

Apple MT0H3AM/A

Apple Watch Magnetic Fast Charger to USB-C Cable (1 m)

Model: MT0H3AM/A

1. INTRODUCTION

This manual provides essential information for the proper use and care of your Apple Watch Magnetic Fast Charger to USB-C Cable (1 m). This cable is designed to provide efficient charging for your Apple Watch, featuring a magnetic connector for easy attachment and a USB-C connector for power delivery. Please read these instructions thoroughly before use.

2. PACKAGE CONTENTS

- 1x Apple Watch Magnetic Fast Charger to USB-C Cable (1 m)

3. PRODUCT OVERVIEW

The Apple Watch Magnetic Fast Charger to USB-C Cable consists of a magnetic charging puck and a USB-C connector, connected by a durable 1-meter woven cable.

Figure 3.1: Overview of the Apple Watch Magnetic Fast Charger to USB-C Cable. The image displays the entire 1-meter white woven cable, coiled, with the circular magnetic charging puck at one end and the rectangular USB-C connector at the other.

3.1 Magnetic Charging Puck

This circular component contains the inductive charging coil and magnets that align with your Apple Watch for charging.

Figure 3.2: Top view of the magnetic charging puck. This image shows the white, smooth surface of the circular magnetic charging component, designed to attach to the back of the Apple Watch.

3.2 USB-C Connector

The reversible USB-C connector plugs into a compatible power adapter or device to supply power to the charger.

Figure 3.3: Close-up of the USB-C connector. This image highlights the rectangular, reversible USB-C plug, which connects to a power source.

4. SETUP

1. **Connect to Power Source:** Insert the USB-C connector of the charging cable into a compatible USB-C power adapter (sold separately) or a USB-C port on a computer. Ensure the power adapter is plugged into a functional wall outlet.
2. **Prepare Apple Watch:** Place your Apple Watch on a flat, stable surface.

5. OPERATING INSTRUCTIONS

5.1 Charging Your Apple Watch

1. Gently bring the magnetic charging puck to the back of your Apple Watch. The magnets will automatically

align the puck and snap it into place.

2. Once connected, a charging indicator will appear on your Apple Watch screen.
3. For optimal charging, ensure the charging puck is securely attached and the watch is not disturbed during the charging process.

5.2 Fast Charging Compatibility

- This cable supports fast charging for Apple Watch Series 7 and later models, as well as all Apple Watch Ultra models.
- For all other Apple Watch models, the cable will provide standard charging speeds.
- Fast charging requires a compatible USB-C power adapter (e.g., Apple 18W, 20W, 29W, 30W, 61W, 87W, or 96W USB-C Power Adapter, or a third-party USB-C power adapter that supports USB Power Delivery (USB-PD) of 5W or greater).

6. CARE AND MAINTENANCE

- **Cleaning:** Disconnect the charger from the power source before cleaning. Use a soft, dry, lint-free cloth to wipe the cable and magnetic puck. Avoid using abrasive cleaners, solvents, or aerosol sprays.
- **Storage:** Store the cable in a cool, dry place away from direct sunlight and extreme temperatures. Avoid tightly coiling or bending the cable at sharp angles to prevent damage.
- **Handling:** The cable features a durable woven design. However, avoid excessive pulling, twisting, or stretching of the cable, especially near the connectors.

7. TROUBLESHOOTING

- **Watch Not Charging:**
 - Ensure the USB-C connector is fully inserted into a working power adapter or USB-C port.
 - Verify the power adapter is plugged into a live electrical outlet.
 - Check that the magnetic charging puck is properly aligned and securely attached to the back of your Apple Watch.
 - Try using a different USB-C power adapter or USB-C port.
 - Restart your Apple Watch.
- **Slow Charging:**
 - Confirm your Apple Watch model supports fast charging (Series 7 and later, or Ultra models).
 - Ensure you are using a compatible USB-C power adapter that supports USB Power Delivery (USB-PD) of 5W or greater.
 - Close any power-intensive apps on your Apple Watch.
- **Cable Damage:** If the cable or connectors appear damaged, discontinue use and replace the product.

8. SPECIFICATIONS

Feature	Detail
Brand	Apple
Model Name	Apple Watch Charger

Feature	Detail
Item Model Number	MT0H3AM/A
Connector Type	USB Type C
Cable Type	USB-C
Cable Length	1 meter (3.2 feet)
Compatible Devices (Charging)	All Apple Watch models
Special Features	Fast Charging, Magnetic, Tangle Free
Color	White
Item Weight	1.76 ounces
Product Dimensions	4.03 x 3.35 x 0.55 inches
UPC	194253939184

9. SAFETY INFORMATION

- Do not expose the cable to liquids, moisture, or extreme temperatures.
- Avoid dropping or subjecting the cable to severe impacts.
- Do not attempt to disassemble or modify the cable.
- Keep out of reach of children.
- Use only with compatible Apple Watch models and certified USB-C power adapters.

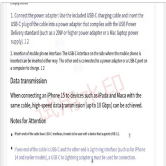

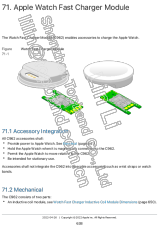

10. WARRANTY AND SUPPORT

This product is covered by Apple's standard limited warranty. For detailed warranty information, technical support, or service, please visit the official Apple Support website or contact Apple customer service. Proof of purchase may be required.
