Adjustments:

- **Headrest (FushionMax™):** Adjust tilt, height, and tension for personalized neck support. The headrest offers a curved surface for upright sitting and a flat surface for reclining.
- **Lumbar Support (FlexiLumbar™):** Adjust tension and backrest height for enhanced posture and reduced back pain. Features 3D lumbar technology.
- **Armrests (Flip5D™):** Adjust height, width, pivot (20°), and depth. Can be flipped up 90° for space-saving or to accommodate different activities.
- **Seat Depth:** Use the lever under the seat to adjust the seat forward or backward to ensure proper leg support and comfort.
- **Seat Height:** Use the lever under the seat to raise or lower the chair to your desired height.
- **Recline Angle (FineTilt™):** Adjust the recline angle and tension for various postures, up to 136°.
- **Foot Rest:** Extend the retractable leg rest for relaxation. It can be folded away when not in use.

TROUBLESHOOTING

If you encounter any issues with your HINOMI H1 Pro V2 chair, refer to the common problems and solutions below:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Chair does not adjust height.	Gas lift malfunction or lever not fully engaged.	Ensure the height adjustment lever is fully pulled up or pushed down. If the issue persists, the gas lift may need replacement.
Armrests slip or do not hold position.	Locking mechanism not engaged or worn components.	Verify the armrest locking mechanism is fully engaged. If components are worn, contact customer support for replacements.
Lumbar support does not stay in place.	Adjustment mechanism loose or damaged.	Check the lumbar adjustment controls. If the mechanism is damaged, contact customer support.
Chair makes squeaking noises.	Loose bolts or friction between components.	Tighten all visible bolts. Apply a small amount of silicone lubricant to moving parts if necessary.

For issues not listed here or if troubleshooting steps do not resolve the problem, please contact HINOMI customer support.
