. The indicator lights on the case will show charging status.
2. **Download the Timekettle App:** Search for "Timekettle" in your mobile device's app store (iOS or Android) and download the official application.
3. **Pair with Your Mobile Device:**
 - Open the charging case and take out both M3 earbuds.
 - Enable Bluetooth on your mobile phone.
 - In your phone's Bluetooth settings, select "Timekettle M3" to pair.
 - Open the Timekettle App and select M3 from the device list to establish the connection within the app.
4. **Offline Language Packs:** The M3 supports offline translation with 13 language packs available for purchase within the Timekettle App using the included Fish Card. It is recommended to download these packs via Wi-Fi in advance if you plan to use the earbuds without an internet connection.

Natural And Instant Translation

Competent In Various Scenarios

Image: Timekettle M3 App Setup Steps. This image illustrates a four-step process for setting up the Timekettle M3 earbuds with a smartphone app, showing prompts for Bluetooth connection and app permissions.

OPERATING MODES

The Timekettle M3 offers three distinct translation modes to suit various communication scenarios:

1. Touch Mode

Ideal for one-on-one, in-depth conversations. Each person wears one earbud. Simply tap your earbud to speak, and the other person will hear the translation in their earbud. This mode facilitates natural, fluent dialogue.

2. Listen Mode

Designed for situations where you need to understand a speaker without actively participating in a two-way conversation (e.g., lectures, presentations). Place your mobile phone close to the speaker, and the app will automatically pick up sentences and translate them into your earbud.

3. Speaker Mode

Useful for short conversations with multiple people or when you don't want to share an earbud (e.g., asking for directions, ordering food). You can use your smartphone as the primary input device, or wear both earbuds, and the translation will be played aloud through your phone's speaker.

Ultra Battery Life

7.5 HRS
Single Charge

25 HRS
Charging Case

90 MIN
Fully Charged

BATTERY LIFE AND CHARGING

The Timekettle M3 earbuds are designed for extended use, providing reliable power for your translation needs.

- **Earbud Playtime:** Approximately 7.5 hours on a single full charge.
- **Total Playtime with Charging Case:** Up to 25 hours. The charging case provides multiple recharges for the earbuds.
- **Charging Time:** The charging case can be fully charged in approximately 90 minutes.

To charge the earbuds, place them back into their charging case. To charge the case, connect it to a USB power source using the provided cable. The LED indicators on the case will show the current battery level and charging status.

ADVANCED FEATURES

AI Semantic Segmentation Technology

This revolutionary technology significantly reduces translation delays during long conversations, such as conferences or classes. It automatically picks up and logically segments speech into sentences, allowing you to hear translations of previous sentences as speakers move to the next, ensuring a smooth and instant understanding.

Active Noise Cancellation (ANC)

The M3 earbuds feature Active Noise Cancellation, capable of achieving a maximum depth of 30dB noise reduction. This ensures that you can hear every detail of the translated audio clearly, even in noisy environments, without compromising comfort.

SPECIFICATIONS

Feature	Detail
Model Name	M3
Connectivity Technology	Wireless (Bluetooth)
Supported Languages	40 Online Languages, 13 Offline Language Packs (purchasable)
Control Method	Touch
Noise Control	Active Noise Cancellation (ANC)
Battery Life (Earbuds)	Approx. 7.5 hours
Battery Life (with Charging Case)	Up to 25 hours
Charging Time	Approx. 90 minutes
Product Dimensions	6.1 x 3.93 x 1.73 inches
Item Weight	7.4 ounces
Water Resistance Level	Not Water Resistant
Compatible Devices	Smartphones, Tablets (iOS, Android)

Translation Device: from Handheld to Earbuds

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Timekettle M3 earbuds:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive materials or harsh chemicals.
- **Ear Tips:** Remove and clean the ear tips periodically. Ensure they are completely dry before reattaching.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Avoid Water:** The earbuds are not water resistant. Avoid exposure to water, sweat, or high humidity.

TROUBLESHOOTING

If you encounter issues with your Timekettle M3 earbuds, try the following solutions:

- **Connection Issues:**
 - Ensure both earbuds are properly seated in the charging case and then taken out to reset the connection.
 - Verify Bluetooth is enabled on your phone and the earbuds are selected.
 - Close and reopen the Timekettle App.
 - If issues persist, try unpairing and re-pairing the earbuds via your phone's Bluetooth settings.
- **Translation Inaccuracy/Delay:**
 - Ensure a stable internet connection for online translation.
 - Check the selected languages in the app to ensure they are correct for both speakers.
 - Adjust ambient noise, volume, and other parameters within the app settings to improve voice pickup accuracy.
 - Clear the app's cache in the settings if performance slows down.
- **Offline Translation Not Working:**
 - Confirm that the desired offline language packs have been successfully downloaded and enabled in the app.
 - Ensure you have sufficient "Fish Card" credits for offline pack activation.
- **No Sound:**
 - Check the volume levels on both your phone and within the Timekettle App.
 - Ensure earbuds are properly inserted and charged.
