3. SETUP

3.1 Charging the Earbuds and Case

The Ltinist BX27 earbuds and charging case provide up to 75 hours of total listening time. Each earbud offers up to 15 hours on a single charge. The charging case features a dual LED digital display that shows the remaining power of the case and the charging status of each earbud. Connect the included Type-C cable to the charging port on the case and a power source to charge.

3.2 Pairing with Your Device

The BX27 earbuds utilize advanced Bluetooth 5.4 technology for a fast and stable connection. After the initial pairing, the earbuds will automatically connect to your last paired device when removed from the charging case.

1. Ensure your device's Bluetooth is turned on.
2. Open the charging case and take out the earbuds. They will automatically enter pairing mode.
3. On your device, search for "BX27" in the Bluetooth settings and select it to connect.

3.3 Wearing the Earbuds

Designed with flexible and soft ear hooks, the BX27 earbuds provide a secure and comfortable fit, ideal for movement during exercise. Three sizes of ear tips (S/M/L) are included to ensure customized comfort and optimal sound isolation.

- 1. Choose the suitable ear tips and install them on the earbuds.
- 2. Put the earhook over your ear and insert the eartip into your ear canal.
- 3. Adjust the earhook to make it secure and comfortable.

5. MAINTENANCE

5.1 Waterproofing

The Ltinist BX27 earbuds have an IP7 waterproof rating, making them resistant to sweat, rain, and minor water splashes. This makes them suitable for various activities including exercising, sporting, gym, and cycling. However, they are not designed for swimming or submersion.

5.2 Cleaning

To ensure optimal charging and longevity, please clean both the charging contacts of the earbuds and the charger case regularly. Remove any sweat, perspiration, or dirt to avoid charging failures. Use a soft, dry cloth for cleaning. Do not use abrasive cleaners or submerge the case in water.

6. TROUBLESHOOTING

If you encounter any issues with your Ltinist BX27 Wireless Earbuds, please try the following common troubleshooting steps:

- **No Sound/Connection Issues:** Ensure earbuds are charged. Turn off and on your device's Bluetooth. Re-pair the earbuds by placing them back in the case, closing it, then reopening and re-connecting.

- **One Earbud Not Working:** Place both earbuds back in the charging case, close the lid for a few seconds, then open it again. This often re-syncs them.
- **Charging Problems:** Clean the charging contacts on both the earbuds and the case with a dry cotton swab. Ensure the charging cable is securely connected and the power source is active.
- **Poor Sound Quality:** Ensure ear tips are correctly sized and sealed in your ear canal. Clean any debris from the earbud speakers.

For persistent issues, refer to the full user manual PDF or contact customer support.
