Initial Charging

Before first use, fully charge your Twins Core earbuds and charging case. Connect the provided USB-C cable to the charging case and plug the other end into a USB power source (e.g., wall adapter, computer USB port). The LED indicator on the case will show charging status.

Pairing with Your Device

1. Ensure the earbuds are in the charging case and the case has power.
2. Open the charging case lid. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, laptop), go to Bluetooth settings.
4. Select "Fresh 'n Rebel Twins Core" from the list of available devices.

5. Once connected, you will hear an audible confirmation, and the earbuds' LED indicators will change.

The Twins Core features Dual Master connectivity, allowing each earbud to connect independently for a stable Bluetooth connection.

OPERATING INSTRUCTIONS

Touch Controls

The Twins Core earbuds feature intuitive touch controls for easy management of music and calls.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold on either earbud.
- **Activate Voice Assistant:** Triple tap on either earbud.

Voice Assistant Integration

Seamlessly integrate with your device's voice assistant (e.g., Siri, Google Assistant) for hands-free control.

To charge the earbuds, simply place them back into the charging case. The case will automatically begin charging them. To charge the case, use the provided USB-C cable.

MAINTENANCE

Cleaning

Regular cleaning helps maintain sound quality and hygiene. Use a soft, dry, lint-free cloth to wipe the earbuds and charging case. Do not use abrasive cleaners, alcohol, or chemical sprays. Avoid getting moisture in any openings.

Storage

When not in use, store your Twins Core earbuds in their charging case to protect them and keep them charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

Battery Care

To prolong battery life, avoid fully discharging the earbuds and case frequently. Charge them regularly, even if not used for extended periods.
