2. FEATURES

- **Temperature Regulation:** Helps keep your vehicle's interior cooler in summer and warmer in winter by insulating the dashboard.
- **Glare Reduction:** Significantly reduces dangerous glare from the sun reflecting off the dashboard, improving driving visibility and safety.
- **Dashboard Protection:** Shields your dashboard from harmful UV rays, preventing sun damage, cracking, and fading over time.
- **Durable Material:** Made from high-quality polyester that is designed not to shrink, fade, or distort.
- **Environmental Friendly:** Constructed from environmental material with no chemical smells or odors.
- **Anti-Slip Design:** Helps prevent items from sliding on your car dash.

3. COMPATIBILITY

This dashboard cover is specifically designed for the following vehicle model:

Vehicle: Hyundai i10 2nd Generation (IA BA Series)

Model Years: 2014, 2015, 2016, 2017, 2018

Steering Position: Only for Left Hand Drive (LHD) models.

Important: This product is not suitable for Right Hand Drive (RHD) models. Please verify your car model and dashboard configuration to ensure correct fitment before installation.

4. PACKAGE CONTENTS

Upon opening the package, you should find the following item:

- 1 x CHROX Car Dashboard Cover (Black)

5. SETUP AND INSTALLATION

Installing your CHROX Dashboard Cover is a simple process that takes approximately 3 minutes. No special tools are required.

1. **Clean the Dashboard:** Before placing the cover, ensure your car's dashboard surface is clean and free of dust or debris. You may use a damp cloth to wipe it down, then allow it to dry completely.
2. **Position the Cover:** Carefully unroll and place the dashboard cover onto your car's dashboard, aligning it with the vents, sensors, and contours of the dashboard.
3. **Secure with Velcro Tabs:** The cover comes with velcro tabs to help secure it in place and prevent slippage. Press down firmly on the cover where the velcro tabs are located to ensure a snug fit.
4. **Allow to Settle:** If the dashboard cover appears wavy or creased from packaging, lay it flat for 24 hours in a warm environment (e.g., inside the car on a sunny day) to allow it to flatten out completely.

6. CARE AND MAINTENANCE

To maintain the appearance and longevity of your CHROX Dashboard Cover, follow these simple care instructions:

- **Cleaning:** Gently wipe the surface with a clean, damp cloth to remove dust and light dirt. For more stubborn stains, a mild soap solution can be used, followed by wiping with a clean, damp cloth and air drying.
- **Avoid Harsh Chemicals:** Do not use harsh detergents, bleach, or abrasive cleaners, as these can damage the polyester material and affect its color.
- **Drying:** Allow the cover to air dry completely before reinstalling it on the dashboard.
- **Storage:** If removing the cover for extended periods, store it flat or loosely rolled to prevent creasing.

7. TROUBLESHOOTING

If you encounter any issues with your dashboard cover, please refer to the following common solutions:

Problem	Solution
Dashboard cover appears wavy or creased.	Lay the cover flat for at least 24 hours, preferably in a warm environment (e.g., inside the car on a sunny day), to allow the material to relax and flatten out.
Cover does not stay in place.	Ensure the dashboard surface is clean and dry before installation. Press down firmly on the velcro tabs to ensure they adhere properly. If needed, additional adhesive velcro strips can be used (not included).
