JORAIR TPP440F TPP440 TPP540 TPP640 Filter

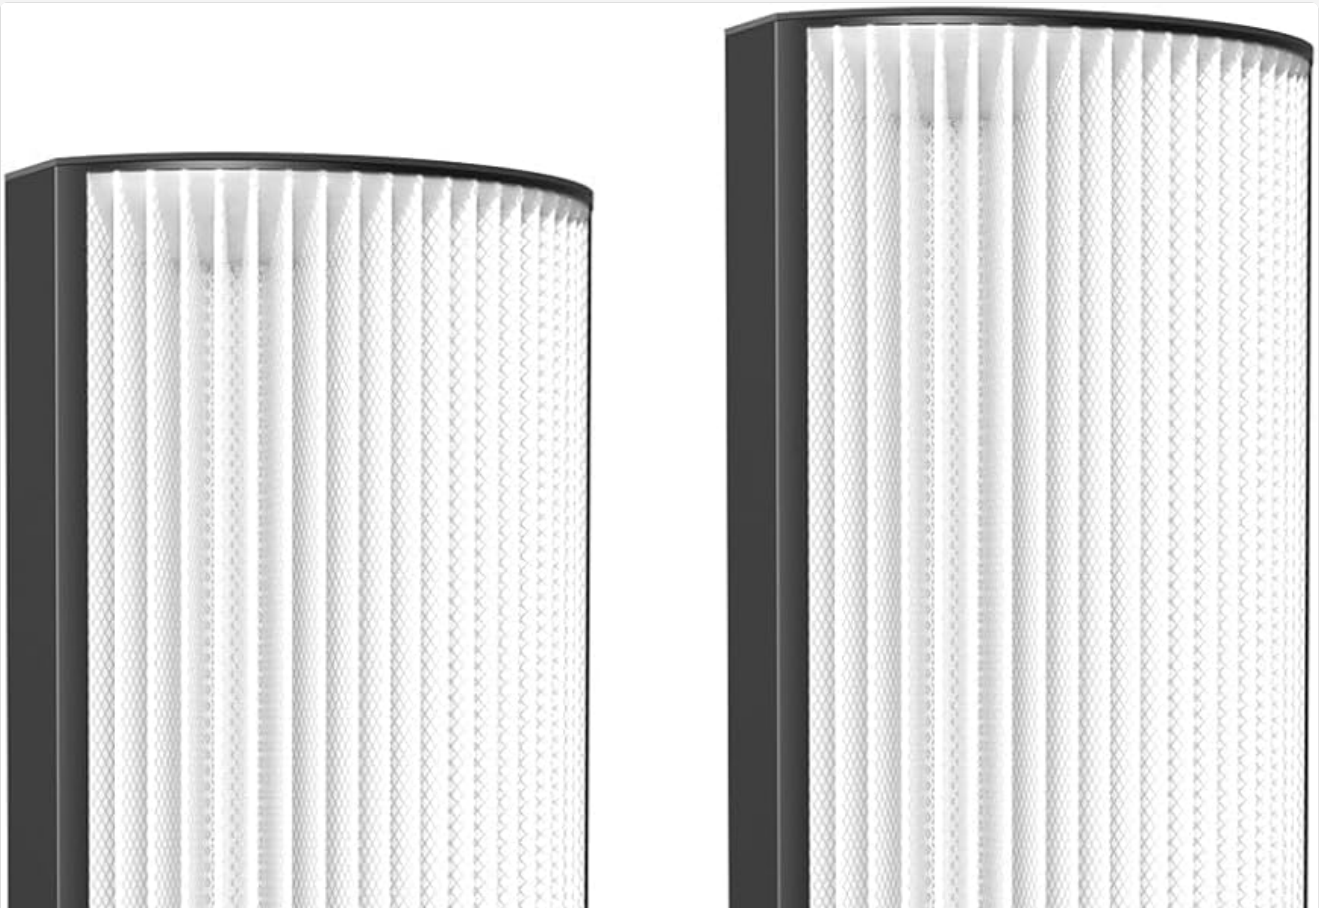

JORAIR HEPA Filter Replacement Manual

Model: TPP440F, TPP440, TPP540, TPP640, TPP640S Compatible Filter

Brand: JORAIR

1. PRODUCT OVERVIEW

This manual provides essential information for the installation, maintenance, and optimal use of your JORAIR HEPA Filter Replacement. Designed for compatibility with Envion Therapure Air Purifiers, this filter system is engineered to enhance your indoor air quality by capturing a wide range of airborne particles and odors.

2. COMPATIBILITY

The JORAIR HEPA Filter Replacement is specifically designed for full compatibility with the following Envion Therapure Air Purifier models:

- Envion Therapure TPP440
- Envion Therapure TPP540
- Envion Therapure TPP640
- Envion Therapure TPP640S

Important: This filter is NOT compatible with Envion Therapure TPP240 models. Please verify your air purifier model number before installation to ensure correct fit and performance.

