Instruction Manual

NAPCO 52852 CHRISTMAS ROCKING HORSE FIGURINE

Introduction

This instruction manual provides essential information for the proper handling, display, and care of your Napco 52852 Christmas Rocking Horse Figurine. Please read this manual carefully to ensure the longevity and enjoyment of your decorative item.

The Napco 52852 Christmas Rocking Horse is a decorative resin figurine designed to capture the enchantment and nostalgia of the holiday season. Its timeless design makes it a charming addition to any festive display.

Product Overview

This image shows the Napco Christmas Rocking Horse figurine. The horse is white with intricate gold detailing on its mane, tail, and body. It features a brown saddle with red heart and green holly designs. The horse is mounted on a dark brown rocking base, also adorned with gold scrollwork and a red star.

The figurine is crafted from quality resin material, ensuring durability for decorative purposes. It features a classic rocking horse design with festive holiday accents.

Setup and Placement

1. **Unboxing:** Carefully remove the figurine from its protective packaging. Inspect the item for any signs of damage during transit.
2. **Placement:** Choose a stable, flat surface for display. Ensure the location is away from direct sunlight, extreme temperatures, and high-traffic areas where it might be accidentally knocked over.
3. **Display:** The figurine is designed to be a decorative accent. It can be placed on mantels, shelves, tables, or as part of a larger holiday display.

Caution: This item is for decorative purposes only and is not a toy. Keep out of reach of small children and pets to prevent accidental damage or injury.

Display and Handling

The Napco Christmas Rocking Horse Figurine is intended for static display. No assembly or operational steps are required beyond careful placement.

- Handle the figurine by its base whenever possible to avoid putting stress on delicate parts.
- Avoid dropping the figurine, as it is made of resin and can break upon impact.
- Do not expose the figurine to harsh chemicals or abrasive materials.

Care and Maintenance

Proper care will help maintain the appearance of your figurine for many years.

- **Cleaning:** To clean, gently wipe the figurine with a soft, dry, lint-free cloth. For stubborn dust, a slightly damp cloth can be used, followed immediately by a dry cloth.
- **Avoid:** Do not use harsh chemicals, abrasive cleaners, or excessive water, as these can damage the paint and finish of the resin.
- **Storage:** When not in use, store the figurine in its original packaging or a padded container in a cool, dry place, away from direct sunlight and extreme temperature fluctuations.

Common Concerns

While this decorative figurine requires minimal maintenance, here are some common concerns and their resolutions:

- **Dust Accumulation:** If dust builds up in intricate areas, use a soft brush (like a clean, dry paintbrush) to gently remove it.
- **Minor Scratches/Chips:** For minor cosmetic imperfections, touch-up paint matching the original colors may be used, though this is not officially recommended by the manufacturer. Proceed with caution.
- **Figurine Falls:** If the figurine falls and breaks, it may be possible to repair it using a strong adhesive suitable for resin. However, structural integrity and appearance may be compromised.

Specifications
