AODSK B83, UAP-10

AODSK 88 Key Weighted Action Digital Piano B83 and UAP-10 Iron Piano Bench User Manual

INTRODUCTION

This manual provides essential information for the setup, operation, and maintenance of your AODSK 88 Key Weighted Action Digital Piano (Model B83) and accompanying Iron Piano Bench (Model UAP-10). Please read these instructions carefully to ensure proper use and longevity of your product.
The AODSK Digital Piano features 88 fully weighted keys, a three-pedal design, and a stereo system with external audio/headphone support. The bundle includes the digital piano and a black glossy leather iron piano bench.

Assembly Instructions

The piano and bench require minimal assembly. The bench can be assembled by connecting the legs using the provided toolkit. For the digital piano, follow the detailed diagrams in the included user manual to attach the stand components and pedal unit securely.

For a visual guide on the assembly process, please refer to the video below:

Video 1: AODSK Digital Piano Unboxing and Assembly Guide. This video demonstrates the step-by-step process of unboxing and assembling the AODSK 88 Key Weighted Hammer Action Digital Piano, including attaching the stand and connecting the pedals.

OPERATING INSTRUCTIONS

Control Panel Overview

The control panel, located on the left side of the keyboard, allows you to manage various functions:

- **Power Button:** Turns the piano on/off.
- **Volume Control:** Adjusts the overall sound output.

- **Tone Selection:** Choose from 128 built-in tones.
- **Rhythm Selection:** Select from various rhythm patterns.
- **Demo Songs:** Play pre-recorded demonstration songs (88 available).
- **Record/Playback:** Record your performances and play them back.
- **Split/Double Voice:** Enable keyboard split or layer two voices.
- **Effect:** Apply various sound effects.
- **Touch:** Adjust key touch sensitivity.

Connectivity

The piano offers multiple connectivity options:

- **USB MIDI:** Connect to a computer or smart device for MIDI functionality.
- **Audio Output:** Connect to external speakers or an amplifier.
- **3.5mm Headphone Jacks (x2):** For private practice without disturbing others.
- **Sustain Pedal Input:** Connect the included three-pedal unit.

HEADPHONE MODE

Plug in the headphones, you can immerse yourself in the music world, practice the piano quietly, and don't have to worry about the complaints of the neighbors.

MAINTENANCE

Cleaning

The piano and bench feature durable synthetic leather and wood finishes that are easy to clean. Use a soft, damp cloth to wipe down surfaces. Avoid harsh chemicals or abrasive cleaners that may damage the finish.

General Care

- Keep the instrument away from direct sunlight, heat sources, and excessive humidity.
- Avoid placing heavy objects on the keyboard or bench.
- Ensure all connections are secure before use.

TROUBLESHOOTING

- **No Sound:** Check power connection, volume levels, and headphone connections. Ensure external speakers/headphones are properly connected if used.
- **Keys Not Responding:** Verify the power is on and the piano is not in a demo or specific mode that disables manual play.
- **Unstable Piano/Bench:** Ensure all assembly screws are tightened. Refer to the assembly section for guidance.
