PKPOWER 12V AC Adapter for OttLite Wellness B22FS W22FS Qi Wireless LED Desk Table Lamp

PKPOWER 12V AC Adapter User Manual

Model: 12V AC Adapter for OttLite Wellness B22FS W22FS Qi Wireless LED Desk Table Lamp

Introduction

This manual provides essential information for the safe and effective use of your PKPOWER 12V AC Adapter. This adapter is designed to provide reliable power to compatible devices, specifically OttLite Wellness B22FS, W22FS Qi Wireless LED Desk Table Lamps. Please read this manual thoroughly before use and retain it for future reference.

Product Overview

The PKPOWER 12V AC Adapter is a compact and efficient power supply unit. It converts standard AC wall power (100-240V) to a stable 12V DC output, suitable for various electronic devices, particularly the specified OttLite lamps. It is designed with safety features including Over Voltage Protection (OVP), Over Current Protection (OCP), and Short Circuit Protection (SCP).

Setup

1. **Verify Compatibility:** Ensure your device requires a 12V DC input and has a compatible power input port. This adapter is specifically designed for OttLite Wellness B22FS and W22FS Qi Wireless LED Desk Table Lamps.

2. **Connect to Device:** Insert the output connector of the PKPOWER 12V AC Adapter firmly into the power input port of your OttLite lamp.
3. **Connect to Power Outlet:** Plug the AC adapter into a standard 100-240V wall power outlet.
4. **Power On:** Once connected, your device should receive power. Refer to your device's manual for specific power-on procedures.

Operating Instructions

The PKPOWER 12V AC Adapter operates automatically once connected to a power source and a compatible device. It provides continuous power as long as it is plugged in. No user interaction is required for its operation beyond initial connection.

- **Input Voltage:** The adapter accepts a wide range of input voltages from 100V to 240V AC, making it suitable for international use with appropriate plug adapters (not included).
- **Output:** It provides a stable 12V DC output, ensuring consistent power delivery to your device.

Maintenance

Proper maintenance ensures the longevity and safe operation of your AC adapter.

- **Cleaning:** Disconnect the adapter from the power outlet and the device before cleaning. Use a soft, dry cloth to wipe the surface. Do not use liquid cleaners or abrasive materials.
- **Storage:** When not in use, store the adapter in a cool, dry place away from direct sunlight and extreme temperatures. Avoid tightly coiling the cable to prevent damage.
- **Handling:** Do not drop, disassemble, or attempt to repair the adapter. Avoid exposing it to water or high humidity.

Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Device not powering on.	• Adapter not properly plugged into outlet. • Adapter not properly connected to device. • Power outlet is not active. • Device malfunction.	• Ensure adapter is fully inserted into the wall outlet. • Ensure the output connector is securely plugged into the device. • Test the outlet with another working appliance. • Test the adapter with another compatible device, if available. If the adapter works with another device, the issue may be with your lamp.
Adapter feels warm.	Normal operation, especially under load.	A slight warmth is normal. If the adapter becomes excessively hot or emits a burning smell, immediately unplug it and discontinue use. Contact customer support.
Intermittent power to device.	Loose connection or damaged cable/adapter.	• Check all connections for tightness. • Inspect the cable and adapter for any visible damage (frays, bends, cracks). If damaged, discontinue use and replace.

Specifications

Image: The PKPOWER 12V AC Adapter with key dimensions (length, width, height) indicated in inches.

Feature	Detail
Input Voltage	100-240V AC, 50-60Hz
Output Voltage	12 Volts
Product Dimensions	4 x 2 x 0.5 inches
Item Weight	4 ounces
Manufacturer	Shenzhen Sunshine Technological Co., Ltd
Country of Origin	China
Certifications	CE / FCC / RoHS certified
Protection Features	OVP (Over Voltage Protection), OCP (Over Current Protection), SCP (Short Circuit Protection)
Compatible Devices	OttLite Wellness B22FS W22FS Qi Wireless LED Desk Table Lamp

Warranty and Support

PKPOWER products are manufactured to high standards and undergo rigorous testing. For any issues or inquiries, please contact our customer service team.

How to Contact Us:

You can contact us directly through your Amazon account. Locate your order and click the "Problem with this order?" button. Then, select the "Contact Seller" button to send an email message. Our customer service team aims to respond within 24 hours to assist with any problems or replacement needs.

Your satisfaction is important to us, and we appreciate your patience and support.
