SAFETY INFORMATION

To ensure the safety of your pets and household, adhere to the following guidelines:

- **Anti-Tipping Device:** Always secure the cat tree to a wall using the provided anti-tipping device. This prevents accidental tipping, especially during vigorous play.
- **Stable Placement:** Place the cat tree on a flat, stable surface. The wide base with non-slip pads is designed for stability, but proper placement is crucial.

- **Curved Corners:** The cat tree features curved corners to minimize the risk of injury to both pets and humans.
- **Regular Inspection:** Periodically check all connections and components to ensure they are secure and undamaged. Tighten any loose screws.

ASSEMBLY INSTRUCTIONS

Your PETSITE Tall Cat Tree requires assembly. Please follow the detailed instructions provided in the separate assembly manual included with your product. Ensure all parts are accounted for before beginning assembly. Each component is typically labeled to facilitate the process. It is recommended to assemble the unit on a soft, clean surface to prevent damage.

For optimal stability, ensure all screws are tightened securely, but do not overtighten. Once assembled, attach the anti-tipping device to a wall stud or appropriate anchor point as described in the safety section.

OPERATING INSTRUCTIONS

The PETSITE Tall Cat Tree is designed as an interactive environment for your indoor cats. Encourage your cats to explore the various levels, use the scratching posts, and relax in the plush perches or cozy condo. Cats typically adapt

quickly to new structures, but some may require gentle encouragement, such as placing treats or familiar toys on different levels.

- **Climbing and Exploration:** The multi-level design allows cats to climb, jump, and explore, satisfying their natural curiosity and providing exercise.
- **Scratching:** Direct your cat to the sisal scratching posts to encourage healthy scratching habits and protect household furniture.
- **Resting:** The plush perches and condo offer comfortable spots for napping and observing their surroundings from a safe height.
- **Grooming:** The EVA massage comb provides a convenient surface for cats to rub against and groom themselves.

MAINTENANCE AND CARE

Regular maintenance will extend the lifespan of your cat tree and ensure a hygienic environment for your pets:

- **Cushion Cleaning:** The removable plush cushions are designed for easy cleaning. They should be hand washed with cold water and air dried.
- **Surface Cleaning:** Wipe down wooden surfaces with a damp cloth as needed. Avoid harsh chemicals that could be harmful to pets.
- **Sisal Posts:** Inspect sisal scratching posts for wear and tear. While durable, heavily used posts may eventually need replacement.
- **Vacuuming:** Regularly vacuum the plush areas to remove loose fur and debris.

TROUBLESHOOTING

If you encounter any issues with your PETSITE Tall Cat Tree, consider the following:

- **Instability:** Ensure all screws are tightly fastened. Verify the anti-tipping device is correctly installed and secured to a wall. Check that the cat tree is placed on a level surface.
- **Cats Not Using It:** Place familiar toys, treats, or catnip on different levels to encourage exploration. Allow time for your cat to adjust to the new structure.
- **Damaged Parts:** If any part becomes damaged or worn, discontinue use and contact PETSITE customer support for assistance or replacement parts.
