BoxWave FineTouch Capacitive Stylus

BoxWave FineTouch Capacitive Stylus User Manual

MODEL: FINETOUCH CAPACITIVE STYLUS

Compatible with Teclast T40

INTRODUCTION

This manual provides instructions for the BoxWave FineTouch Capacitive Stylus, designed for use with the Teclast T40 and other compatible capacitive touch screens. This stylus offers precise input for writing, drawing, and navigation without requiring Bluetooth pairing.

SETUP

The BoxWave FineTouch Capacitive Stylus requires no complex setup. Simply remove the protective cap from the tip and begin using it directly on your device's screen. No Bluetooth pairing or battery installation is necessary.

OPERATING INSTRUCTIONS

To use the stylus, gently touch the clear disc tip to your device's screen. The innovative clear tip allows you to see exactly where your input is being registered, enhancing precision for detailed tasks like drawing or fine writing. The stylus functions by simulating a finger touch,

making it compatible with any app that responds to touch input.

The integrated metal clip allows for convenient attachment to clothing or cases, ensuring your stylus is always accessible.

Note: This stylus does not support palm rejection or pressure sensitivity. These features are dependent on the device and application being used.

MAINTENANCE

To ensure optimal performance and longevity of your stylus, keep the clear disc tip clean and free from debris. When not in use, always replace the threaded cap to protect the tip from damage. Avoid applying excessive force to the tip, as this may cause damage.

TROUBLESHOOTING

- **Stylus not responding:** Ensure the device screen is clean and free of smudges or dust.
- **Inaccurate input:** Verify the clear disc tip is intact and not damaged. A damaged tip may affect precision.
- **Intermittent response:** Restart your device to resolve any temporary software issues.
- **No functionality:** Confirm your device has a capacitive touch screen. This stylus is not compatible with resistive touch screens.

SPECIFICATIONS
