MAINTENANCE

Proper care will help maintain the appearance and extend the life of your Chrangmay vanity table.

- **Cleaning:** Wipe the surface with a **dry cloth**. Do not use wet cloths, harsh chemicals, or abrasive cleaners, as these can damage the finish (glossy PVC finish + high quality MDF).
- **Spills:** Immediately wipe any spills with a dry, soft cloth to prevent staining or damage.
- **Mirror Care:** For the mirror, use a soft, lint-free cloth and a non-ammonia glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to avoid liquid seeping into the edges.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the finish.
- **Temperature and Humidity:** Avoid extreme changes in temperature and humidity, which can cause wood to warp or crack.

TROUBLESHOOTING

This section addresses common issues you might encounter with your vanity table.

- **LED Mirror Lights Not Working:**

- **Drawers Sticking or Not Sliding Smoothly:**
