

## EAFC VC012

# EAFC VC012 Portable Cordless Car Vacuum and Hand Blower Instruction Manual

Model: VC012

## 1. INTRODUCTION

Thank you for choosing the EAFC VC012 Portable Cordless Car Vacuum and Hand Blower. This versatile 2-in-1 device is designed for efficient cleaning in various environments, including your car, home, pet areas, and office. Its compact size, powerful suction, and convenient features make it an ideal tool for maintaining cleanliness.

Please read this manual thoroughly before using the product to ensure safe and optimal operation. Keep this manual for future reference.

## 2. WHAT'S IN THE BOX

Carefully unpack all components and check for any damage. Ensure all items listed below are present:

- 1 x EAFC VC012 Portable Cordless Car Vacuum and Hand Blower Unit
- 1 x Blowing Nozzle
- 1 x Brush Flat Nozzle
- 1 x Type-C Charging Cable
- 1 x Small Brush (for cleaning)
- 1 x User Manual

**Can be given as a gift to your significant other**

### **3. PRODUCT FEATURES**

- **2-in-1 Functionality:** Functions as both a powerful vacuum cleaner and a hand blower.
- **Dual Suction Modes:** Offers two adjustable suction power levels for different cleaning needs (9000Pa and 13000Pa).
- **High Suction Power:** Up to 14000PA for effective debris removal.
- **Integrated LED Light:** Provides illumination for cleaning in dark or hard-to-reach areas.
- **Low Noise Operation:** Engineered for quiet performance, with a noise level of 80 Decibels.
- **Cordless and Portable:** Lightweight (1.48 pounds) and compact (11.02 x 4.52 x 3.14 inches) for easy handling and storage.
- **Rechargeable Battery:** Powered by a Lithium-Ion battery with a 3.5-hour charging time and approximately 35 minutes of battery life.
- **Easy Dust Emptying:** Designed for quick and hygienic disposal of collected debris.

# Two-speed wind speed adjustment

First level suction power: 9000Pa

Second gear suction: 13000Pa

## 4. SETUP

### 4.1 Attaching Accessories

1. Select the appropriate nozzle for your cleaning task (Blowing Nozzle or Brush Flat Nozzle).
2. Align the chosen nozzle with the intake or exhaust port of the main unit.
3. Twist or push the nozzle firmly until it clicks into place, ensuring a secure connection.

### 4.2 Initial Charge

Before first use, fully charge the device. Refer to the 'Charging' section for detailed instructions.

## 5. OPERATING INSTRUCTIONS

## 5.1 Power On/Off

Press and hold the power button (located on the main unit) for 2-3 seconds to turn the device on or off.

## 5.2 Vacuum Mode

1. Ensure the desired nozzle is securely attached to the vacuum intake port.
2. Press the power button once to activate the first suction level (9000Pa).
3. Press the power button a second time to switch to the second, stronger suction level (13000Pa).
4. Move the vacuum over the area to be cleaned, allowing it to pick up dust and debris.
5. Press the power button a third time to turn off the vacuum.

## 5.3 Blower Mode

1. Attach the Blowing Nozzle to the exhaust port of the main unit.
2. Turn on the device using the power button.
3. Direct the airflow towards the area where you want to blow away dust or debris.
4. To inflate items, attach the appropriate inflation adapter (if included) to the blowing nozzle and insert it into the item's valve.

#### **5.4 LED Light Operation**

The integrated LED light can be activated independently or simultaneously with the vacuum/blower function. Consult the user manual for specific button presses to control the LED light.

## **6. CHARGING**

The EAFC VC012 is equipped with a rechargeable Lithium-Ion battery. The device features a Type-C charging port for convenient charging.

1. Locate the Type-C charging port on the device.
2. Connect the provided Type-C charging cable to the device.
3. Plug the other end of the USB cable into a compatible USB power source (e.g., car charger, power bank, computer, or power adapter).
4. The LED display on the device will indicate the charging status. A full charge typically takes approximately 3.5 hours.
5. Disconnect the charger once the device is fully charged to preserve battery life.

# Convenient type-c charging

Charging anytime and anywhere

(Not included charger)

## 7. MAINTENANCE

### 7.1 Emptying the Dust Cup

To maintain optimal suction and hygiene, empty the dust cup regularly.

1. Ensure the vacuum is turned off.
2. Locate the dust cup release button or mechanism.
3. Press the button and gently twist or pull to detach the dust cup from the main unit.
4. Open the dust cup lid and empty the collected debris into a trash receptacle.
5. Close the dust cup lid and reattach the dust cup to the main unit, ensuring it clicks securely into place.

# One click to empty dust

Buckle lock press to pour

## 7.2 Cleaning the Filter

The filter should be cleaned periodically to prevent clogging and maintain suction efficiency.

1. After emptying the dust cup, separate the filter from the dust cup assembly.
2. Gently tap the filter to dislodge any loose dust.
3. Rinse the filter under running water until clean. Do not use harsh detergents.
4. Allow the filter to air dry completely before reassembling. Ensure it is completely dry to prevent damage to the motor.
5. Reassemble the filter into the dust cup and then reattach the dust cup to the main unit.

Image: A visual guide showing the disassembly steps for cleaning the filter and dust cup, including rinsing the filter under water.

## 8. TROUBLESHOOTING

If you encounter any issues with your EAFC VC012, please refer to the following common troubleshooting steps:

- **No Power:** Ensure the device is fully charged. Check the charging cable and adapter for proper connection.
- **Weak Suction:** Empty the dust cup and clean the filter. Check for any blockages in the nozzles or intake port.
- **Device Not Turning On:** Press and hold the power button for 2-3 seconds. If the battery is completely drained, it may take a few minutes of charging before the device responds.
- **Unusual Noise:** Turn off the device immediately. Check for any foreign objects lodged in the fan or motor area.

If the problem persists after following these steps, please contact customer support for assistance.

## 9. SPECIFICATIONS

Feature	Specification
Brand	EAFC
Model Number	VC012
Product Dimensions	11.02 x 4.52 x 3.14 inches
Item Weight	1.48 pounds
Suction Power	Up to 14000PA (2 modes: 9000Pa, 13000Pa)
Special Feature	Portable, LED Light, Low Noise, Hand Blower
Power Source	Cordless, Battery Powered
Battery Type	Lithium-Ion
Charging Time	3.5 Hours
Battery Life	35 minutes
Noise Level	80 Decibels
Included Components	Vacuum, Hand Blower, Nozzles, Charging Cable
Recommended Uses	Car, Home, Office
