## Vogue Eyewear VO 2606 S

# Vogue VO 2606 S 307113 Sunglasses User Manual

Model: VO 2606 S | Brand: Vogue Eyewear

## 1. INTRODUCTION

---

This manual provides essential information for the proper use, care, and maintenance of your Vogue VO 2606 S 307113 Sunglasses. Please read these instructions carefully to ensure optimal performance and longevity of your eyewear.

## 2. PRODUCT OVERVIEW

---

The Vogue VO 2606 S 307113 sunglasses feature a stylish design with a Brown Horn frame and Clear Gradient Brow lenses. These sunglasses are designed for everyday wear and outdoor activities, offering both aesthetic appeal and functional eye protection.

## 3. INITIAL USE AND FIT

---

Upon receiving your sunglasses, carefully remove them from their packaging. The sunglasses are designed to fit comfortably. If minor adjustments are needed for a more secure or comfortable fit, it is recommended to visit a professional optician. Avoid attempting to bend the frame or temples yourself, as this may cause damage.

## 4. WEARING INSTRUCTIONS

---

To wear your sunglasses:

1. Gently unfold the temples (arms) of the sunglasses.
2. Place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples extend over your ears.
3. Adjust slightly for optimal vision and comfort.

When not in use, fold the temples inward and store the sunglasses in their protective case.

## 5. MAINTENANCE AND CARE

---

Proper care will extend the life and maintain the appearance of your Vogue sunglasses:

- **Cleaning:** Clean the lenses and frames with a soft, dry, lint-free cloth. For stubborn smudges, use a specialized eyewear cleaning solution and a clean microfiber cloth. Avoid using abrasive cleaners, paper towels, or clothing, as these can scratch the lenses.
- **Storage:** Always store your sunglasses in their protective case when not in use. This prevents scratches and damage from accidental drops or pressure.
- **Temperature Exposure:** Avoid exposing your sunglasses to high temperatures, such as leaving them on a car dashboard in direct sunlight. Extreme heat can warp the frame and damage lens coatings.
- **Chemicals:** Keep sunglasses away from harsh chemicals, solvents, and cosmetics, which can damage the frame material and lens coatings.

## 6. TROUBLESHOOTING

---

Most issues with sunglasses are related to cleanliness or minor fit adjustments.

- **Smudged Lenses:** Refer to the cleaning instructions in Section 5. Ensure you are using a clean, soft cloth and appropriate cleaning solution.
- **Loose Screws:** If a screw on the hinge becomes loose, it can often be tightened gently with a small eyewear screwdriver. Avoid overtightening. If unsure, consult an optician.
- **Discomfort:** If the sunglasses feel uncomfortable or misaligned, it is best to seek assistance from a professional optician for proper adjustment.
