UGREEN Nexode 30W

UGREEN Nexode 30W USB C Charger Bundle Instruction Manual

Models: UGREEN Nexode 30W Robot GaN Charger, UGREEN Nexode 30W USB C Charger

1. Product Overview

The UGREEN Nexode 30W USB C Charger Bundle offers efficient and safe charging for a wide range of devices. This bundle includes two distinct 30W USB C chargers: the innovative Robot GaN charger with an interactive LED display and a compact standard 30W USB C charger. Both chargers utilize advanced GaN technology for high power output in a small form factor, ensuring fast and reliable charging for your smartphones, tablets, laptops, and other compatible electronics.

2. Package Contents

Please ensure all items are present upon unboxing:

- 1 x UGREEN Nexode 30W Robot GaN USB C Charger
- 1 x UGREEN Nexode 30W USB C Charger (Standard)

3. Product Features

3.1. Robot GaN Charger

- **Robot Design:** A unique robot-shaped design with a functional LED display.
- **30W Fast Charging:** Delivers up to 30W power for rapid charging of compatible devices.
- **LED Display:** The robot's face displays different expressions corresponding to charging states (standby, fast

charging, trickle charging/fully charged).

- **Removable Magnetic Shoes:** For easy storage and portability. Note: This product does not support magnetic wireless charging.
- **USB-C Port:** Single USB-C output for power delivery.

3.2. Standard 30W USB C Charger

- **Compact Design:** Approximately 40% smaller than other 30W chargers, enhancing portability.
- **Foldable Prongs:** For convenient storage and travel, preventing damage to the prongs.
- **30W Fast Charging:** Provides up to 30W power output for quick device charging.
- **USB-C Port:** Single USB-C output for power delivery.

3.3. Shared Features

- **GaNFast II Chip:** Professional GaNFast II chip for efficient power delivery.
- **Multiple Safety System:** Built-in short circuit protection, overload protection, over temperature protection, and

overvoltage protection.

- **Wide Compatibility:** Supports various fast charging protocols for earbuds, phones (iPhone 14 Pro Max, iPhone 14/13/12 series, Samsung Galaxy S20 and newer), tablets, and even MacBook Air.

Image 3.3: The UGREEN Nexode Robot GaN charger shown with various compatible devices including a smartphone, Nintendo Switch, iPad, and earbuds, illustrating wide compatibility.

4. Setup Instructions

1. **Unfold Prongs:** For the standard 30W charger, gently unfold the AC prongs until they lock into place. The Robot GaN charger has fixed prongs.
2. **Plug into Power Outlet:** Insert the charger firmly into a standard 120V AC power outlet.
3. **Connect USB-C Cable:** Insert one end of a compatible USB-C charging cable into the charger's USB-C port.
4. **Connect to Device:** Connect the other end of the USB-C cable to your device's charging port.

Image 4.1: A UGREEN Nexode 30W charger plugged into a wall outlet, charging a smartphone.

5. Operating Instructions

Once connected, the charger will automatically detect your device and begin charging. The Robot GaN charger provides visual feedback through its LED display.

5.1. LED Display Indicators (Robot GaN Charger)

The LED face on the Robot GaN charger indicates the current charging status:

- **Standby:** A neutral expression (e.g., two dots for eyes) indicates the charger is powered on but not actively charging a device.
- **Fast Charging:** A dynamic or happy expression (e.g., smiling face) indicates the device is undergoing fast charging.
- **Trickle Charging/Fully Charged:** A content or sleeping expression indicates the device is either trickle charging or has reached full charge.

6. Safety Information

Both UGREEN Nexode 30W chargers are equipped with multiple safety features to protect your devices and ensure safe operation:

- **Short Circuit Protection:** Prevents damage from electrical shorts.
- **Overload Protection:** Safeguards against excessive current draw.
- **Over Temperature Protection:** Monitors and regulates internal temperature to prevent overheating.
- **Overvoltage Protection:** Protects devices from voltage spikes.

To ensure optimal safety and performance:

- Do not expose the charger to liquids or extreme temperatures.
- Avoid dropping or subjecting the charger to strong impacts.
- Do not attempt to disassemble or modify the charger.
- Use only certified and compatible charging cables.

7. Maintenance

To maintain the longevity and performance of your UGREEN Nexode chargers:

- Keep the chargers clean and free from dust and debris. Use a soft, dry cloth for cleaning.
- Store the chargers in a cool, dry place when not in use.
- Avoid wrapping cables too tightly around the charger to prevent strain on the connectors.

8. Troubleshooting

8.1. Charger Not Working

- **Check Power Outlet:** Ensure the wall outlet is functioning correctly by testing it with another device.
- **Check Cable:** Try using a different USB-C cable to rule out a faulty cable.
- **Check Connection:** Ensure the charger is firmly plugged into the wall outlet and the cable is securely connected to both the charger and your device.

8.2. Slow Charging

- **Device Compatibility:** Verify that your device supports 30W fast charging. Some devices may have limitations.
- **Cable Quality:** Ensure you are using a high-quality USB-C cable that supports fast charging protocols.
- **Background Apps:** Close any power-intensive applications running in the background on your device.

9. Specifications

Feature	Detail
Brand	UGREEN
Model	Nexode 30W (Robot GaN & Standard)
ASIN	B0CHW8JLTD
Wattage	30 watts (each charger)
Total USB Ports	1 (each charger, USB-C)
Input Voltage	120 Volts
Amperage	6 Amps
Special Features	Fast Charging, Short Circuit Protection, Overload Protection, Over Temperature Protection, Overvoltage Protection
Compatible Devices	Smartphones, Tablets, Laptops (e.g., iPhone 14 Pro Max, iPhone 14/13/12 series, Samsung Galaxy S20 and newer, MacBook Air)

10. Warranty and Support

UGREEN products come with a standard manufacturer's warranty. For detailed warranty information, product support, or technical assistance, please visit the official UGREEN website or contact their customer service directly. Keep your purchase receipt for warranty claims.