3. PRODUCT FEATURES

The JORAIR HEPA Filter Replacement features a high-efficiency 4-in-1 filtration system designed to capture a broad spectrum of airborne contaminants:

- **Ultra-fine Pre-Filter:** Captures larger particles such as dust, hairs, pet fur, and lint, extending the lifespan of subsequent filters.
- **HEPA Filter:** Traps up to 99.97% of airborne particles as small as 0.3 microns, including dust, pet dander, and pollen.
- **Activated Carbon Filter:** Effectively absorbs unwanted odors, fumes, smoke, and cooking smells, as well as pet odors, improving overall air freshness.
- **Bracket Layer:** Provides structural support for the filter system.

This multi-stage filtration works synergistically to provide cleaner, fresher air, making it ideal for households with pets, smokers, or those living in urban environments.

TPP440F Replacement Filter Details

The folded HEPA filter increases the surface area and allows for more efficient particle capture while maintaining good airflow through the filter.

4. SETUP AND INSTALLATION

To ensure optimal performance, follow these general steps for replacing the filter in your Envion Therapure Air Purifier. For specific instructions, always refer to your air purifier's original user manual.

1. **Power Off:** Unplug your Envion Therapure Air Purifier from the power outlet before beginning any maintenance.
2. **Access Filter Compartment:** Locate and open the filter compartment cover on your air purifier. This usually involves unlatching or unscrewing a panel.
3. **Remove Old Filter:** Carefully remove the used filter. It may be dusty, so handle it over a waste bin.
4. **Install New Filter:** Insert the new JORAIR HEPA Filter Replacement into the compartment, ensuring it is oriented correctly according to your air purifier's design. The filter should fit snugly.
5. **Close Compartment:** Securely close the filter compartment cover.
6. **Power On:** Plug your air purifier back into the power outlet.
7. **Reset Filter Indicator (if applicable):** If your air purifier has a filter replacement indicator light, follow your air

purifier's manual to reset it.

5. OPERATING PRINCIPLES

Once installed, the JORAIR HEPA Filter Replacement works seamlessly with your Envion Therapure Air Purifier to continuously clean the air in your environment. Air is drawn into the purifier, passes through the multi-stage filtration system, and then clean air is released back into the room. The filter's design ensures efficient airflow while maximizing particle and odor capture.

Image: An illustration demonstrating the versatility of the JORAIR filters for use in different areas of a home or office, promoting clean air throughout.

6. MAINTENANCE

Regular filter replacement is crucial for maintaining the efficiency and effectiveness of your air purifier. An old, clogged filter can significantly reduce your air purifier's performance and air quality output.

- **Replacement Schedule:** It is recommended to replace the JORAIR HEPA Filter every 6 months under normal operating conditions. This timeframe may vary depending on air quality, usage frequency, and the presence of pets or smokers.
- **Disposal:** Dispose of used filters according to local waste disposal guidelines.

New → **After 6 Months**

Excellent Performance

Each filter can be used for 6 months to help you improve your quality of life and enjoy fresh air, please replace it regularly to achieve optimal performance.

Image: A visual comparison highlighting the difference between a new filter and one used for six months, demonstrating the importance of timely replacement.

7. TROUBLESHOOTING

If you experience issues after replacing your filter, consider the following common points:

- **Reduced Airflow:** Ensure the filter is installed correctly and the compartment cover is fully closed. Check if the filter is genuinely new; an old filter will restrict airflow.
- **Persistent Odors:** While the activated carbon filter is highly effective, very strong or unusual odors might indicate a need for more frequent filter changes or an external source of odor.
- **Filter Indicator Light:** If the filter replacement indicator light remains on after installation, refer to your air purifier's manual for specific instructions on how to reset it. This often involves pressing and holding a button for a few seconds.
- **General Performance Issues:** If the air purifier itself is not functioning correctly, consult its original manual or contact the air purifier manufacturer for support.

8. SPECIFICATIONS

Attribute	Detail
Brand	JORAIR
Model Number (Part Number)	TPP440F, TPP440, TPP540, TPP640 Filter
Item Weight	1.4 pounds
Product Dimensions	17.5 x 5.28 x 2.8 inches (17.5"L x 5.28"W x 2.8"Th)
Color	TPP640 Filter- 2 Pack
Compatible Devices	Therapure Air Purifier TPP640S, TPP440, TPP540, TPP640
Material Type	(1) Pre-Filter (2) HEPA Filter (3) Activated Carbon Filter (4) Net Filter
Included Components	2 Pack Filters
Unit Count	2.0 Count
Date First Available	September 9, 2023

9. CUSTOMER SUPPORT

JORAIR values customer service and satisfaction. If you encounter any issues with the filter fitting your Envion Therapure air purifier or have any questions regarding its performance, please do not hesitate to contact our customer support team. Our after-sales team is committed to providing satisfactory service to every customer. For assistance, please refer to the contact information provided with your purchase or visit the JORAIR official store on Amazon.

Note: This product is a replacement filter and does not come with a separate warranty from the air purifier itself. Our commitment is to ensure the filter meets quality and compatibility standards upon arrival.
