

FOOWIN Adirondack

FOOWIN Outdoor Rocking Chair Set of 2 Instruction Manual

Model: Adirondack

1. INTRODUCTION

Thank you for choosing the FOOWIN Outdoor Rocking Chair Set. This manual provides essential information for the safe assembly, operation, maintenance, and care of your new rocking chairs. Please read these instructions thoroughly before assembly and retain them for future reference.

The FOOWIN Outdoor Rocking Chair is designed for comfortable outdoor and indoor use, featuring a high back and oversized dimensions for enhanced support. Constructed from High-Density Polyethylene (HDPE), these chairs are built for durability and weather resistance.

2. SAFETY INFORMATION

- Ensure all components are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or damaged.
- Assemble the chairs on a soft, clean surface to prevent scratches.
- Always use the provided hardware. Do not substitute with other screws or fasteners.
- Tighten all screws firmly, but do not overtighten to avoid stripping threads or cracking material.
- Do not exceed the maximum weight capacity of 350 pounds per chair.
- Keep children away from the assembly area. Small parts can be a choking hazard.
- Ensure the chairs are placed on a stable, level surface during use to prevent tipping.

3. PACKAGE CONTENTS

Your FOOWIN Outdoor Rocking Chair Set includes the following components:

- Pre-assembled chair sections (backrest, seat, armrests, rockers)
- Assembly hardware (304 stainless steel screws)
- User Manual

Please verify all parts are present before beginning assembly. If any parts are missing or damaged, contact customer support.

4. SETUP AND ASSEMBLY

The FOOWIN Outdoor Rocking Chairs are designed for easy assembly, with approximately 80% of the chair pre-assembled. Typically, one person can complete the assembly in about 25 minutes following 6 simple steps.

ERGONOMIC DESIGN

The well-balanced rocking angle ensures your weight stays centered on the chair.

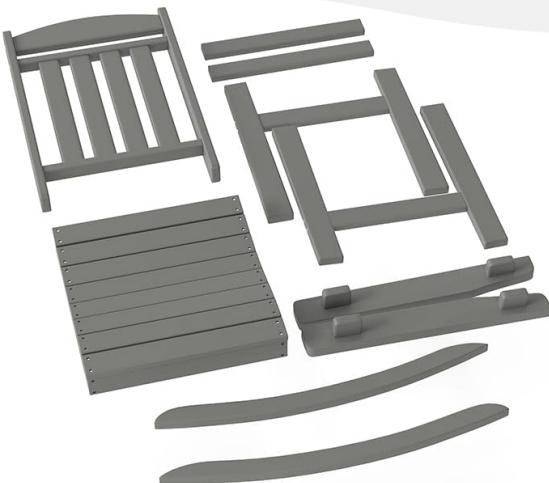

Smooth rocking motion,
enjoy a consistent and
steady rhythm

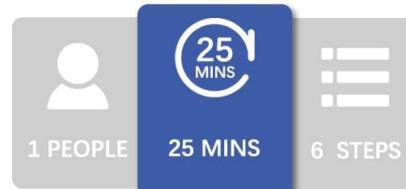

OTHER

Easy to fall over when rocking
with unstable center of gravity

80%
PRE-ASSEMBLY

EASY TO ASSEMBLE

Assembly Steps:

1. Carefully unpack all components and place them on a soft, flat surface to prevent damage.
2. Identify the main pre-assembled sections: the backrest, seat, and armrests.
3. Attach the armrests to the seat section using the provided 304 stainless steel screws. Ensure they are securely fastened.
4. Connect the backrest to the assembled seat and armrest structure. Align the holes and insert the screws, tightening them evenly.
5. Attach the rocking runners to the base of the chair. Ensure the curved ends are oriented correctly for smooth rocking motion.
6. Once all screws are in place, gently rock the chair to ensure stability. Re-tighten any loose screws if necessary.

5. OPERATING INSTRUCTIONS

To use your FOOWIN Outdoor Rocking Chair:

- Place the chair on a flat, stable surface, ensuring there is enough clear space around it for safe rocking.
- Sit centrally in the chair, distributing your weight evenly.
- Gently push off with your feet to initiate the rocking motion. The ergonomic design provides a smooth and consistent rhythm.
- The high backrest and contoured seat are designed for comfort and support during relaxation.

6. MAINTENANCE

The FOOWIN Outdoor Rocking Chairs are made from durable HDPE material, requiring minimal maintenance.

- **Cleaning:** Wipe clean with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners, which can damage the material.
- **Weather Resistance:** The HDPE material is weather-resistant, designed to withstand outdoor elements without fading, cracking, peeling, or rotting. No special covering is typically required, but storing indoors during extreme weather conditions can extend product life.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as needed to maintain stability.

304 STAINLESS SCREWS

SUSTAINABILITY

100% Recyclable Materials for a Healthy Planet

LOW-MAINTENANCE

Easy to clean and maintain, no need to worry about cleaning

WATERPROOF

Waterproof, durable and non-corrosive. No need to worry about bad weather

NON-FADING

Can be exposed to sun and wind for long periods of time, will not fade and can last for many years

7. TROUBLESHOOTING

If you encounter any issues with your rocking chairs, please refer to the following common solutions:

Problem	Possible Solution
Chair feels wobbly or unstable.	Check all assembly screws and tighten them firmly. Ensure the chair is on a flat, even surface.
Difficulty with rocking motion.	Verify that the rocking runners are correctly installed and free from obstructions. Ensure the chair is on a smooth surface.

Problem	Possible Solution
Scratches or marks on the surface.	Minor scratches may be buffed out with a fine-grit sandpaper (test in an inconspicuous area first). For deeper marks, contact customer support for advice.
